# PASADENIAN 1978

PASADENA HIGH SCHOOL  
VOLUME 40

Editor: Becky Copeland  
Cooper

Sponsor: Mrs. Susan  
Steves

Class  
of  
Seventy-Eight

Johnny Curtis Antta, Jr.

# Expressions Display Personalities

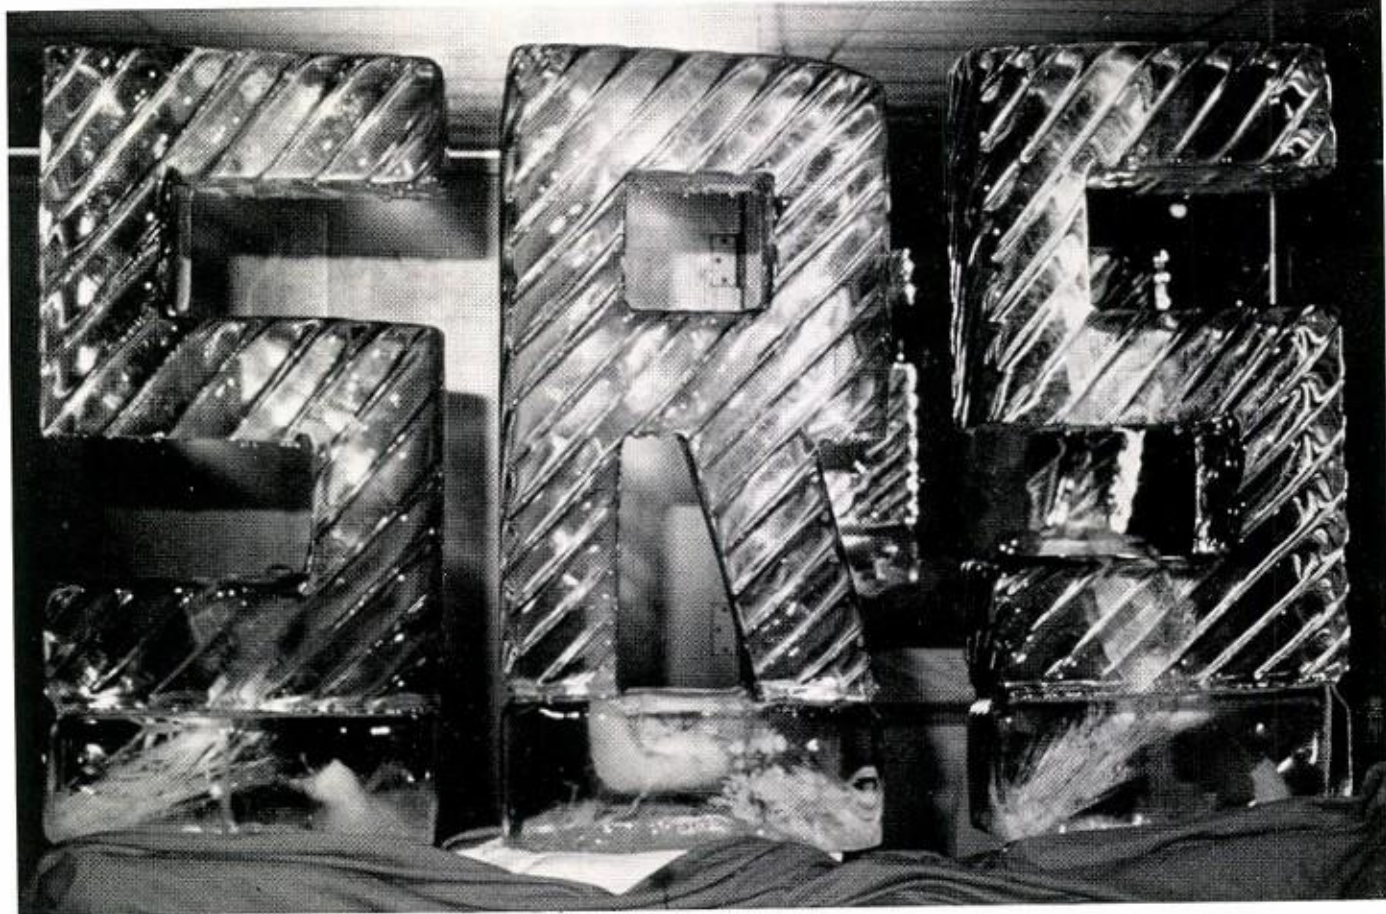

1. Singing the Alma Mater ended prom night in a cheerful note for some, solemnly for others. 2. Here she is . . . Miss America. 3. Senior Marilyn Sherrill flaunts her terrific "body" before Senior Baine McClure. 4. Junior FTA members practice facial expressions for the cameraman.

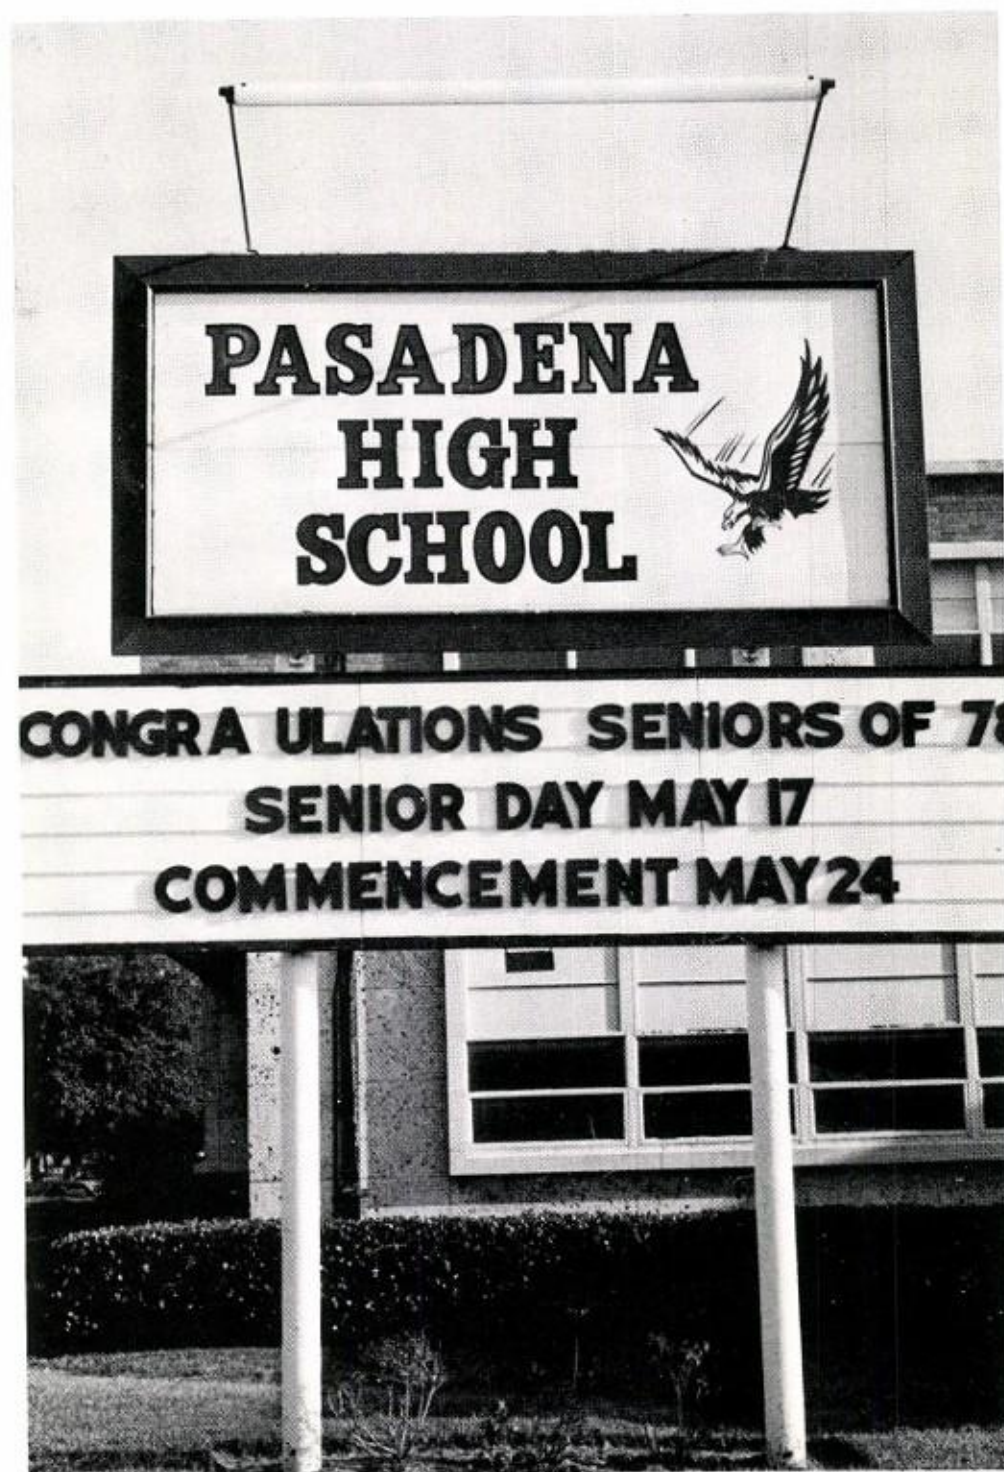

# No day was ever long enough

No day was ever long enough . . . to make me tire of the beauty of the sunrise . . . to grow weary of dew on rose petals . . . to walk enough and feel enough the sweetness of the wind blowing through my hair. No day was ever long enough to exhaust the treasures of a friendly talk . . . or a moment of quiet understanding . . . or an unsought, but much wanted expression of love. No day was ever long enough to tire of these.

1. The magnificent SRS carving was displayed throughout prom night. 2. The marquee reminded seniors of graduation night and also that they were now part of P. H. S. history. 3. Senior ROTC members having practiced flag folding exercises since freshmen had now perfected the event.

We loved the crowds, the people, the  
security of friends . . . and sometimes  
we just wanted to be alone . . .

Student Life

**DAY** September 12, 1977

After a long, hot summer, it's almost nice being back at school. My schedule is growing more hectic everyday... there are club activities, chapters to read, and so many other things going on... and I'm not about to give up my workouts at Nautilus! Let's see, this weekend's the all school party... then, oh yeah, we're all going to see that new sci-fi flick, "Star Wars," or something like that... then maybe Uncle Sam's... When am I going to do homework?

**DAY** December 5, 1977

With Christmas on the way, things are sure busy... I hope I can finish my research paper early so I'll have some extra time to do Christmas shopping. I have a yearbook deadline, too... and a choir concert... and I did promise to bring refreshments for the German club party... Two weeks off is really going to be a relief!

**DAY** March 3, 1978

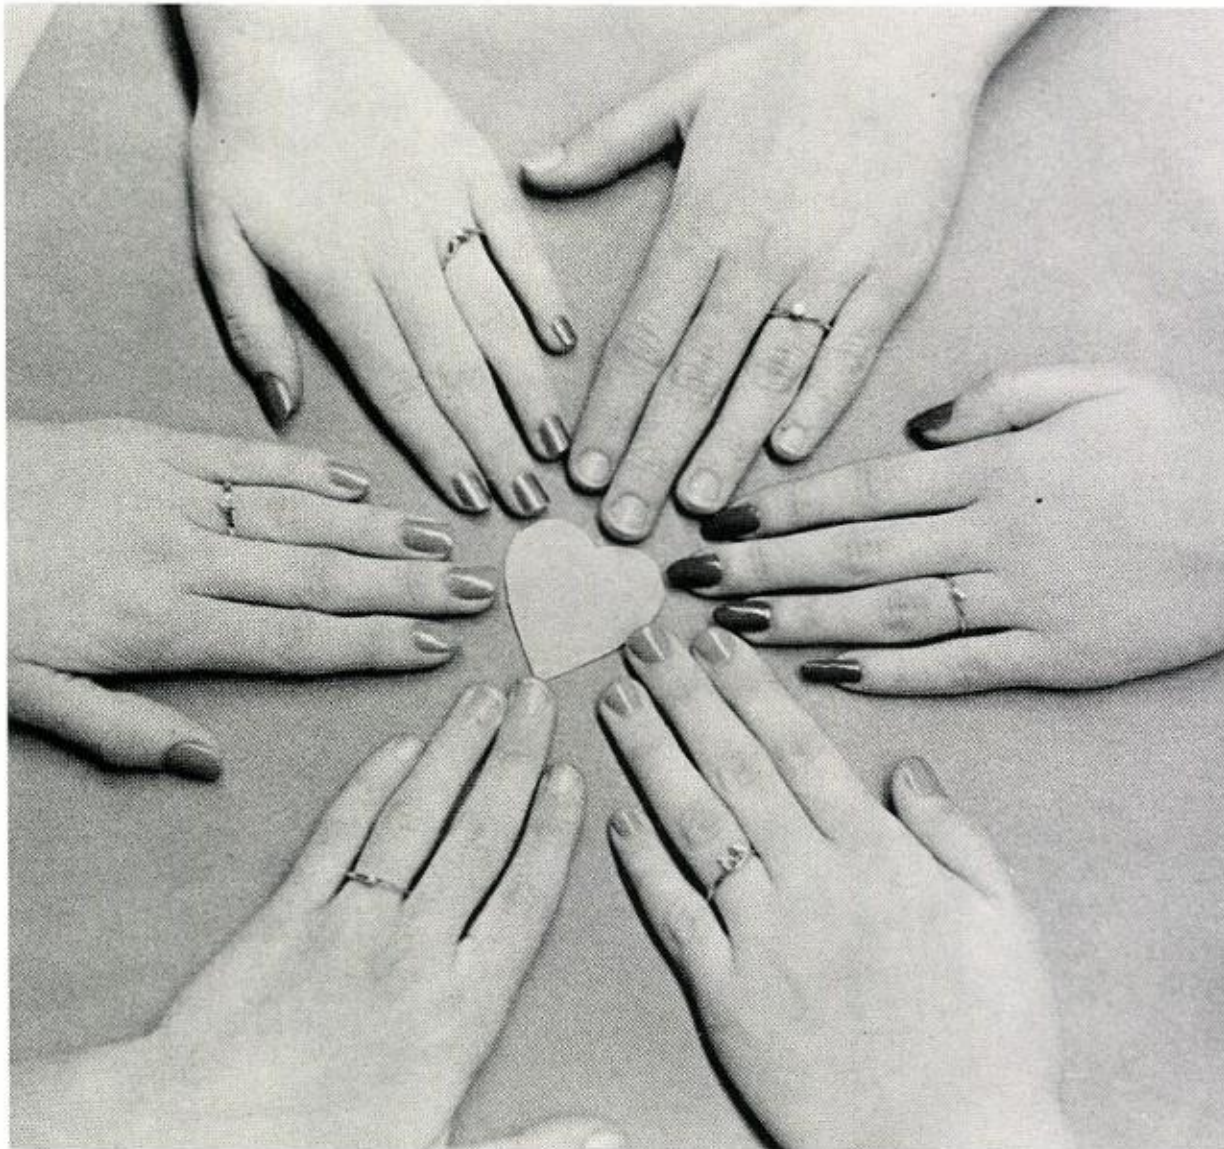

I can hardly wait for spring, and the beach... meanwhile, I'll just relive my memories of "Close-Up" - Washington D.C. What a great experience -- it's good to know a little bit more about what's going on in our nation's Capital... I hope my pictures came out well... especially of the Smithsonian Institute! Well, time for choir rehearsal - contest is this weekend!

**DAY** May 6, 1978

Just a few loose ends left to tie up... tests to take (for some) maybe a book or two to return to the library -- the year's really gone quickly... graduation for some of us - others staying behind... and I've been looking forward to a lazy summer! After this year, I need a rest - I know I'll be at the beach a lot, and maybe I'll even do some reading, just for enjoyment... it will be nice to have some time to call my own, that's certain!

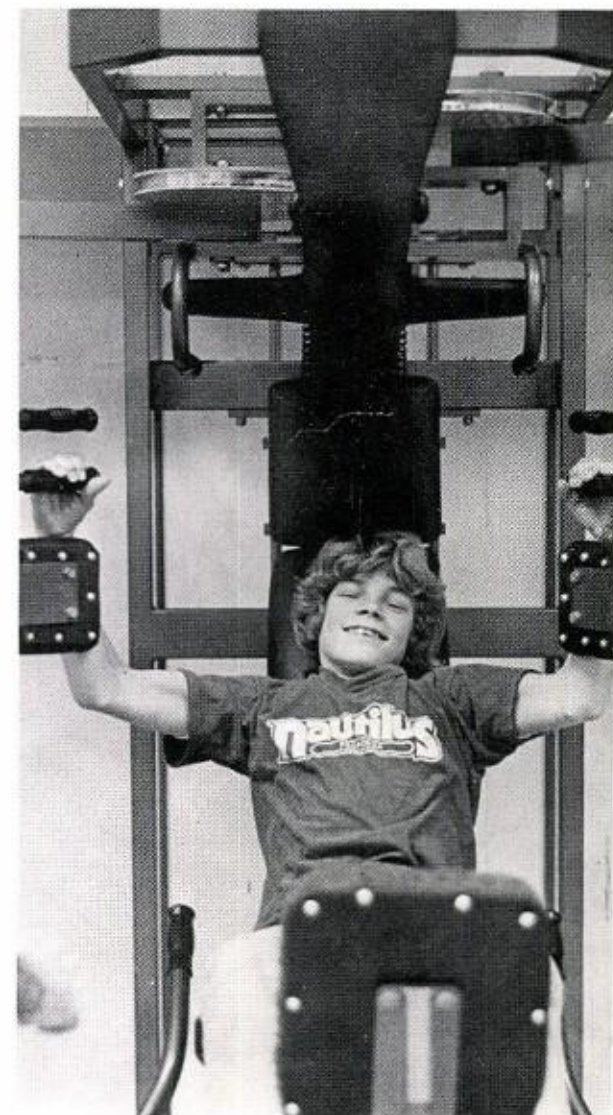

# Fads and

1

The '77-'78 fads were not as crazy as in the past years, but they were nevertheless, fads. Getting in shape was the thing to do, so naturally Nautilus was the place to do it. Promise rings were also plentiful on the P. H. S. campus, considering every other girl had one. Other fads included stickpins, boots, gauchos and glitter.

- (1) The girls show off their promise rings with pride.
- (2) Uncle Sam's was a popular place for disco dancing.
- (3) Stick pins became very fashionable.
- (4) Rudi Gronstedt works out at Nautilus.
- (5) Darryl Campbell proves his fantastic ability at skateboarding.

# '77 Homecoming is all SMILES

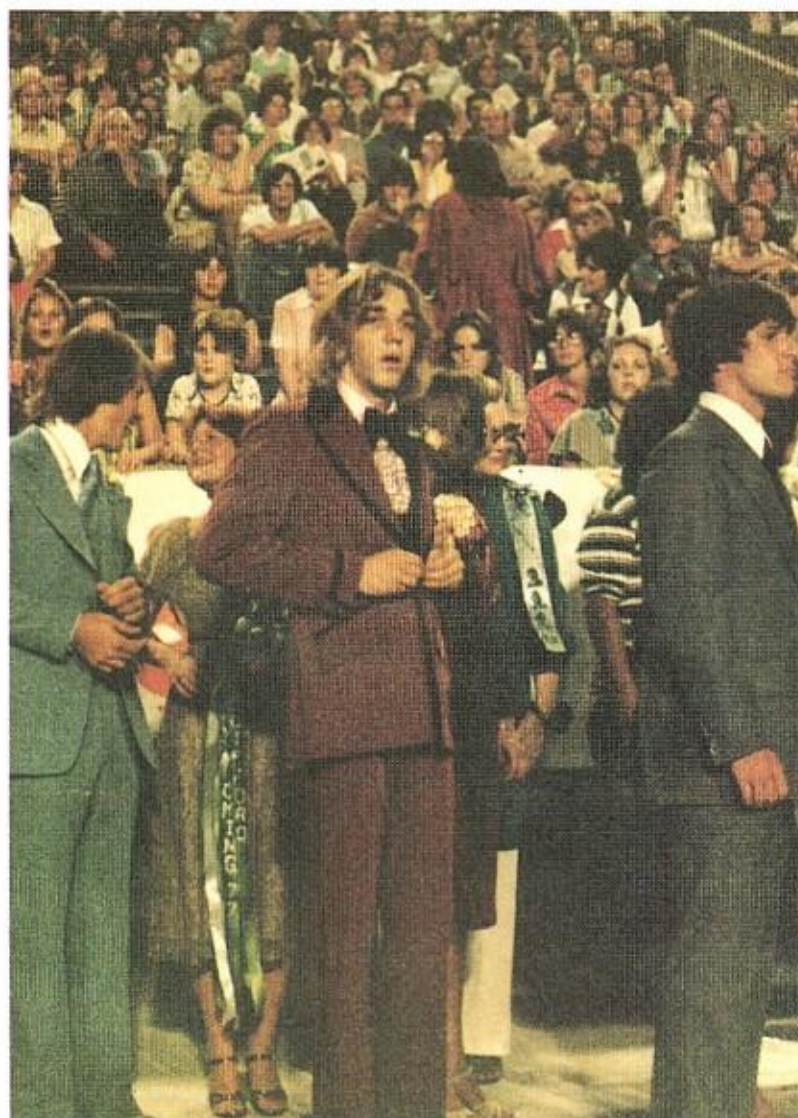

1. Kitty Honea and Bruce Turk await the answer.
2. Mike Boone, Betsy Angel, and Mrs. Barclay anticipate the halftime ceremonies.
3. Thomas Dill keeps Alison Harris occupied while Bruce Turk gets ready for his big moment.

Close-up is a week of new and exciting places. The students enjoyed touring the capital, Smithsonian Institute, and other museums. The Lincoln Memorial was a sight at night which they enjoyed. They ate at various places which was another highlight of their trip. Although the week was exhausting it was thought of by the students as being well worth it.

Pasadena not only has the most spirited pep rallies around, but the craziest too. There are banana split races, a fashion show of football players' sleepwear, and even some voluptuous Homecoming nominees: (1) George Poe, Ricky Elliott, and Randy Herrera. (2) The Eagles burn Sam to a crisp. (3) Mr. Logan coaches the spirited senior girls at the Rayburn pep rally.

The annual N. H. S. carnation sale proved to be a big hit once again, as Valentine's Day rolled around. Flowers were given to people of all kinds: sister or brother, friend or lover. Either way, February 14 turned out to be a time for love.

# Good Sportsmanship League

3

Sophomore Kari Teague (2), Junior Tina Bezdek (3), and Senior David Jennings (4) represented P. H. S. in the Good Sportsmanship League in 1977-78. Their activities included attending district-wide GSL meetings three times a year. They also gave tokens of good sportsmanship at home football games. Other sports events were attended to promote good sportsmanship throughout the school year.

“Hejsan” says foreign student Leif Kindlund in greeting.

Leif, a native of Sweden, entered Pasadena High School in August of 1977 and immediately noticed a variety of differences including sports such as football and soccer. Another difference he found was in the Acapella choir programs (1). “In Sweden we do mostly musicals,” said Leif. He was the star in a musical, presented in his Swedish school prior to coming here. He is interested in volleyball and has won many awards in Sweden.

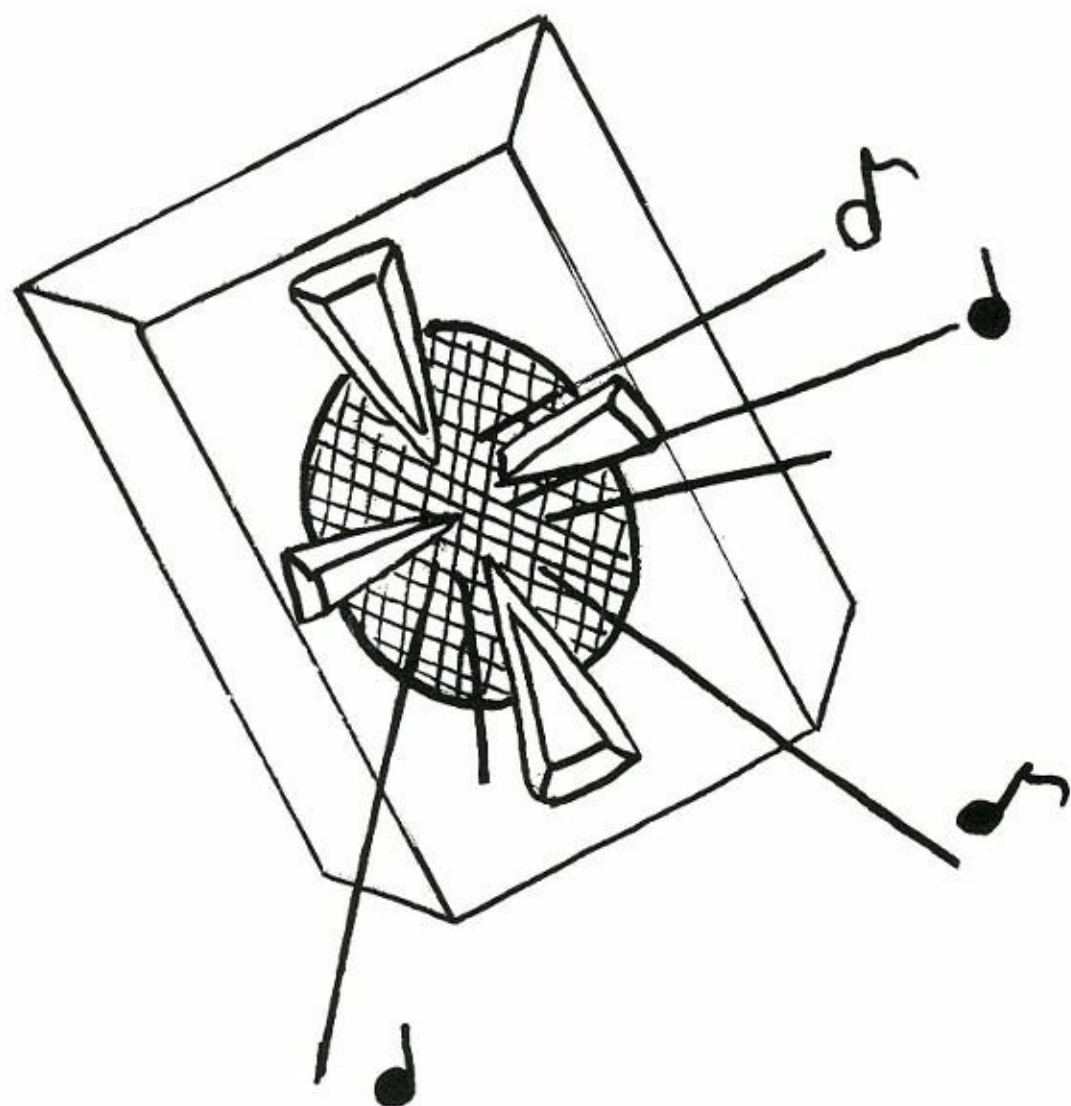

“Girls in Sweden are treated better than they are over here” stated Leif when asked the differences between American and Swedish girls. “They are not as outgoing at home, they are shyer.”

Leif left for Sweden after completing his year’s work in the United States.

# "OF WINNERS LOSERS AND GAMES"

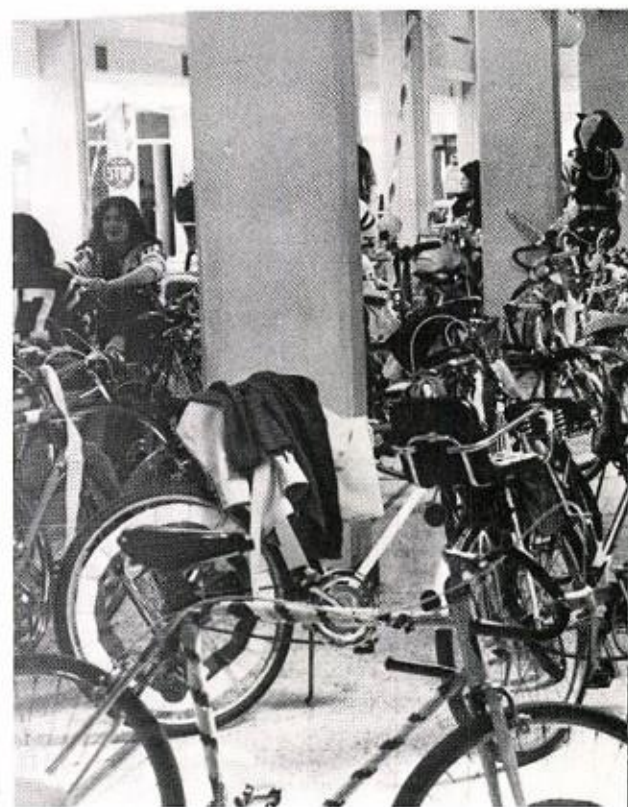

The U. I. L. Contest judges at Clear Lake High School gave rave reviews to the play "Of Winners, Losers, and Games". Lisa Williams was named to the all-star cast and Sandy Campo received Honorable Mention. The play got third place and very good comments: "great costumes", "good directing", "well structured", and "did very well with what you have".

**DAY** August 18, 1977

The first day of school, and it's actually been good to see teachers again... some of them looked really tan -- it's hard to imagine that they go to the beach, too! I guess we're so used to seeing them in a classroom environment, we forget they have lives of their own.

**DAY** November 20, 1977

The funny thing is -- while I'm slaving away on homework assignments, a lot of my teachers are doing the same thing... for college credit. It seems that almost all my teachers are taking courses at U of T towards higher degrees. Some are even finishing! My English teacher, Mrs. Corbett, just finished her masters in German... what an accomplishment!

**DAY** April 20, 1978

We voted on our last NHS Teacher of the Trimester today... Mr. David Alquest. He's really a super teacher, along with Mrs. Laura Lee Baldwin and Mrs. Donna Schima, previous Teachers of the Trimester... and they are just three out of many great teachers here... people who really care about us, even when we make their lives miserable by chewing gum, being late, forgetting our homework...

**DAY** May 10, 1978

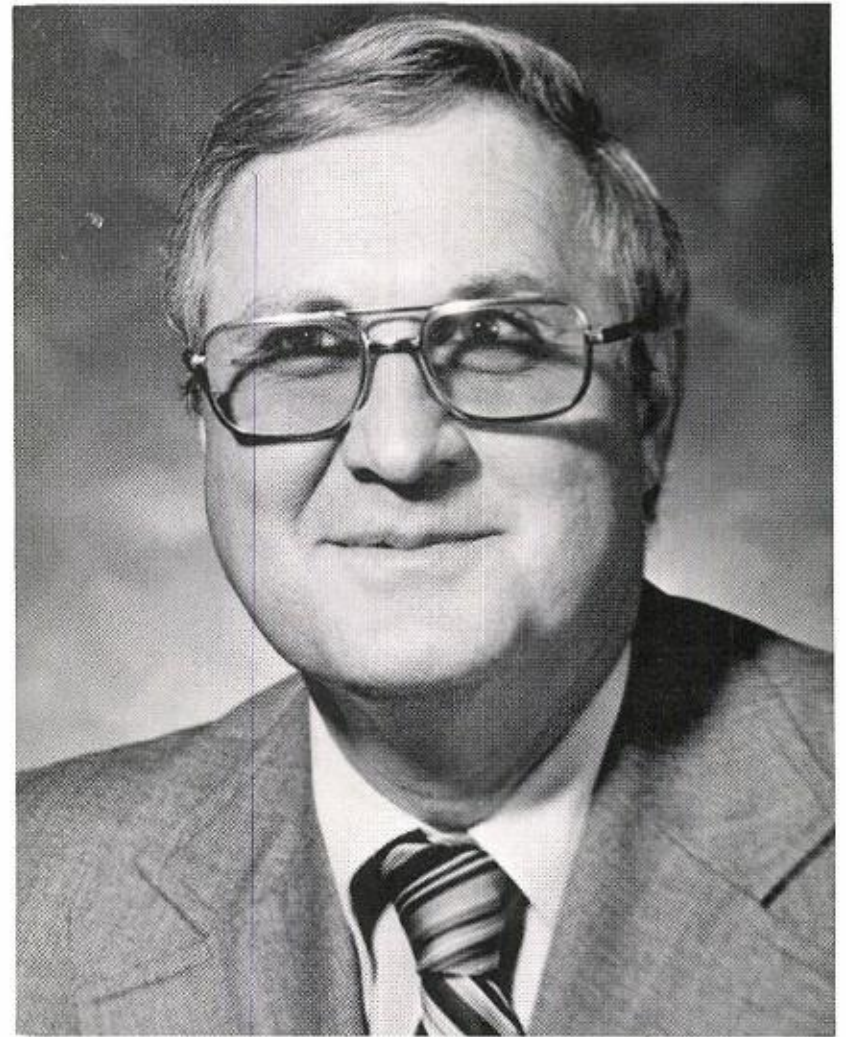

With school nearing the end, we realize how much we'll miss Mrs. Brown and Mrs. Burford after their retirement. I'll always remember sophomore English, and Biology I! The hardest thing in the world is to tell a teacher how much she's meant to you -- there just aren't words enough...

# Board enacts educational policies

Dr. C. Lee Meyer and School Board members helped lead the Pasadena School District into another progressive year. Each participated in solving problems among students, teachers, and the schools in general. They took a wide interest in school activities and kept busy attending school functions.

# Who's the leader of the pack?

## K-e-l, l-e-r, Dear ol' Lonnie B!!

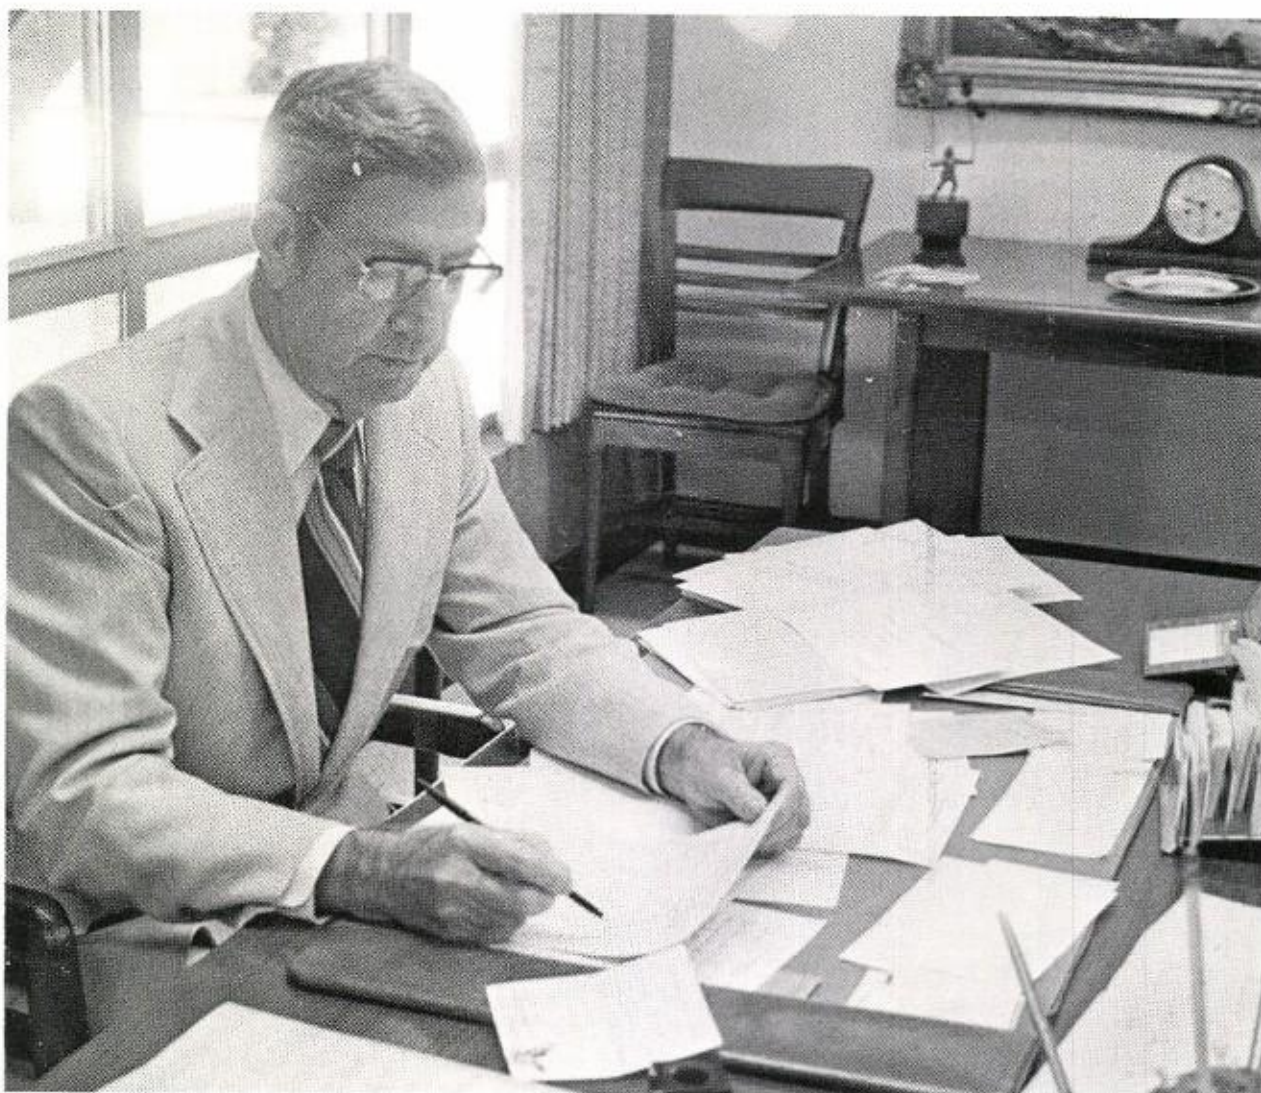

Mr. Keller did much more than appear in Mouseketeer ears at pep rallies, however.

Throughout the year, he served as an efficient and conscientious administrator, yet always managed to keep an "open door" policy with the teachers and students of PHS.

"He really cares," said a number of students when asked for a description of Mr. Keller.

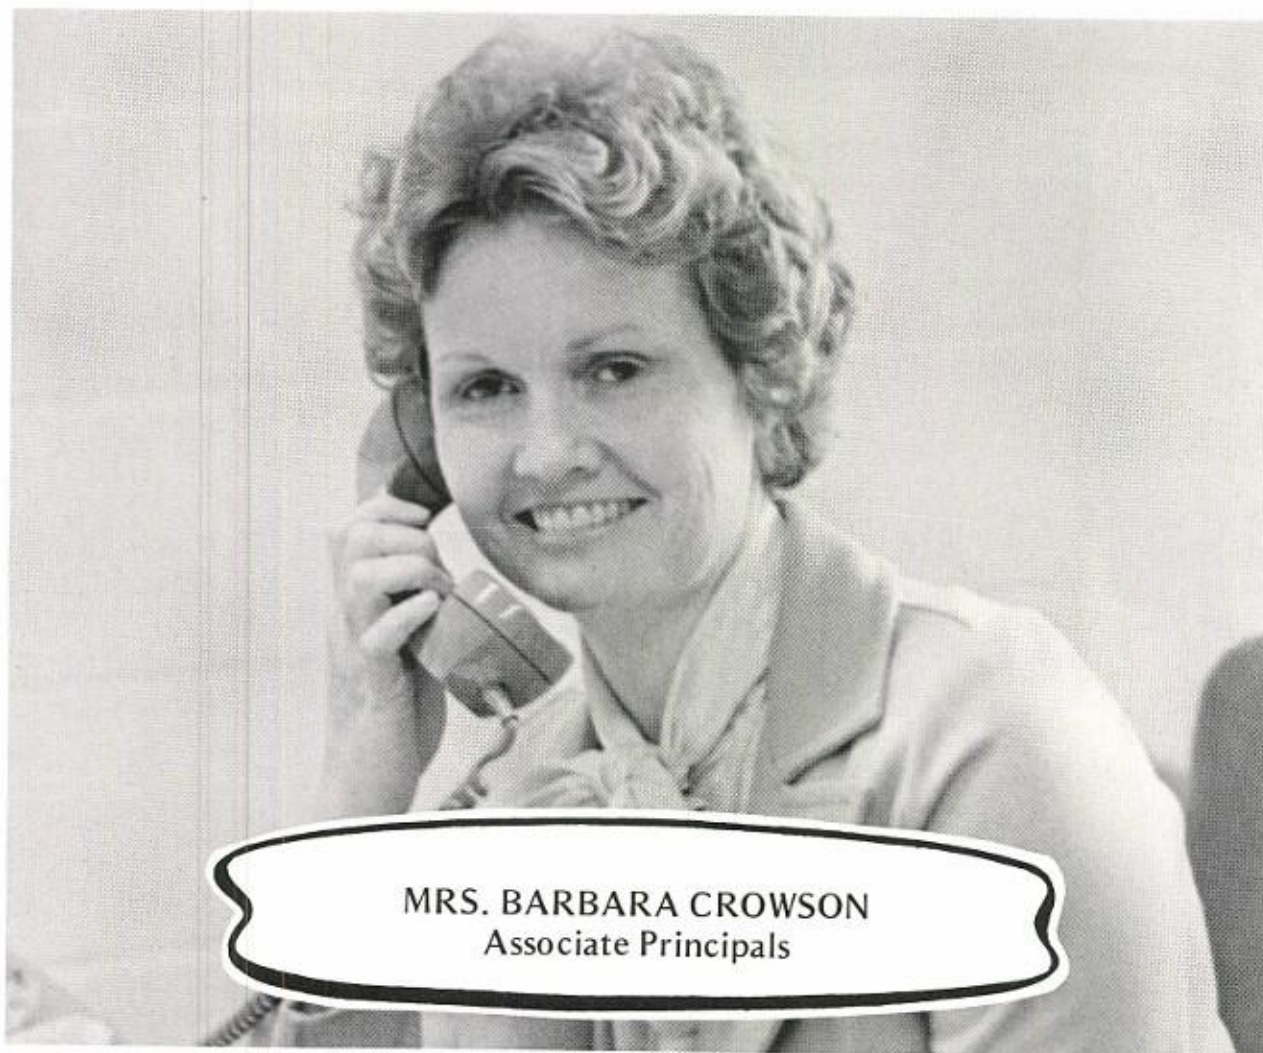

"PHS students are important to him."

And he to them.

# Mr. Keller's Mouseketeers

**MRS. BARBARA CROWSON**  
Associate Principals

There is more to being an assistant principal than meets the eye. In addition to disciplinary responsibilities, each principal has individualized duties as well.

Mrs. Barbara Crowson is second in command to Mr. Keller, and is responsible for junior and senior girls. She supervises all major school productions and programs, and oversees the care and maintenance of all buildings.

Publicity is under Mr. Ray Wright's supervision, as are all school elections. In addition, he advises the Student Council and handles all matters involving junior and senior boys.

Mrs. Doris Barnes begins work about 5:30 each morning during the school year, insuring that there will be substitutes for ailing teachers. Once that duty has been discharged she attends to her other responsibilities which include freshman and sophomore girls, supervising the office staff and directing all school campaigns such as the United Fund Drive. Mrs. Barnes is also co-sponsor of the Good Sportsmanship League.

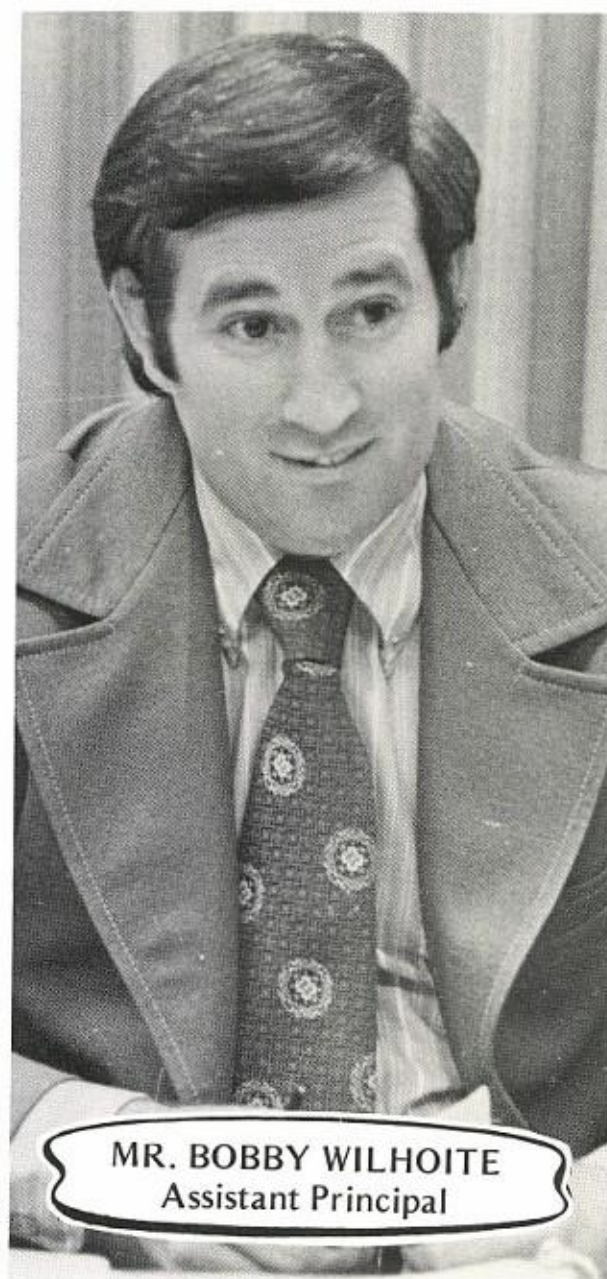

Freshman and sophomore boys answer to Mr. Bobby Wilhoite, who is responsible for all freshman activities, and for the execution of fire drills. Mr. Wilhoite's other duties include supervising the Eagle Bearers and the cheerleaders.

**MR. RAY WRIGHT**  
Assistant Principal

**MRS. DORIS BARNES**  
Assistant Principal

**MR. BOBBY WILHOITE**

# Counselors Cope

From scheduling to career counseling, to handling all sorts of student problems, the counselors help to keep the school running smoothly.

When asked about some of the fun of counseling, senior counselor Mrs. Vlahakos said, "It has a lot of variety. Not the same thing every day. Moving up with the students all four years gives you a chance to know them well. I hate to let them go."

Organizations

**DAY** August 23, 1977

Drill practice is killing me. I can hardly walk for all the blisters and charlie horses. We've been practicing along with the band and football team, for three long weeks. What a way to end the summer! It will all pay off though, at the first football game when we dazzle the crowd with our routine!

**DAY** September 12, 1977

It's join-up time -- all the clubs are out advertising in hopes of attracting new members. There are so many activities, it's difficult to choose just a few... maybe I can fit just one more into my schedule. Keywannettes are planning a costume party that sounds fun... I've made up my mind! Keywannettes it is! Now, shall I go as Garpo Marx or Goldilocks...?

**DAY** November 26, 1977

We've been singing our heads off in choir. Getting ready for Christmas concerts, UIL Competition and all the other upcoming activities is sure keeping us busy!

Thank goodness tomorrow is the beginning of turkey holidays! Maybe I can give my voice a break and my stomach a workout!

Better not eat too much though... don't want to gain weight with "Most Beautiful" coming up!

**DAY** December 5, 1977

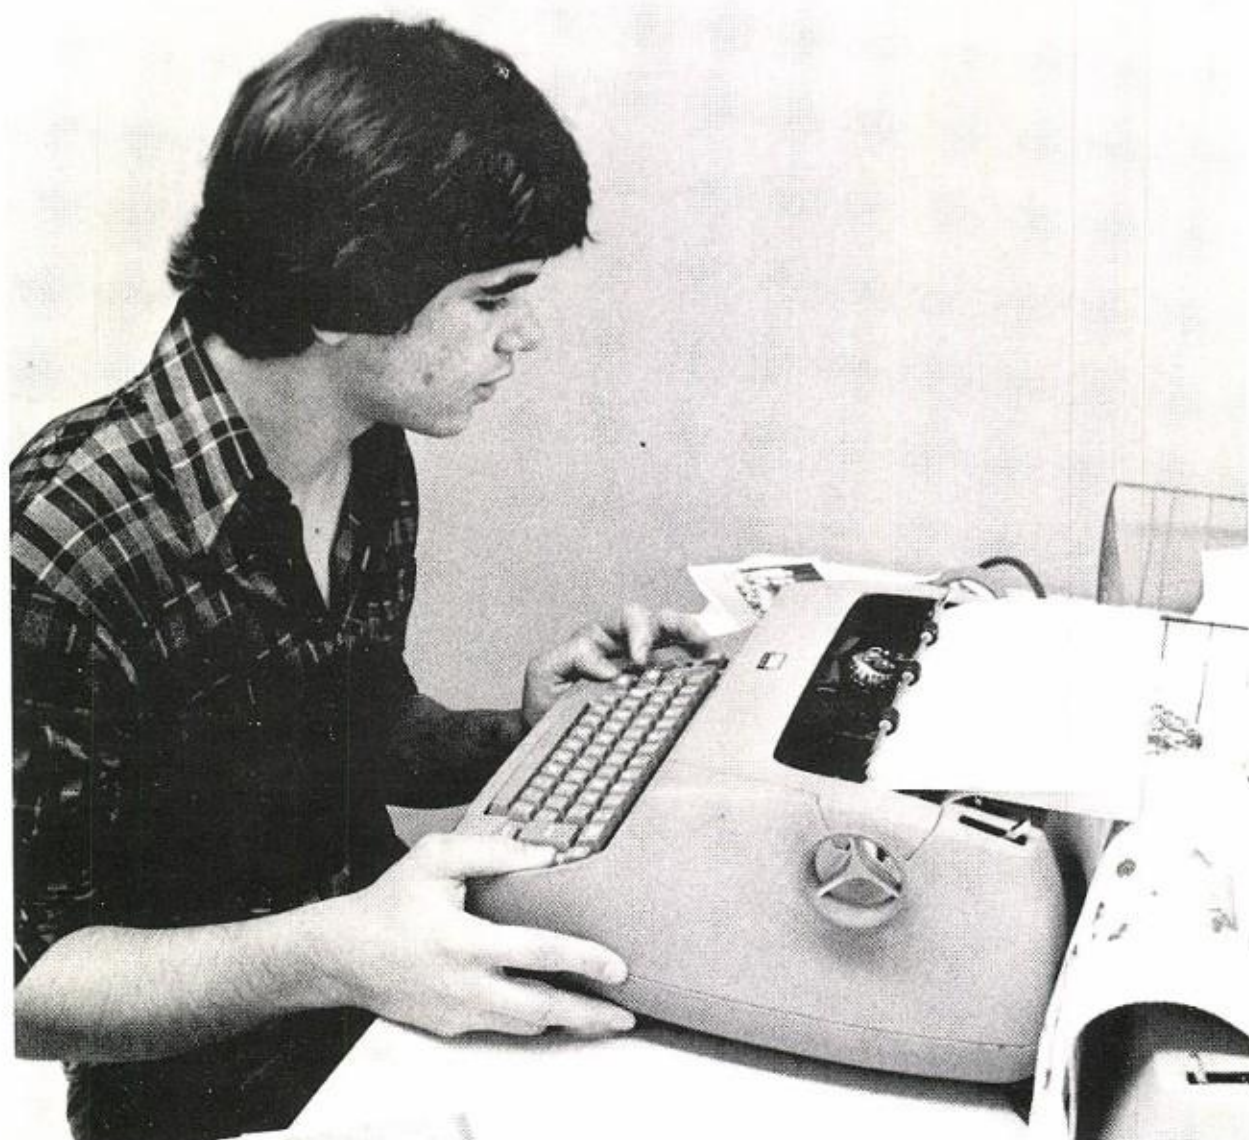

With Thanksgiving past, we're all thinking of Christmas. I've been selling for money-making projects relentlessly. What with the French Club selling stationery, JTA selling candles and freshmen selling calendars -- Help!! I'm going broke!

The Junior Class is planning an all school party, and VOE and DECA are collecting baskets of food for needy families -- What a great feeling to help out.

# Beacon, Pasadenian keep up with events

With only four returning members to the PASADENIAN staff, the yearbook had a slow start but first year members soon learned the skills needed to turn out the annual. Staffers learned how to write copy, choose headlines, and design layouts. The BEACON staff excelled in presenting the newspaper every two weeks by meeting deadlines, soliciting ads, and writing stories. Staffers with one year's experience on a publication staff and a 2.5 grade average were given the opportunity to join Quill and Scroll, an international honorary publications society. Quill and Scroll sponsored a Current Events Quiz and in the spring sponsored a Creative Arts Contest which covered such areas as photographic art, poetry, and short stories.

1

2

4

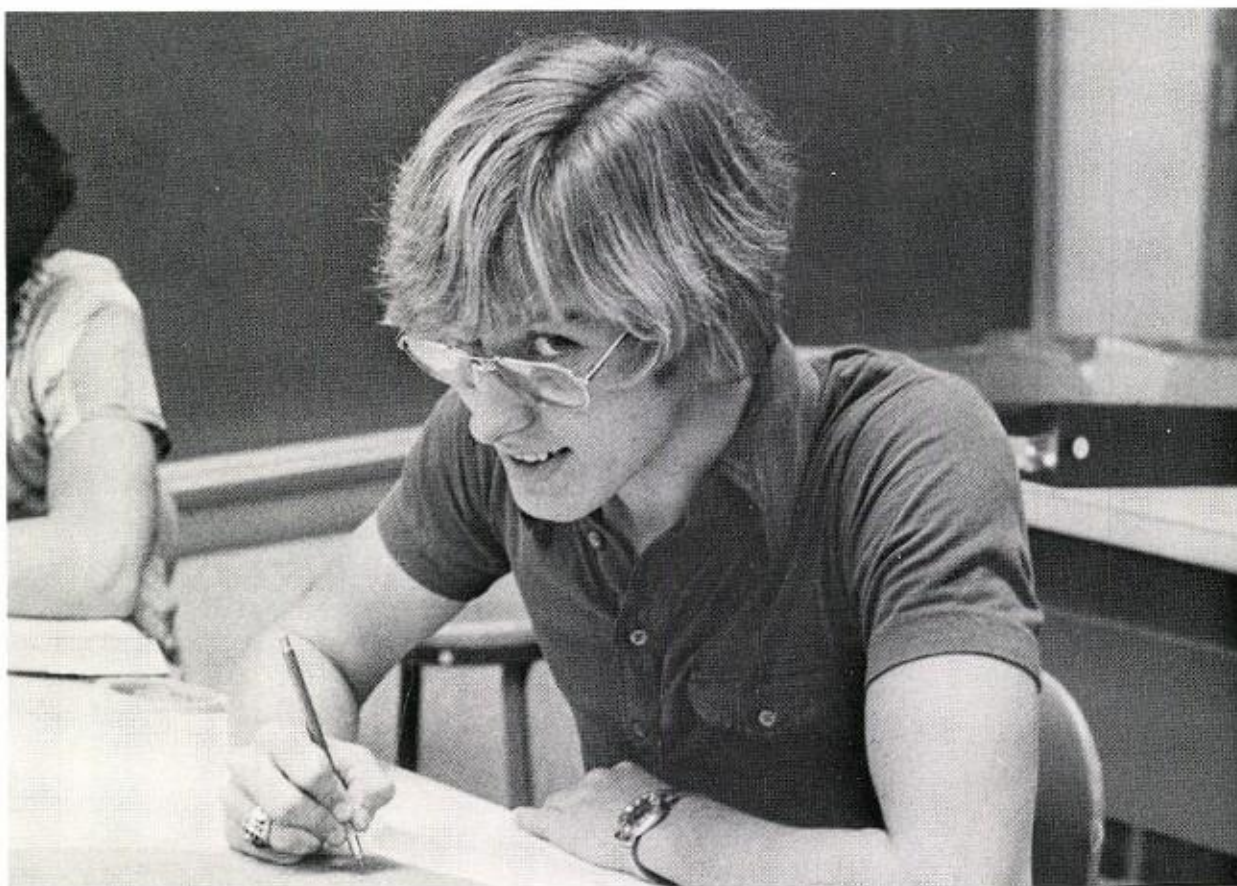

5

1. Brian Long worked on his layout.
2. The Beacon staff worked "closely" to get the newspaper finished before deadline.
3. The Pasadenian staff met at Old Spaghetti Warehouse after school for a "get-together."
4. Lori Sivley drew her layout to meet her deadlines.
5. James Bullard distributed newspapers during homeroom.

# Drafting has 100% membership in VICA

Vocational Industrial Drafting began the year with a 100% membership in VICA. Drafting classes were made up of students from Dobie, Rayburn, South Houston, and Deer Park high schools. In October, the Industrial Drafting officers along with their sponsor, Mr. Ghormley, attended a Leadership Conference at Alvin High School. Every student in drafting entered two projects in the district meet, and from there the winners went to compete in state competition in San Antonio.

1

3

4

# Metal Trades provides high paying jobs

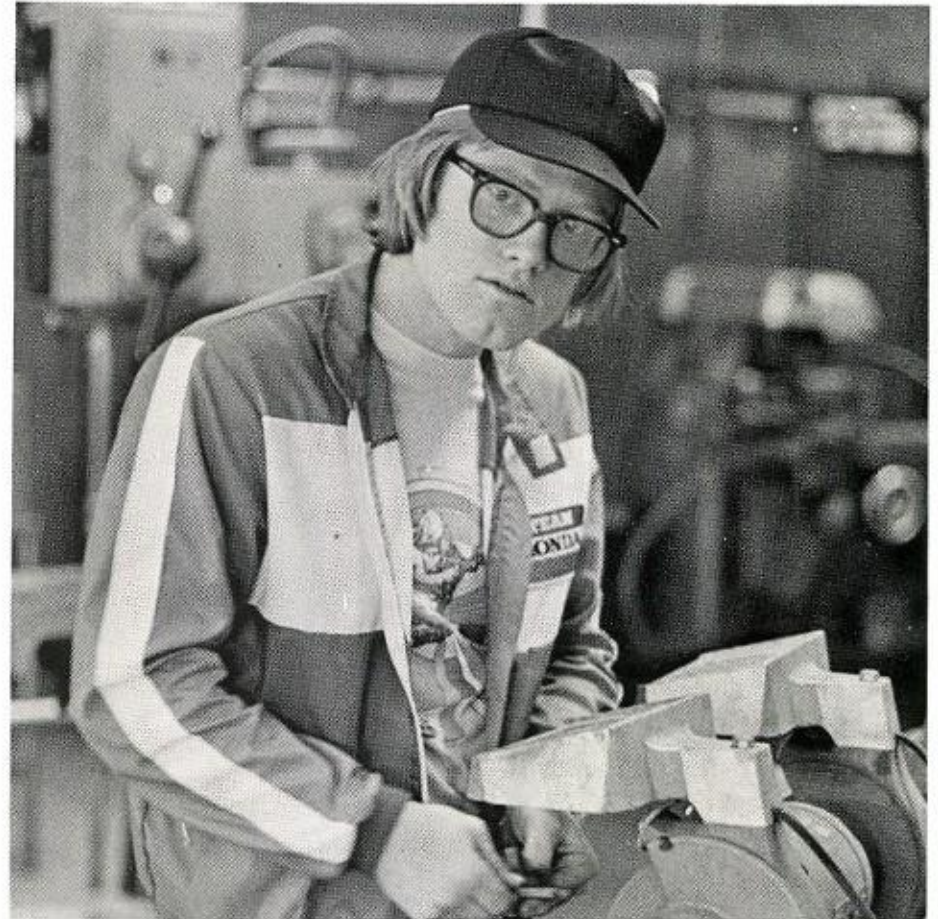

2

5

Metal Trades offered good job opportunities for high school graduates. There are three major skills one may learn in metal trades, such as machining, welding, and cutting. The VICA members attended a district meet in March and then in April, competed in the state meet in San Antonio. Students also learned how to make screw drivers, hammers, and center punches. Others made home projects such as go-carts and stainless steel containers.

6

1. Senior Thomas Watson seemed to be working hard on his drafting project.
2. Richard Torres worked on the lathe.
3. The VICA Drafting officers were: Thomas Watson, Robert Arnold, Bubba Hunton, Al Caballero, Noe Esparza, Lori Dunham, and Joe Domorad.
4. Junior Lori Dunham took drafting in Mr. Ghormley's class very seriously.
5. Robert Oehrlein enjoyed working in Mr. Rodger's second period metal trades class.
6. In metal trades, Harold Derby worked with the grinder.

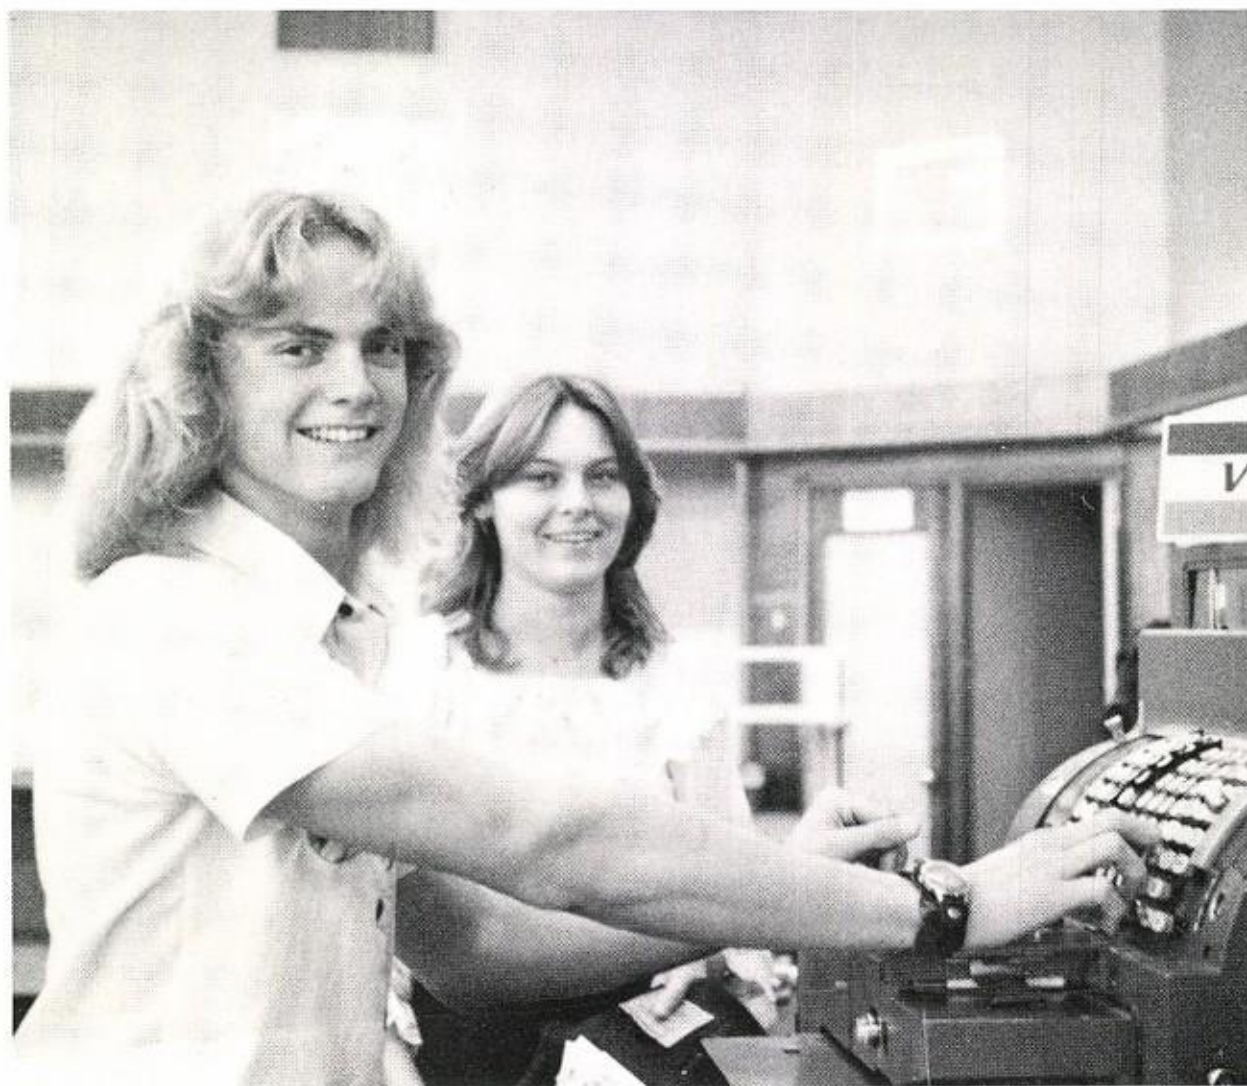

## D. E. and I. C. T. students attend conferences

Distributive Education students attended many conferences throughout the year.

D. E. had its annual Employer-Employee Banquet in May.

D. E. along with Industrial Cooperative Training students got on-the-job training by working half a day at various jobs including financing and credit, food, and advertising services.

1

3

# Radio and T. V. repair appliances

2

The Radio and T. V. students learned how to repair household appliances and audio equipment. First year students at the beginning of the year learned how to build radios from scratch, while second year students in more depth explored electronics.

The Radio and T. V. branch of V. I. C. A. went to district competition in March where they built and entered their own projects. Winners from the district meet advanced to State Competition held in San Antonio in the Spring.

5

1. D. E. students Joey Wimberly and Dianna Engle work at a neighborhood department store after school. 2. In Radio and T. V., Richard Kennedy and Steve Saskie wire speakers on a car. 3. Sheryl Maxwell spent her working hours at a sporting goods store. 4. Dana Jennings helped a customer at the clothes store which she worked at. 5. Marlen Pickens and Scott Stonecipher work on a stereo speaker. 6. Taking the back off a television set was one of the jobs James Bias encountered during class.

# Cosmetology can cut it!

Under the direction of Mrs. Faye Sharp, the Cosmetology students spent a year full of learning and fun. The big event was the annual visit from the Monopoly Styling Salon for their Hair-A-Thon. This gave the girls a chance to learn professional techniques and also gave everyone an opportunity to receive haircuts and styles.

3

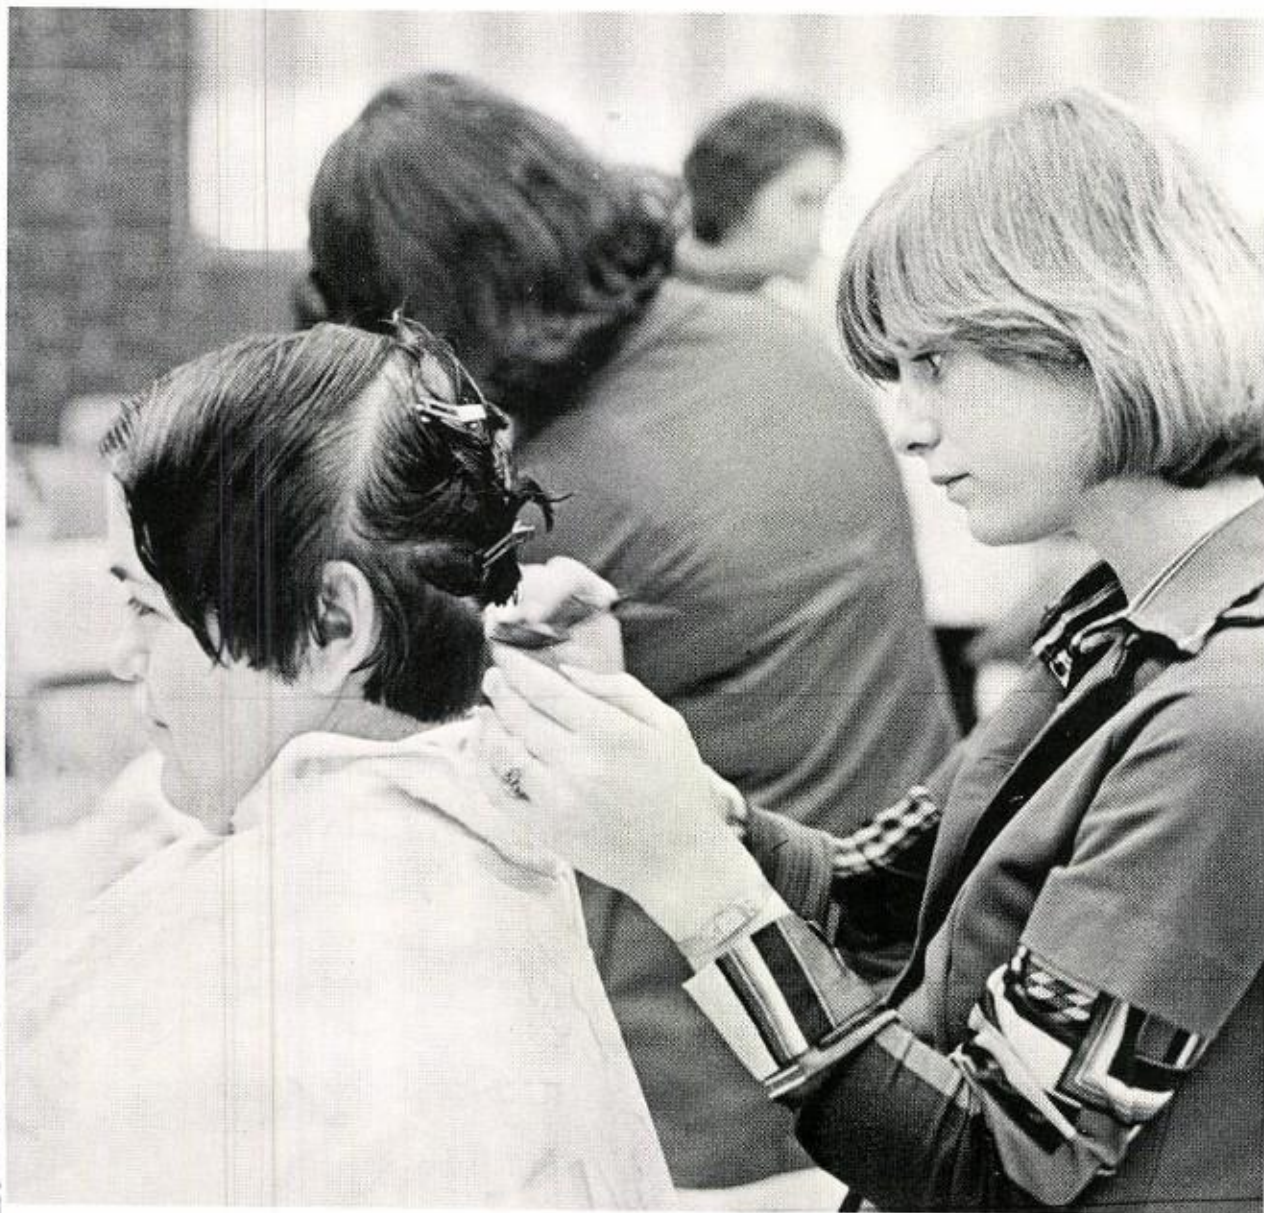

1

4

2

5

Continuing in their giving and caring spirit, dressed as assorted goblins, the Cosmetology department made a Halloween visit to the Woodridge Day Care Center. The children there received candy and goodies. November gave the girls a chance to collect a Thanksgiving basket and deliver it to a needy family. The Christmas spirit was present when the girls visited Hope Village in December. They took stockings, candy and toys to the children there. February 21 was the Cosmetology Valentine's Banquet which was held at the Royal Coach Inn. Early March was the time for the district contest held at San Jacinto College. The girls competed in such categories as comb outs, wet sets, and permanents. Once a month, the cosmetology department visited the Blalock Nursing Home to offer the residents their styling and manicuring talents. The Spring brought both the warmer weather and a trip to Austin for the seniors. There they took the state exam to receive their Texas Cosmetology License. The year was a rewarding one for the girls and one to be long remembered.

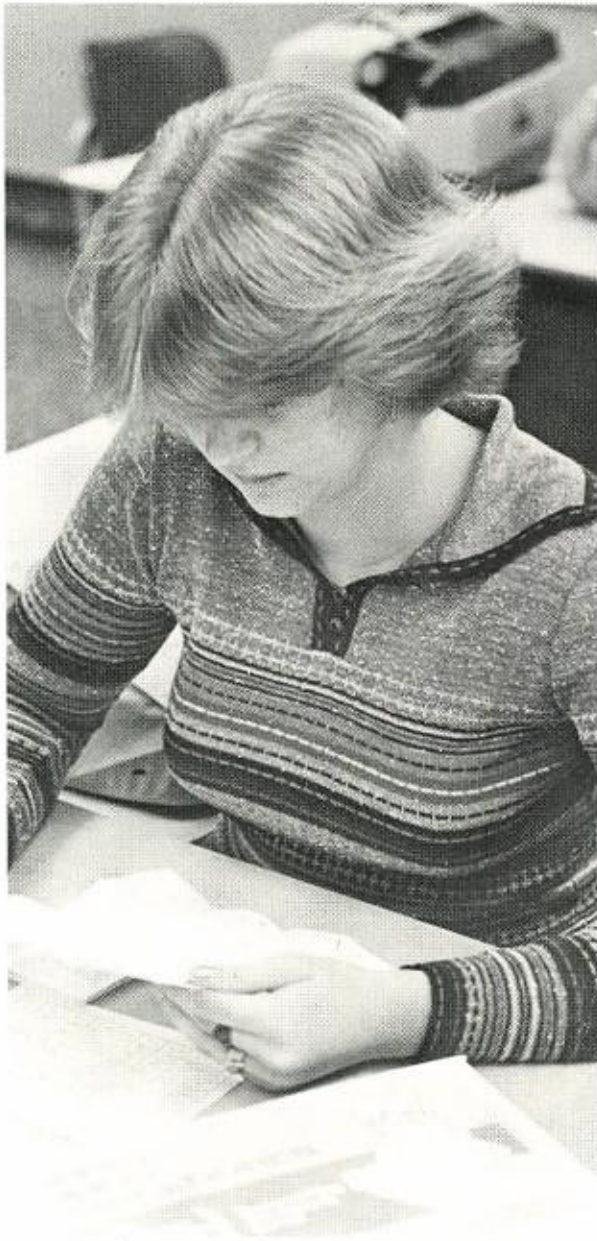

6

1. The Cosmetology officers for 1977-78 were Vickie Parker, Nancy Fallon, Michelle Painter, Karen Ludwig, Julie Archer, Kim Huse, and Erma Espinoza. 2. Mrs. Shirley Bonner received a set from Lynn Mayo. 3. Susan Buzek uses a wig to keep in practice. 4. Kim Huse practiced rolling and pin curls. 5. Mary Cowart finds that working on Denise Givens is harder than working on wigs. 6. A visitor to cosmetology discusses her hair with Dianne Richardson.

# VOE prepares for the future

The 1977-78 school year proved an active one for Vocational Office Education students. December provided a month of fun and giving. The girls participated in their annual Christmas party and a visit to Hope Village for the mentally retarded. The week of February 12 was the National Office Education Association week which kept the club busy. Competitions gave the girls a chance to travel during the spring. Area competition in Nacogdoches and State competition in San Antonio were much enjoyed by all. Finally, a job interview day in April gave the girls an opportunity for displaying the long-practiced skills acquired during the past year.

2

1. Tammy Sonnamaker arranges a list for an upcoming test. 2. Debbie Waltz reads over filing notes. 3. Mrs. Scott prepares a list of gifts she wants for Christmas.

1

3

# Students enjoy automotive classes

The Pasadena High School Automotive classes kept students busy this year learning and helping others. Under the direction of Mr. A. G. Edmonson and Mr. Jerry Bailey, automotive students spent two classes daily learning everything from wiring to rust repair. Contests in the spring brought excitement and anticipation to the classes. District contest in early March was held at San Jacinto College. First place winners advanced to state competition in San Antonio. Categories for competition included hoods, body work, master cylinders, and brake repair. Both Auto Mechanics and Paint and Body spent a practiced-filled 1977-78 school year.

1

2

3

1. Auto Paint and Body students keep in practice on faculty cars. 2. David Sullivan repairs an engine in Auto Mechanics. 3. Brian Mappe enjoys both working on cars and getting dirty.

# Horticulture students beautify the campus

With the help of the horticulture students, many around-campus improvements were made possible. The completion of the star and the laying of new sidewalks were only part of their achievements. Maintaining school landscaping and experimental work in the greenhouse were also included. Under the direction of Mr. Jon Rascoe, horticulture students acquired all the skills needed for the cultivation of beautiful plants.

1. Danny Holcomb checks the growth of greenhouse plants. 2. Vittorio Peralez inspects carefully for "bromeliad bugs." 3. Jerry Webb keeps busy watering plants.

# Students learn air conditioning skills

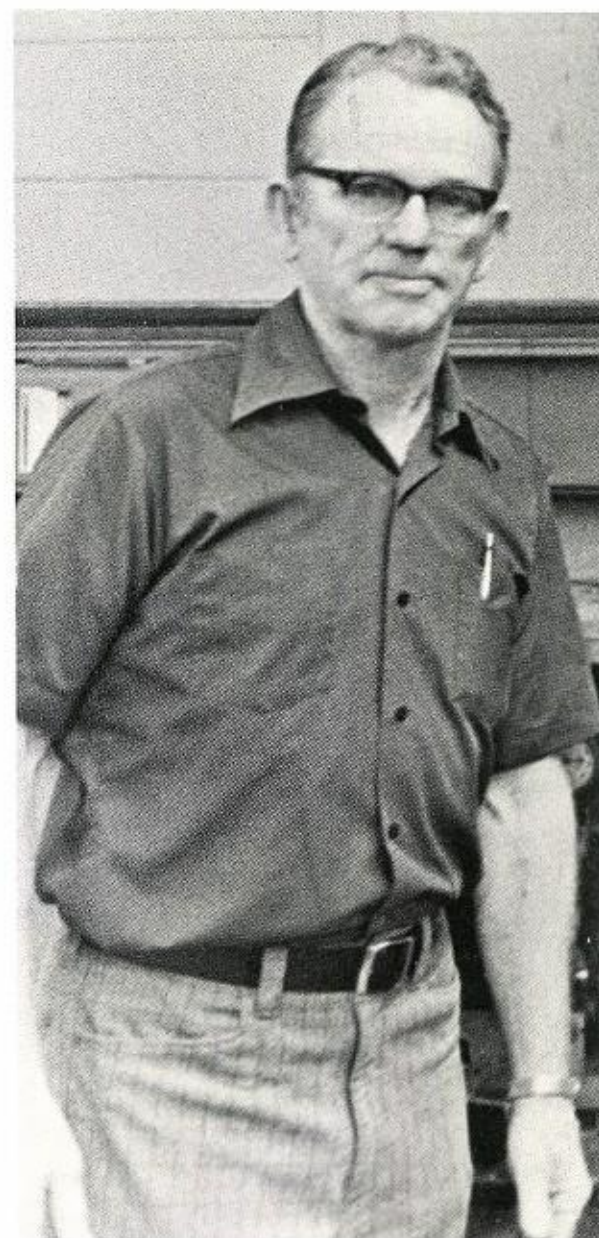

1

2

Each day students traveled by bus to the Skill Center to participate in Mr. Bob Batchelor's Air Conditioning and Refrigeration class. The year provided these students with the skills needed to find good post-graduation jobs. In March, the district contest at San Jacinto College provided a chance for the students to compete in various speed and skill tests. These included copper wiring, electrical wiring, and troubleshooting. The students winning first place received the honor of qualifying for State Competition.

# Data students learn computer skills

Data Processing provided the past years students with chances for future office and computer programming jobs. Under the direction of Mrs. Jeanette Keller, students learned programming of Honeywell computers, keypunch, and numerous other skills. At Thanksgiving, the Data students collected fruit baskets and delivered them to the Pasadena Care Center. The sharing spirit remained with the students through Christmas when they gathered toys and food for needy families. State competition in March in San Antonio brought an air of anticipation and excitement to the classes. The year was a rewarding one for Data Processing students and one supplying them with experience for the future.

# Future Teachers participate in contests

The 1977-78 Future Teachers of America remained an active club. The year began with an installation of officers in September. Poster parties during the football season won the girls a spirit stick for the Clear Lake game in October. November brought the very successful candle and stationery sale. The month of December was quite a busy one for F. T. A. members. A district convention in Dickinson kicked off the Christmas season. The club then sponsored the successful Mr. St. Nick and Miss Merry Christmas contest. The New Year saw club president Tammie Price running for district president and other club members preparing for state contest in Dallas. Monthly meetings, choosing of Girl of the Trimester, teacher assistance, and teacher appreciation were regular events sprinkled throughout the year. The year closed with a final meeting and the awarding of the Girl of the Year in May.

# “Who pulled

Preparations for contest, the Most Beautiful Pageant, and a host of concerts kept the Symphonic Orchestra on its toes during the year. Members worked diligently for many hours in night rehearsals to assure a superior performance. Students had the opportunity to display other talents when the orchestra performed “A Fifth of Beethoven,” featuring soloists on electric guitar, piano and bass.

The orchestra also traveled to area elementary schools during the Christmas season spreading music and good cheer to the enthusiastic youngsters.

# BAND ... SHAKE IT ON UP!

Winning consecutively for six years, the band once again repeated its past by adding another first division trophy to the showcase. Under the new direction of Mr. Fred Baetge, band members accepted much half-time applause as they performed to the melodies of "Come Back To Me," "Carwash," and "Rocky." This talented group of musicians captured audiences, awards, hearts, and most of all respect. Money making projects and daily practice was hard work, but worth all the effort according to satisfied band members at the conclusion of a successful year.

# Key Club has busy year

Under the leadership of Mr. Thomas Levi, the Key Club took part in several civic activities during the year.

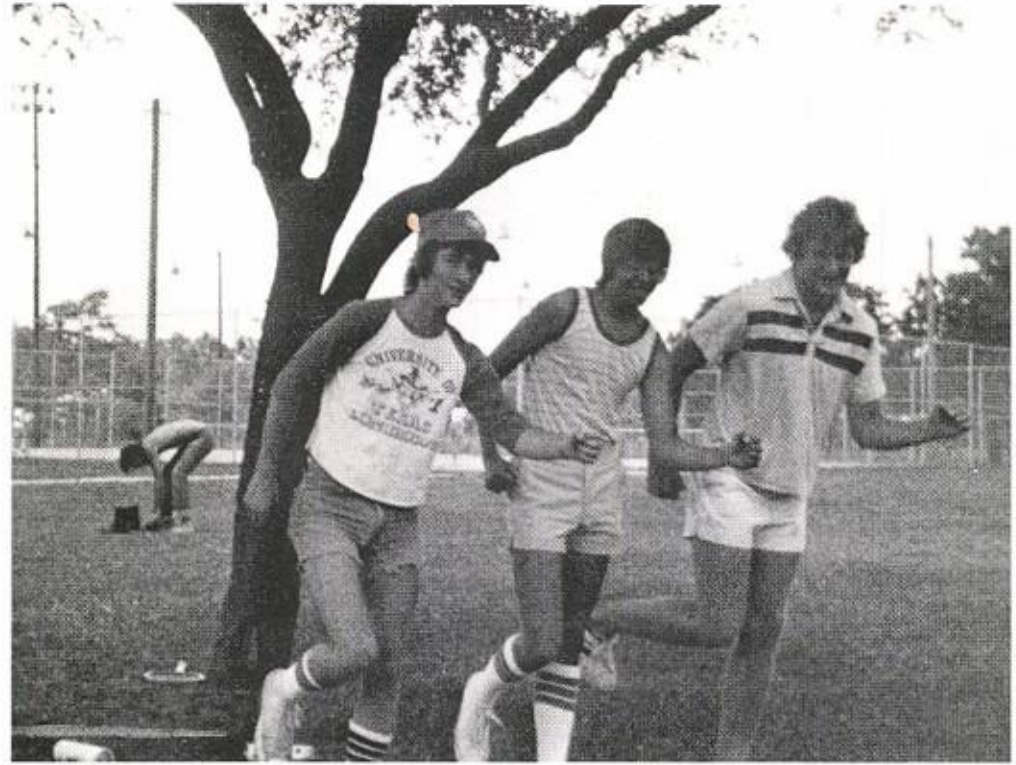

Members of the club built a float which they showed in the annual rodeo parade.

In October members took part in an area football tournament where they played against other Key Club members.

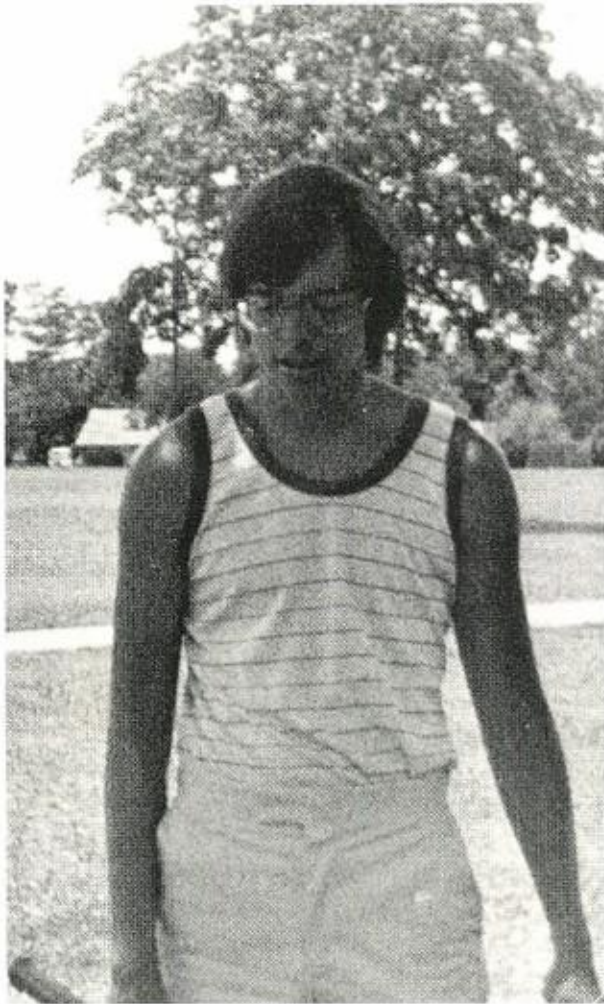

The Key Club meetings had several guest speakers. One speaker to the meetings was a Kiwanis member who came and showed underwater slides and talked about marine biology.

The club sold class t-shirts at the beginning of the year to the students at school.

In the spring, four members from the club, Rick Necessary, Mark Clark, Marvin Conrad, and Ellis Sink traveled to Dallas for the annual Key Club Convention where they attended seminars and officer meetings.

# History Club relives the past

Several meetings throughout the year helped the History Club plan out their activities for the year. Touring in Galveston and Houston proved to be interesting to many students. Miss Marlane Sgro served as History Club sponsor for the second year.

Among the highlights of the year was the Model United Nations program. PHS history club members portrayed the Israeli delegation. When a resolution was passed denying them a homeland, the delegation staged a walkout in protest.

# EAGLE ESCORT DAZZLES AUDIENCES

Excitement was added to the 1977-78 school year, as usual, by the Pasadena High School Eagle Escorts. The combined talents of the more than eighty girls, under the direction of Miss Linda Armstrong, added sparkle to everything from halftimes to pep rallies. December brought the Miss Drill Team Texas Pageant where the girls placed second in jazz, novelty, and prop categories. The military officers also received a third place trophy for their routine. This competition also brought the title of Miss Drill Team Texas back to P. H. S. for the second time in three years. Colonel Barbie Blair received this title for 1977, Major Linda Brogna was named as first runner-up.

# Homemakers Prepare for Future

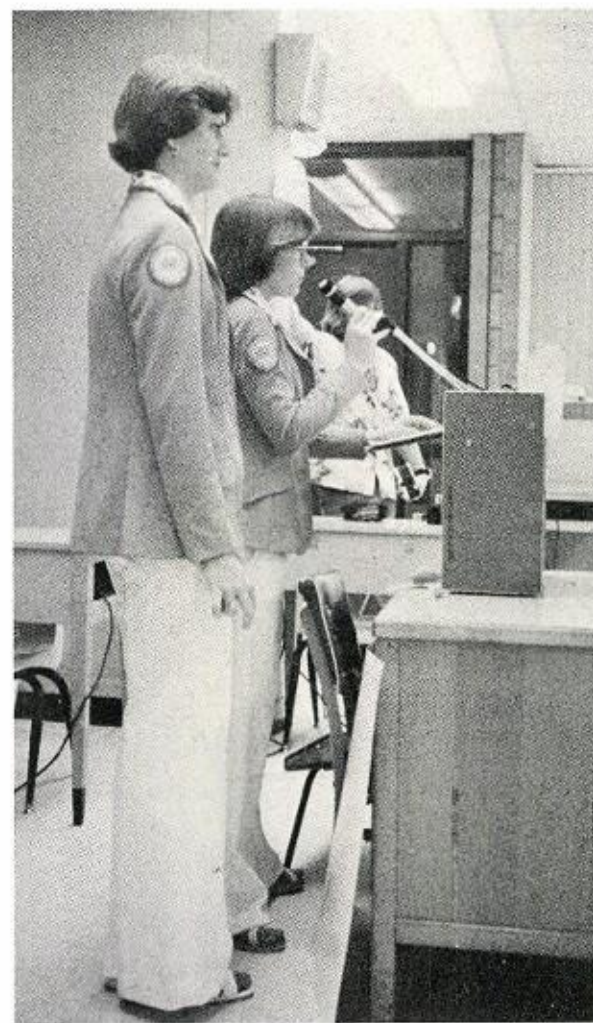

1

Members of the Future Homemakers of America never lacked spirit as they participated in various activities during the school year. The girls began their year with a community project with four other high schools at the Pasadena rodeo in September. The annual installation of officers was also held that month. A mini-workshop in October was conducted by F. H. A. first vice-president Stephanie Middleton. The giving spirit of Christmas was present when the girls visited the Faith Memorial Nursing Home and decorated doors for the old folks there. A pot luck supper at a February meeting was attended by both a guest speaker and parents. These activities combined with various others gave the Future Homemakers of America the experience needed for future home and family life.

# Thespians Get Their Act Together

The Thespian and Performing Arts Club had an active year. Beginning the year was the All-School play "Heaven Can Wait."

The Thespians did their first student directed dinner theatre play "The Eden Echo" in December. After the holidays the Thespians started work on the children's production "Winnie the Pooh."

For the U. I. L. contest, the Thespians performed the play "Of Winners, Losers, and Games."

One of the Thespians many activities included going to every new production at the Alley Theatre.

This year a Mime Troupe was organized which performed for various groups and for the dinner theatre.

# Mathematicians Enjoy Activities

The members of Mu Alpha Theta, numbering over eighty, spent an active 1977-78 school year. The year began with a picnic at Bay Area Park in September. Late October brought the annual initiation of new club members. A Christmas party in December gave members a chance to get together and celebrate the holiday season. The new year brought several tournaments. The PISD Math Tournament was held in February and the Lamar University Contest in March. The year was closed out by a banquet in April.

Members of the National Honor Society enjoyed an active filled 1977-78 school year. The initiation ceremony in October for new members began the club's activities. A poster party the same month provided decorations for the Dobie game. December was a fun giving time for members. Clothes for needy children were purchased by NHS and a Christmas party was enjoyed by all members. In January, the club attended a play at the Alley Theater. February brought the traditional carnation sale for Valentine's Day. Each trimester a membership drive gave juniors and seniors with required grade point averages a chance to join the club. The club's activities closed with a banquet and the distribution of the gold honor cards to be worn by senior members at the graduation ceremony.

5. After school, Bobby Matlock spent his working hours at a lumber store.

# Horticulture's Green Thumb

Horticulture students, under the leadership and direction of Mr. Jon Rascoe, engaged in a variety of school beautification projects during the school year. Among their achievements was the completion of the Bicentennial Star in the quadrangle. During the fall, PHS received, from the city of Pasadena, the Beautification Award, largely due to the efforts of these students. Other projects included the new sidewalk by the tennis courts, and numerous other landscaping jobs.

One of the more spirited clubs on campus is the Spanish Club. Having all kinds of get-togethers proved to be rewarding as far as friendship and just plain FUN, that seems to be their motto . . .

1. Senior Pam Chambers was chosen as sweetheart of the Spanish Club.
2. Spanish teacher Mr. Dial lectures to one of his classes.

# R. O. T. C. helps P. H. S.

The P. H. S. M. C. J. R. O. T. C. had a very active year. Under the leadership of Colonel Cleland E. Early, R. O. T. C. started off the year by providing a color guard for the football games.

In September, the R. O. T. C. corps marched in the Pasadena Rodeo Parade. R. O. T. C. did several school projects during the year. Along with presenting colors before school and at the football games, they painted numbers on the school parking lots, and also cleaned the football stadium after each game. In November, the annual Marine Corps Birthday Ball was held. The Birthday Ball celebrates the anniversary of the R. O. T. C.

For the first time at Pasadena High, a soccer team was organized. Members played against other R. O. T. C. soccer teams from other schools. A clinic was held in April where members of a Houston soccer team came out and taught students different techniques for playing soccer.

5. Leo Lazo practiced after school on the soccer team.

## R. O. T. C. visit Camp Pendleton

A select group of R. O. T. C. students from Pasadena High were allowed to travel to the Marine Corps Base at Camp Pendleton, California in April. They saw demonstrations on new types of combat aircraft and aircraft repair. Each student experienced a ride on a helicopter and then took a tour of the tower and hangar. After learning military skills, the R. O. T. C. students spent a day at Disneyland before flying home the following morning.

## Junior girls show interest

Girls Incorporated have shown their spreading spirit among the classes at the pep rallies. This organization is made up of junior girls who are willing to show and share their enthusiasm for the school. They are one of the most devoted and loyal groups on campus. Pep rallies, poster parties, and meetings drew many interested supporters.

1. A few members participate at a meeting.
2. Above and beyond control; Junior girls let their enthusiasm fly at all times.

# Girl's choir wins sweepstake

The A Capella choir, composed of seventy-two voices, participated in a number of events throughout the school year. The choir performed at one of the football games, and at various civic functions.

During the Christmas season, the Choraliers made up of thirty-two students from the A Capella choir, sang at a number of nursing homes and also at First Pasadena State Bank.

Thirteen students were selected from A Capella to participate in the All-Region Choir.

At the U. I. L. Concert and Sightreading contest, the A Capella choir received a superior award for its performance in concert. The Women's chorus received a Sweepstakes award for its performance in concert and sightreading.

At the U. I. L. Solo and Ensemble contest, twenty students received first division solo awards, and sixteen students received ensemble awards.

# Keywannettes Aid in Community Projects

The Keywannettes for 77-78 generously gave their time and effort in helping throughout the community. They helped tremendously in the nursing homes in the local area with plenty of entertainment. The club had a large enrolment this year. Students did not mind spending their time to help others. Other projects were helping needy families and decorating floats for the parades.

1. Julie Queke brandishes her legendary green paint brush.
2. Keywannettes sponsor was Mrs. Alice Burford.

# Thomas and Dobson bring out best in year

The Future Farmers of America came up with a plentiful supply of awards for 77-78. Prizes were won at the Houston Livestock Rodeo with specimens such as chickens, cows, and sheep. The Future Farmers of America is an organization which provides the students with the know-how of breeding and feeding the farm animals. FFA is a preparatory class which nothing but animal and farm techniques are taught.

1. Senior Jennifer Thomas won many places at the Houston Livestock Rodeo.
2. Junior Vonda Dobson reigns as FFA Sweetheart for 77-78.

# H. O. S. A. Remains Active

1

Health Occupation Students of America contributed much to the school and community during the year. They gave a Christmas party for the children at Hope Village and one of the H. O. S. A. students appeared in a Santa Claus costume. H. O. S. A. sponsored their annual blood drive where the students and faculty were asked to donate blood. They also held a blood pressure screening at the school.

H. O. S. A. students found time to party when they were not working. In the fall, they had a bowling party at an area bowling alley. The H. O. S. A. students held a Halloween party at one of the students house and then went to the House of Screams. At Christmas, the students exchanged gag gifts.

The H. O. S. A. classes had many guest speakers throughout the year, including members from the Pasadena Volunteer Fire Department who spoke on fire safety.

# NFL: Practice Makes Perfect

On any given day, if one happened to stroll through the cafeteria, it was not uncommon to see speech students pacing up and down outside the speech room, practicing for a tournament. During the year, the team entered many tournaments, garnering numerous awards for their efforts. From extemporaneous speaking and debate, to dramatic interpretation and duet acting, the squad demonstrated versatility and the determination to win. A high point of the year occurred when Mary Kay Sicola competed and qualified for state in extemporaneous speaking, an event in which few novices advance from local competition. Many students join the speech squad for fun, others because they want to make a career of speech, but as one put it, "I enjoy the closeness and the competition . . . I also like to win!"

## “Around teenagers, you never get mentally old . . .”

“I think students can both learn and enjoy at the same time,” says Pasadena High teacher Mrs. Alice Burford. Mrs. Burford, a 25-year teacher, began her teaching career as a substitute working at all school levels.

She found her “niche” at the high school level and remained there. Her first school was Edinburg High School in the Rio Grande Valley. There she taught speech, drama, and English for ten years. She acted as cheerleader sponsor at Edinburg also. She began her 13 years at Pasadena High in 1965 by teaching both speech and English. She dropped the speech class one year later because she “didn’t like the overtime.” At Pasadena, Mrs. Burford was also the successful director of the Senior Talent Show for seven years. The seniors of 1970 honored her with a plaque for what was to be her final production. Afterwards, she changed her mind and directed it two more years.

Mrs. Burford says that she is glad to be retiring this year. She plans to take courses in art, French, and needlepoint because she’ll now have all the free time she’s been wishing for.

Substitute teaching at Pasadena High is first on the list of Mrs. Burford’s plans after retirement however. “Being around teenagers you never get mentally old,” says Mrs. Burford.

Another retiree is biology teacher, Mrs. Blanche Brown. Mrs. Brown moved to Texas in 1949. Prior to that time, she majored in biology and English at Marietta College in Marietta, Ohio. "Marietta is one of the oldest and best private colleges in America," says Mrs. Brown. Upon graduation, she was employed by the General Motors Corp. during World War II in the personnel department. In 1945, she began teaching in New Matamoras, Ohio. There she was the school newspaper sponsor and taught "a little of everything."

Mrs. Brown came to Pasadena High in 1955 to teach biology. She was the senior class sponsor in 1973 and the adviser from 1974-1978.

Mrs. Brown is looking forward to retirement. She and her husband plan to live on a farm they own in Ohio. An extensive tour of Europe is also in their plans. "Hopefully, we'll get to visit Africa also," states Mrs. Brown.

Still loyal Texans, the Browns will spend their winters in Texas and be "the biggest Texas brags in Ohio."

# "I enjoy young people and teaching"

Mr. Jake Hinrichsen, geology, physics and photography teacher, received the Teacher of the Year Award. This award is presented annually by the Administrators' Cooperative Team of the Pasadena Educators' Association in recognition of exceptional teaching and service.

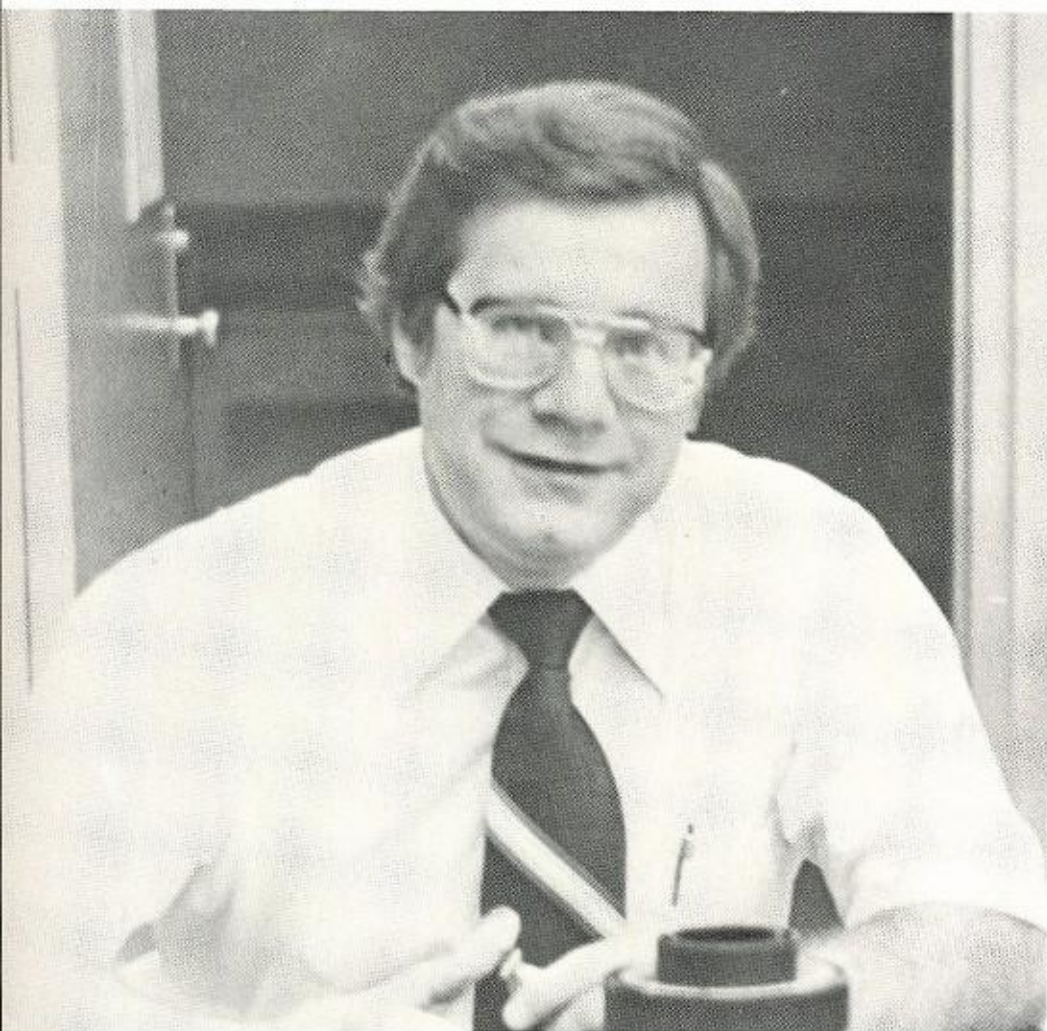

Mr. Hinrichsen received a Bachelor of Science degree in Geology at Southern Methodist University. He minored in physics and mathematics at S. M. U. He also attended University of Houston, University of Texas, and Trinity University.

Mr. Hinrichsen has taught a total of eleven years, ten of which have been at P. H. S. He enjoys being involved in extracurricular activities outside the school. He took pictures at the drama productions, was sound producer for the Sr. Talent Show, and put together the Senior Day slide show. He enjoys teaching different subjects because it exposes him to different types of students.

"I enjoy talking about and showing the beautiful and logical system of nature to students. It's a joy to teach people the way a scientist sees the world and its elements. I

try to create an atmosphere where the student will see me as an individual and at the same time I try to see the student as an individual."

"I enjoy young people and enjoy teaching."

# Mueller heads drivers education

Sophomores felt new independence after acquiring a license to drive. Education in the classroom and behind the wheel developed an awareness of the need for safety and defensive driving skills. Simulators added excitement to drivers education classes. They provided realistic situations which enabled students to make their own driving decisions. Mr. James Mueller helped the sophomores to understand the importance of safety awareness on the road.

Sports

**DAY** September 12, 1977

Tonight, our first district football game against the Deer Park deer. What a game! We couldn't quite pull it off, and the score ended 9-7. We sure gave 'em a run for their money, though! Our boys aren't discouraged--just anxious for next Friday's game against La Porte. It will be a challenge, but the Eagles can do it!

**DAY** September 25, 1977

Our Homecoming game against Houston Lamar was fantastic! It was victory for the Eagles, Kiffy was crowned queen, and everyone looked great in long dresses, suits, corsages and boutonnieres! After the game, PHS students descended upon Houston's best restaurants for a post-victory meal... We ate at Vargo's - yummy!

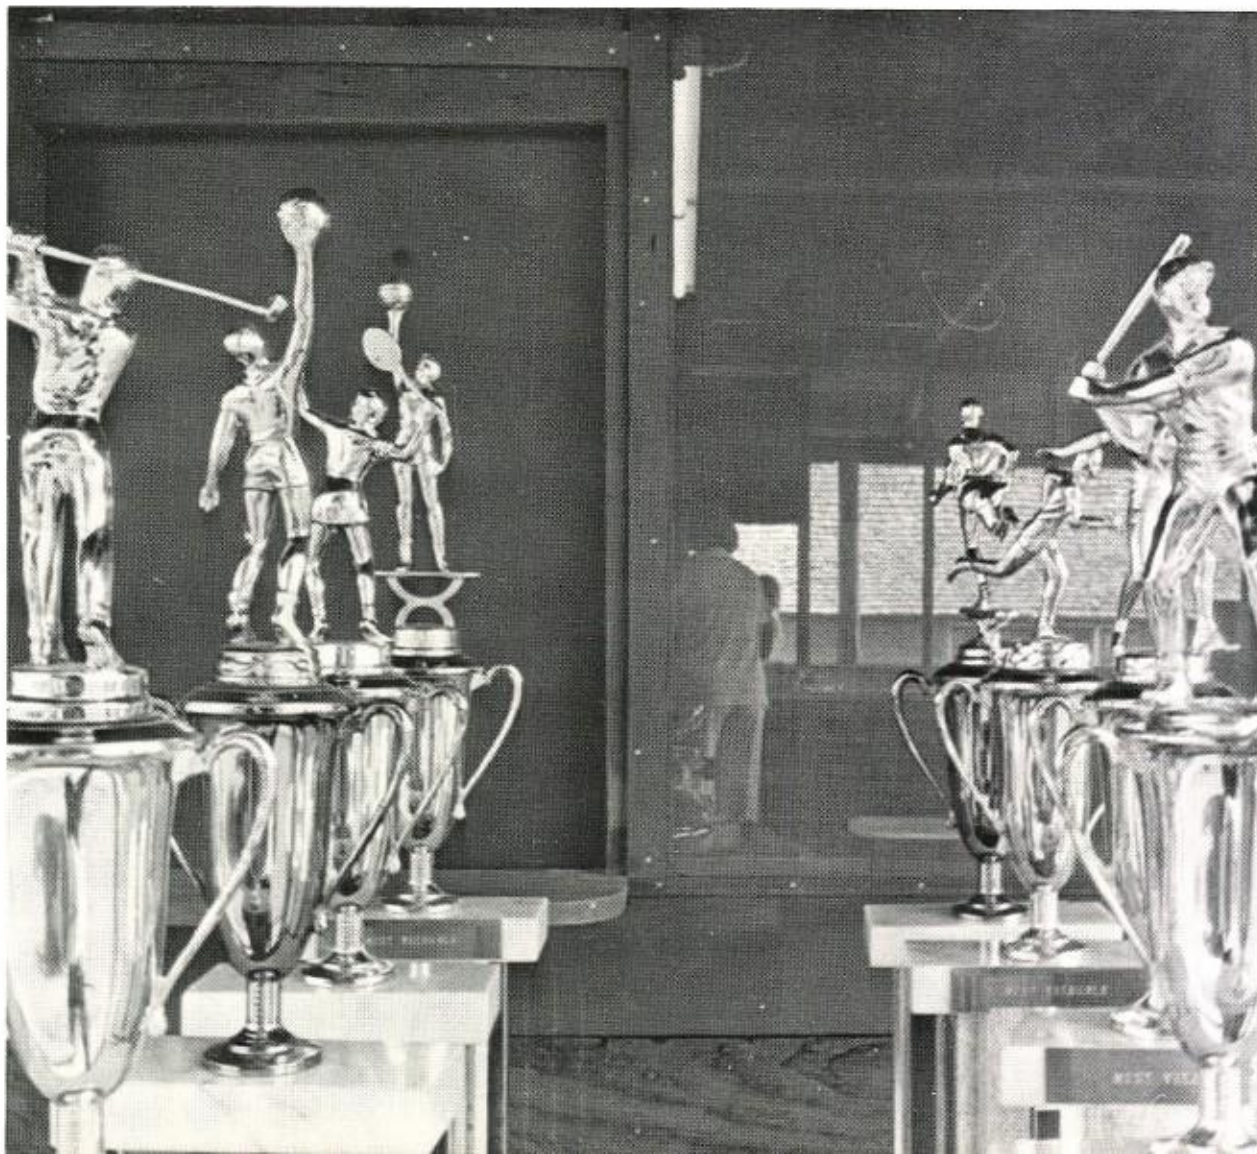

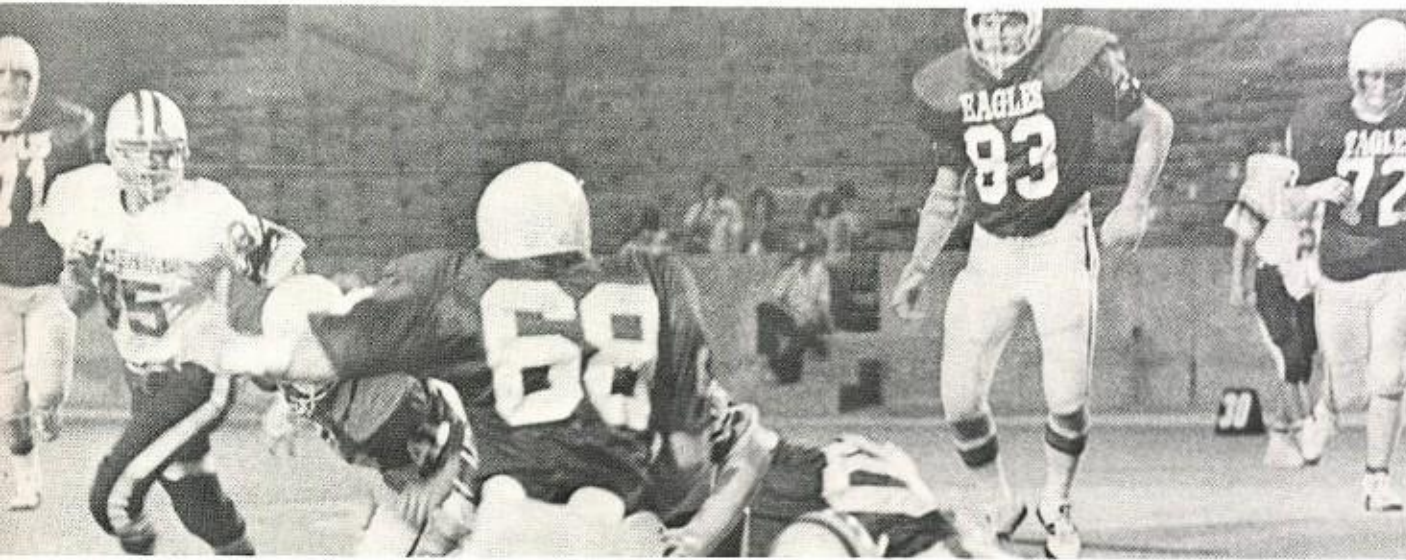

**DAY** November 15, 1977

We beat Rayburn! For a PHS Eagle, that's as important as winning district. Though the season's not yet over, it will be hard to match the excitement we all felt as the game ended 9-7 Pasadena!

**DAY** January 15, 1978

Spring sports will soon be upon us... basketball is already in full swing, and soon we'll be supporting baseball, tennis, swimming, volleyball... when! Looks like a busy season ahead! Rumor has it that we can expect great things from our swim team, especially! Maybe they'll splash their way all the way to state this year!

# Eagles open with upset over Galena Park

Pasadena turned the tables against Galena Park to open the 1977 football season with a 27-12 victory. Sophomore Anthony Milam highlighted the season opener by penetrating the Yellowjacket defense for three touchdowns. He picked up 103 yards as senior Charles Childers rushed for 95 yards. The Eagle defense displayed a great deal of talent restricting Galena Park to only 12 points.

# Eagles bow to Bears

The Pre-district games continued as the Eagles fell victim to the element of luck . . . Mike Luck that is, a sophomore tailback who rushed for 245 yards and three touchdowns. The Bears pulled ahead early on a 76-yard run by Luck but were only leading by one point after Anthony Milam scored on a one-yard drive. Luck scored once more before the half ended sending Spring Branch into the dressing room leading by seven. Pasadena tried once more to pull ahead but were only cut down as the Bears put 14 more points on the board to win 27-12. Jim Gumm was the leading carrier with 82 yards.

## Pre-district ends with Homecoming victory

A powerhouse offense and a very stubborn defense carried the mighty Eagles past the Lamar Redskins on a colorful homecoming night. Tailback Jim Gumm carried for 134 yards on 21 carries throughout the first three quarters of play. Lester Holloway, Anthony Milam, and Andy Pittman also combined with Gumm to have 321 yards total offense. Quarterbacks Paul Hart and Dirk Ingram also threw for 97 yards. The Eagle defensive unit held Lamar to only 59 yards rushing while the Redskin receivers slipped through for 120 yards passing.

2. Jim Gumm searches for precious yardage in the Spring Branch game.
3. Lester Holloway rolls around left end on a reverse play.

# Eagles open district with loss

The Eagles and the Deer Park Deer football game has always been a hard fought game. This was to be no exception. On one of the Eagles four fumbles, the Deer drove down the field to score. At half-time the score was 6-0.

During third period, the Deer scored on another Eagle fumble. Their field goal made it 9-0, but the Eagles began making their comeback attempt. The Eagles drove 53 yards in five plays. Jim Gumm went over from the two. Clayton Sharver kicked the extra point, which made it 9-7.

Then the Eagles drove again. With time running out the Eagles tried a field goal from the ten, but a high snap fizzled that hope, and the Deer ran out the clock and won 9-7.

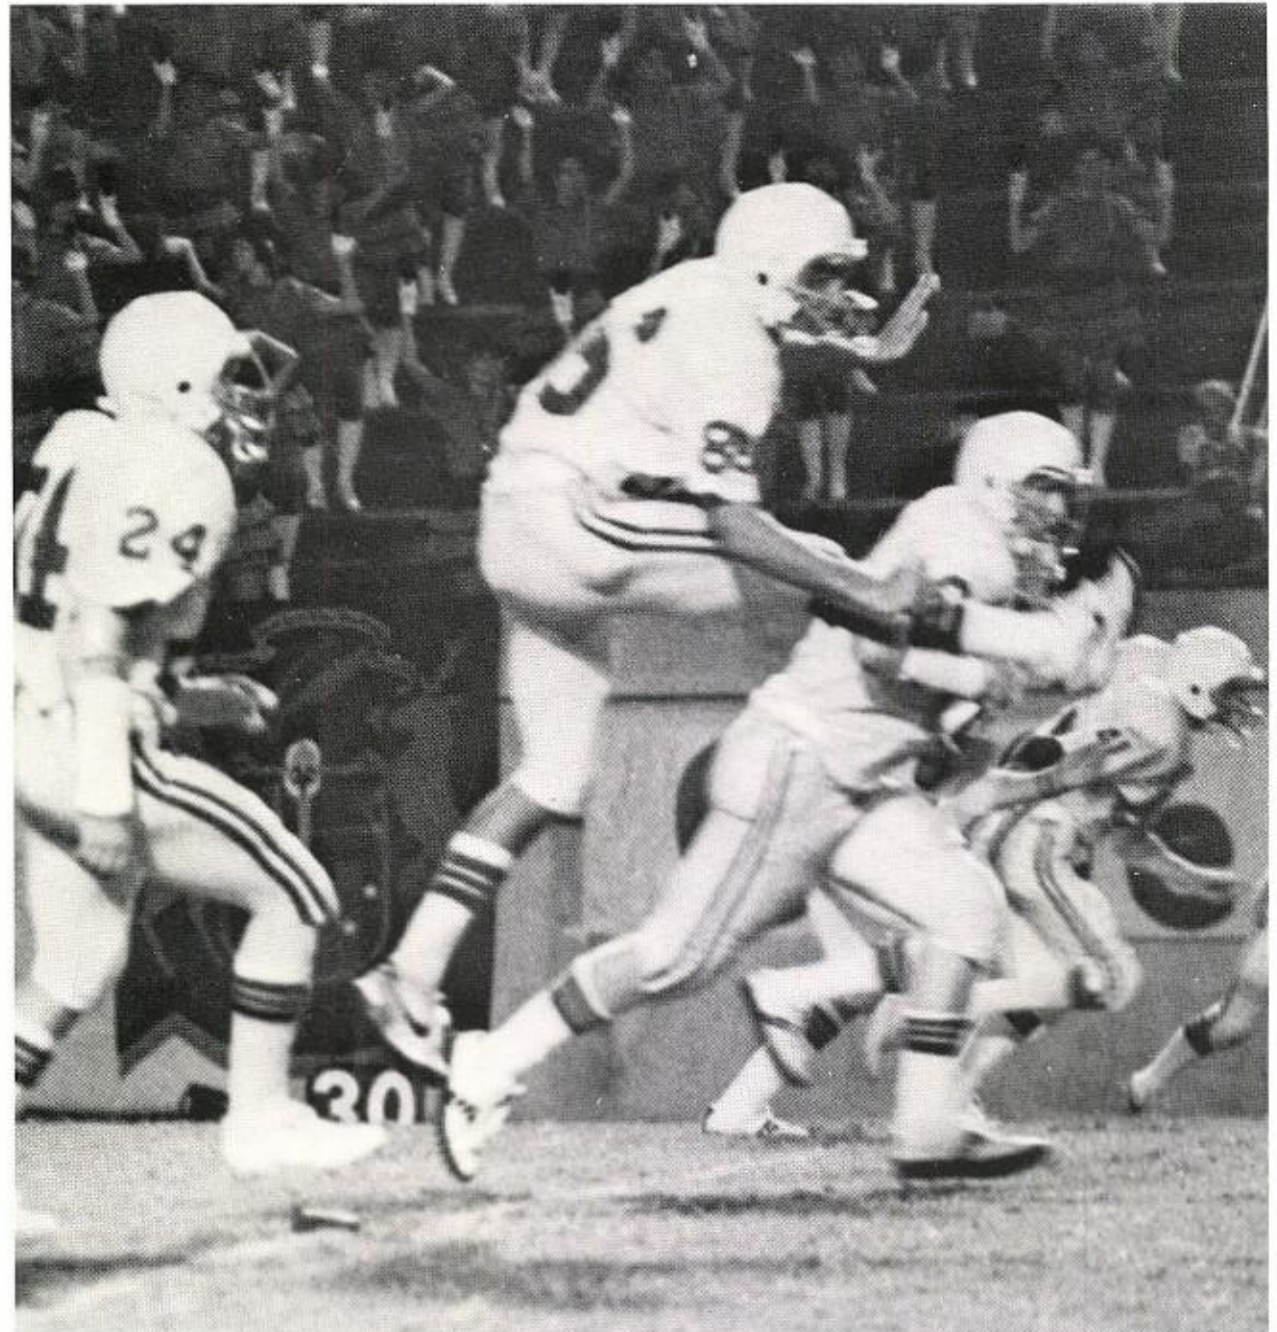

Dirk Ingram, one of Pasadena's quarterbacks, threw 9 completions in 16 attempts for 125 yards.

6

The Eagles tried their hardest to upset the Bulldogs. On their first two possessions the Eagles scored two touchdowns, but LaPorte scored a touchdown on their first possession. At the end of the first quarter, the Eagles had a 14-7 lead.

The defensive squads for both teams were overpowered by the offensive teams. The two offenses combined for a total of 867 yards. The Eagles 424 yards came with 182 yards on the ground and 242 yards in the air. On the Eagles first scoring drive, it took 12 plays, on all of which, Jim Gumm carried the ball. They went 67 yards. When they got the ball, the Bulldogs scored on a 67 yard drive.

On their next try, Dirk Ingram threw a 63 yard pass to Ellis Sink, but at half-time the score was 27-14, LaPorte.

In the second half, LaPorte got 22 more points, to Pasadena's 14. Jim Gumm gained 134 yards on 19 carries.

1. TOUCHDOWN!!! 2. Paul Hart (10) throws for completion. 3. John Dorman (62) blocks for screen pass. 4. Howard "Devo" Devoglaer attempts punt return. 5. Clayton Sharver (86) shows follow through on kick-off. 6. Jim Gumm dives for first down.

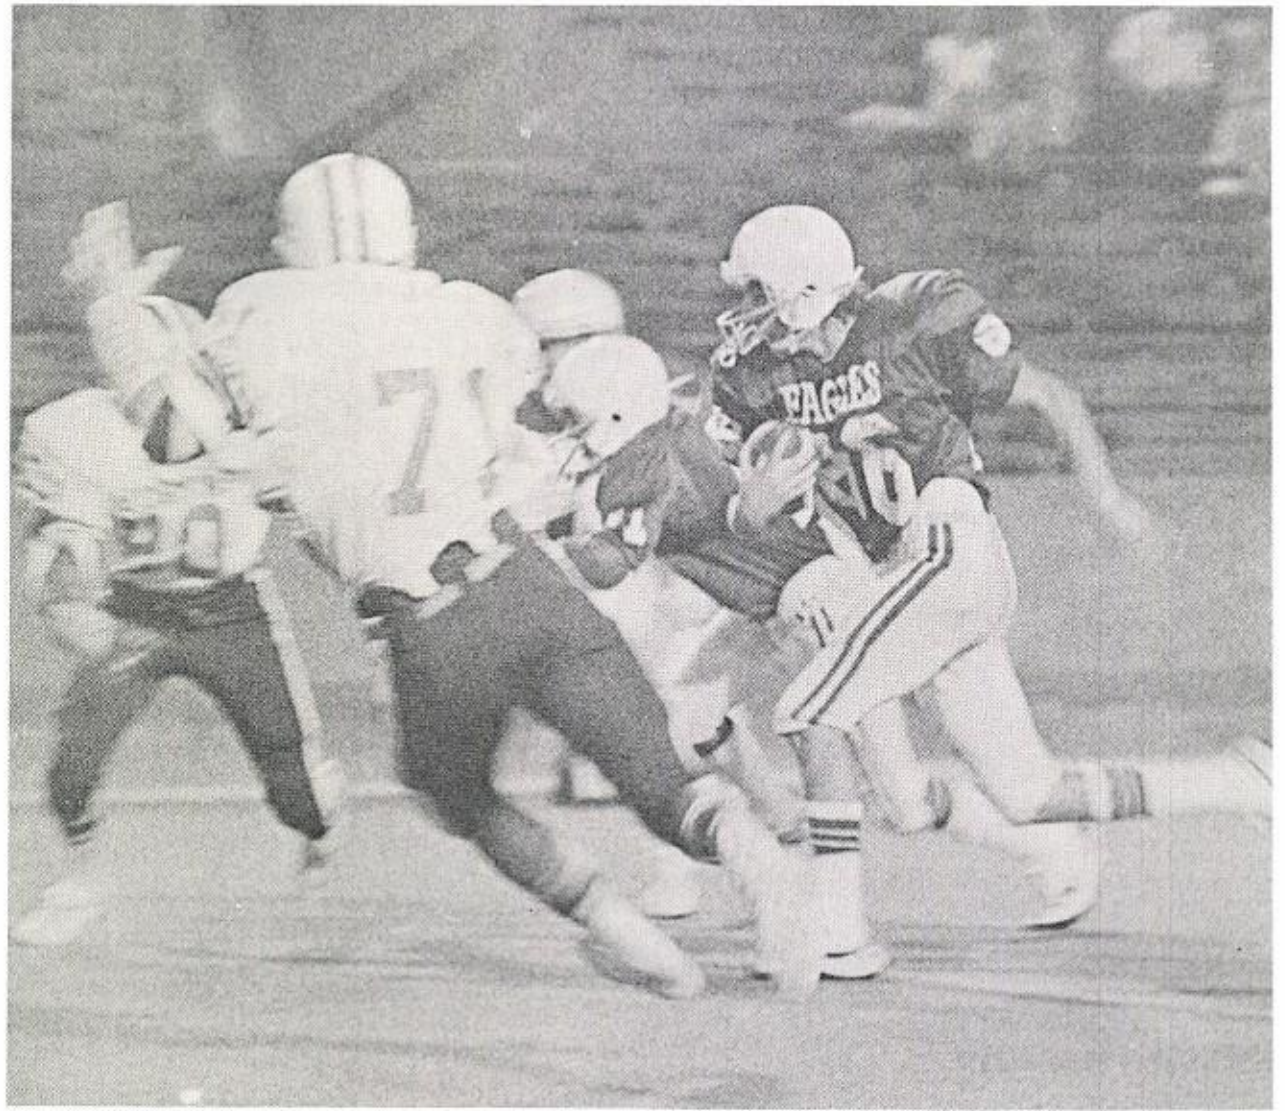

# Eagles drop Creek in final minutes

Pasadena used the strong running of tailback Jim Gumm to put together a last minute scoring drive to soar past the Clear Creek Wildcats by a score of 21-20.

The Eagles went into the dressing room at half-time down by seven after scoring on their first possession, and then on a pass interception by Howard Devogaler in the second quarter. The final minutes of the game reaped victory for Pasadena as Gumm rushed for 88 yards in 13 plays to score the go-ahead touchdown.

The Eagle defense, led by Devogaler, Les Rushing, and Don Key then took over to repel a final Wildcat threat. Anthony Milam assisted the cause with 79 yards rushing.

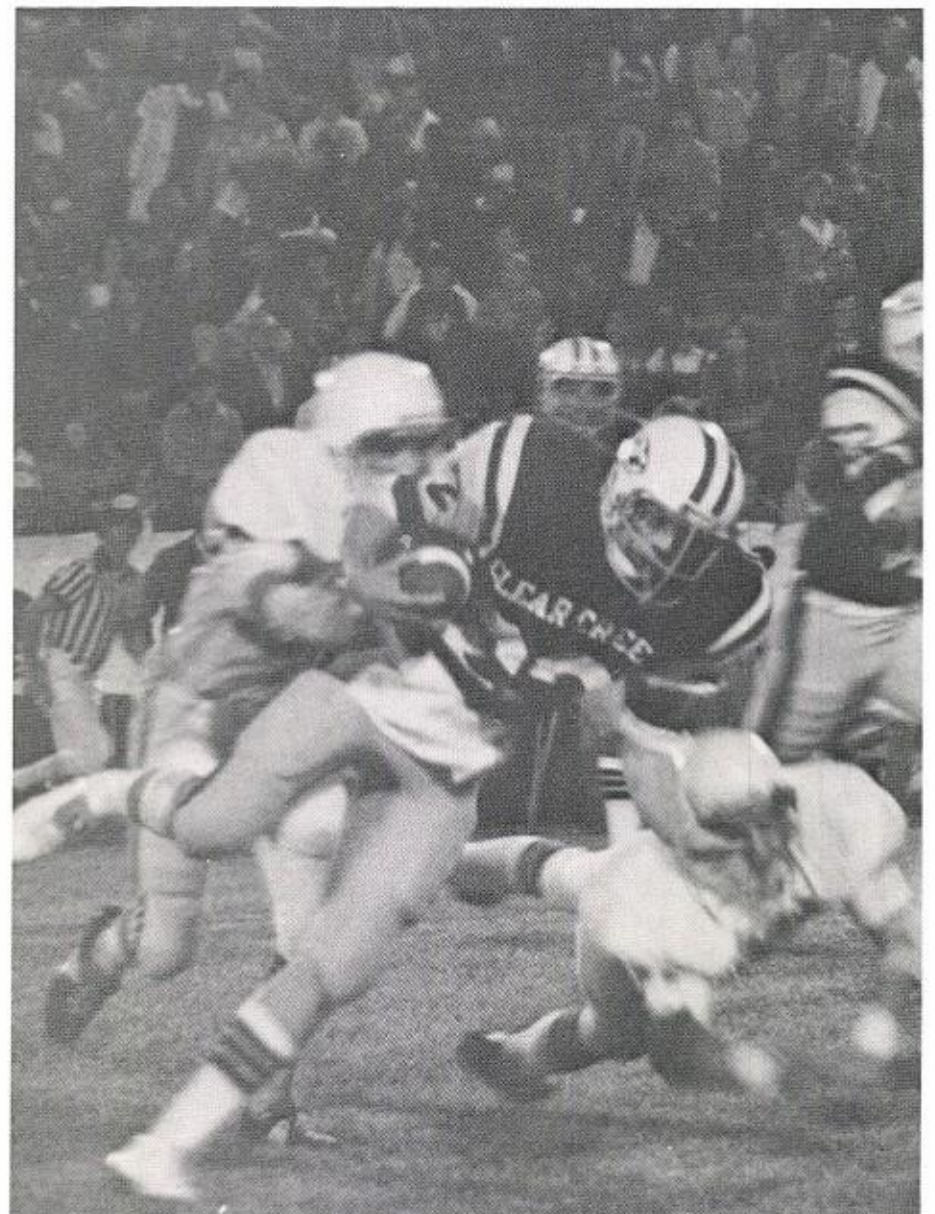

1. Clayton Sharver follows Leonard Chapa's block looking for extra yardage.
2. Joe Marshburn holds as Howard Devogaler kicks the tie-breaking extra point against Creek.
3. The Eagle defense teams up to stop a driving back before Clear Creek's homecoming crowd.

# Pasadena accepts final defeat

1

The Eagles' last hopes for a district title diminished as they were caught on the receiving end of a 25-0 upset delivered by the Trojans of South Houston. The second half once again proved the victor in the game as South Houston scored 19 points to increase their 6-0 halftime lead to 25. Penalties, along with the South Houston defense, stopped Pasadena on every advance to the Trojan goal line as the opponents offense drove for three touchdowns.

1. Tailback Jim Gumm stif-arms a wildcat defender on his way to a long gain.
2. The Pasadena specialty team sets up a wall on a kick-off return.

2

# Feathers fly in 6-6 tie

The defense was the main key in the game between the Clear Lake Falcons and the Pasadena Eagles. After the first drive for each team, the defenses took over. The Eagles took the opening kick off at their 32 yard line. From there, they drove the remaining 68 yards in eight plays. Jim Gumm scored from the one.

The Falcons came back in 15 plays and scored on a 79 yard drive. Their score also came from the one.

The Eagles came back three more times, but a pass interception, a fumble, and Clear Lake's defense stopped them.

John Grissom, Bill Purvis, and Howard DeVoglaer were outstanding on defense.

Jim Gumm gained 124 yards on 28 carries.

The Eagles' passing statistics were one completion in 14 attempts for 22 yards. The Falcons were four of 21 for 58 yards.

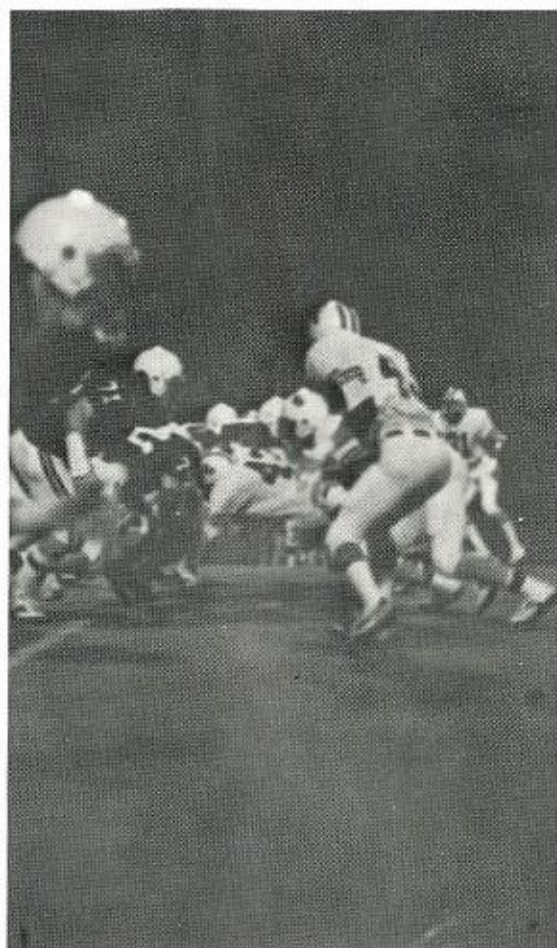

Lester Holloway caught the lone Eagle pass.

This made the Eagles 1-3-1 in district, and 3-4-1 for the season.

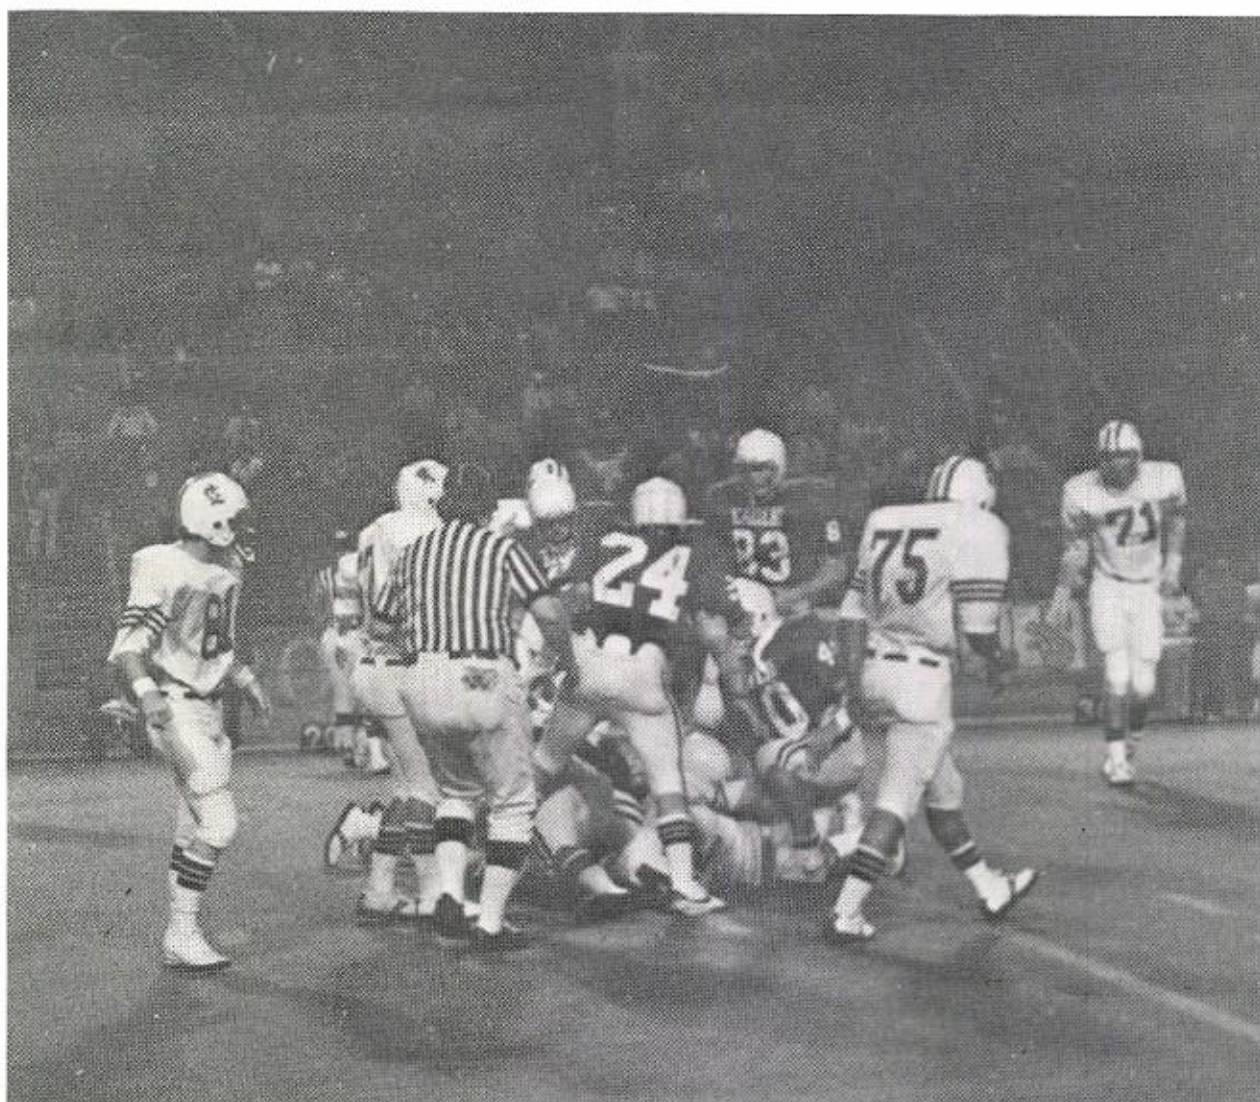

1. Eagles hold for short gain. 2. Mark Mares (61) puts the pressure on Dobie's quarterback. 3. Jim Gumm (34) cuts back to evade tackler. 4. Eagles fire off the line. 5. Defense was the main key. 6. Paul Hart (10) fades back to pass.

The Eagles and the Dobie Longhorns football game was predicted a run away. It was, but in the wrong direction.

In the first quarter, neither team could get anything started, but as time progressed, so did the Eagles. In the second quarter, the Eagles got three quick touchdowns; one on a 43 yard run by Lester Holloway, and a pair of one yard dives by Charles Childers. After the first of Childers' touchdowns, Joe Marshburn could not find the handle on the high snap for the PAT.

On their next try, the Eagles went 73 yards in eight plays, with Lester Holloway scoring the final. With a completed pass from Paul Hart to Howard DeVoglaer for two points, the score was 14-0.

Then, on their next offensive play, Paul Hart threw a 39 yard pass to Ellis Sink. Childers got the call again, and this drive was started with a fumble recovery by Brian McIlveen. Again they went for two. This time Hart threw to Holloway.

Dobie threatened late in the half, but a tough Eagle defense, led by Howard DeVoglaer, Don Key, Mark Mares and Les Rushing, tightened.

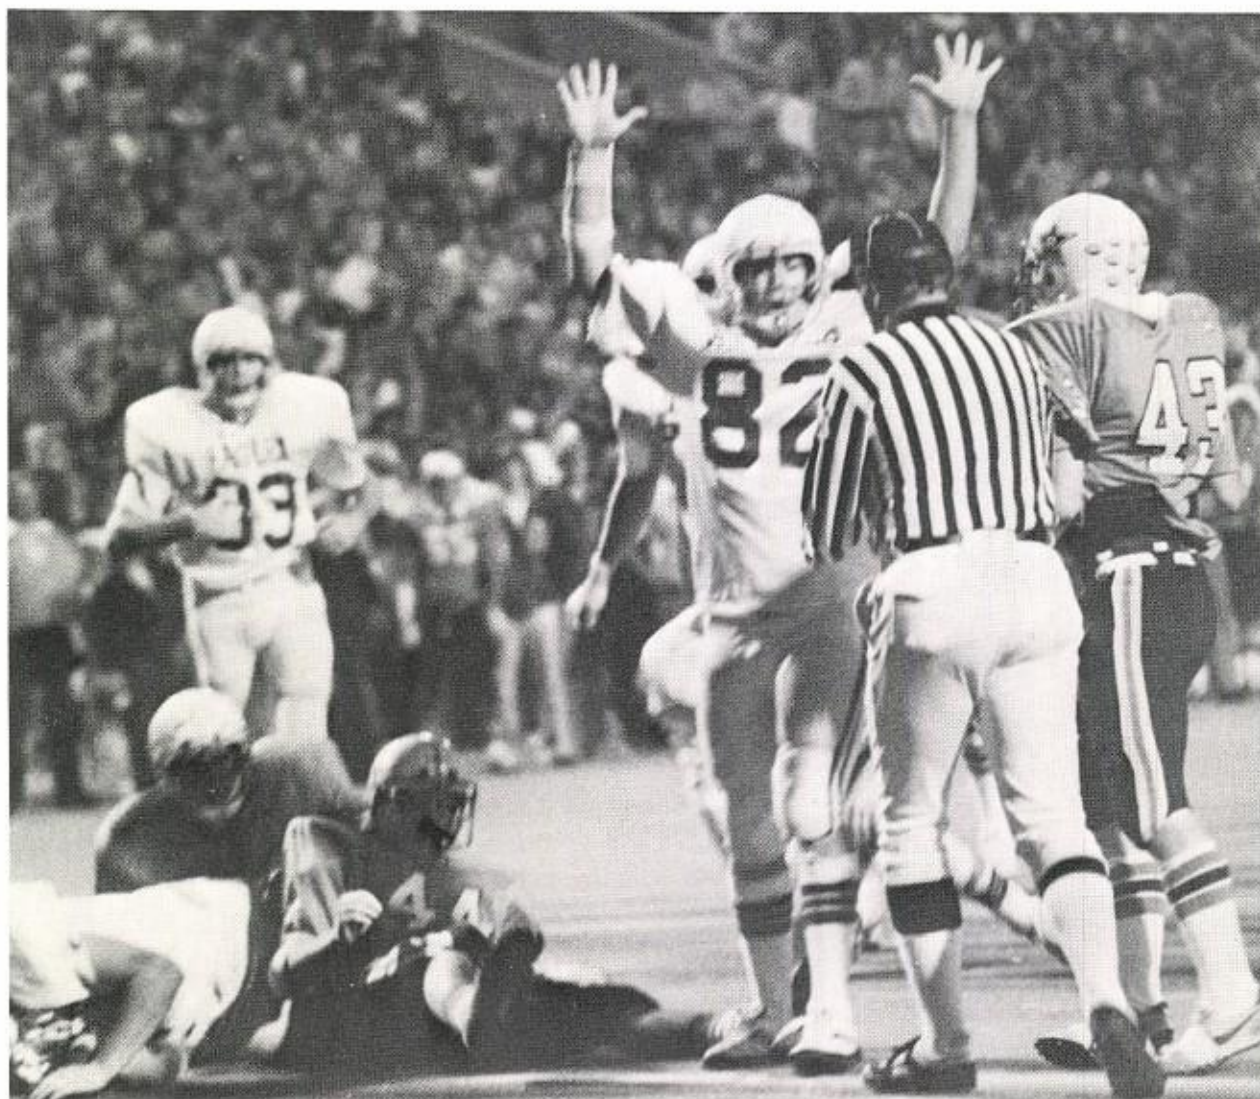

Late in the third period, Dobie made a touchdown. That ended the scoring at 22-6.

## Eagles close season on winning note

Charles Childers played a major role in the final matchup of the season as he booted the ball through the uprights for three points conquering Sam Rayburn's one point advantage. Defenses were fired up for both teams as the first quarter ended scoreless. However, a Pasadena interception by Leonard Chapa set up the first score by Childers before going into the dressing room at halftime. But Rayburn was not to quit as they came back in the fourth quarter pulling ahead 7-6 with eight minutes remaining. Pasadena then counteracted with passes from Paul Hart to Clayton Sharver and Jerry Sharp giving Childers range for his 20 yard game-winning field goal. Childers, also outstanding in the rushing statistics, ran for 110 yards on 17 carries.

1. Ellis Sink instructs the referee on the rules of the game.
2. Jim Gumm hits the turf after a strong run against the Sam Rayburn Texans.

# J. V.'s take second in district

The Eagle Junior Varsity displayed much talent as they fought their way through district competition to capture second place only behind the Texans of Sam Rayburn. Juniors Robert Corder, and sophomores Boyd Barnhart and Vernon Bowers combined in the quarterbacking jobs, leading the J. V.'s to their hard-earned victories. Also assisting the cause for the Eagle backs were Tracy Reed, Charlie Dunn, Yung Wallace, Paul James, and Cliff Parker. The J. V. had a variety of ends to choose from, the list consisting of Rusty Grubbs, Alan Hyman, Leroy Juel, Bobby Mitchell, Mitch Evans, and Charles Keith.

1. Vernon Bowers releases a pass in the game against LaPorte.
2. Tracy Reed attempts a punt against a strong rush of the Bulldog defense.

Football is not complete without linemen and when a tough lineman was needed on the J. V. one needn't look far. Dudley Duke and Robby Hill played major parts in making the holes open up for the backs. Linemen Donny Anderson, Marvin Conrad, Jay Farrell, Robert Harrison, Cary Johnston, and Javar Melendez helped out in the victories throughout the season. Ronny Shuman, Timmy Thomas, Don Whitlow, Buddy Brzoski, and Cliff Parker played the line along with Scott Stonecipher and Paul Olive.

1. The Eagle offense, led by Robert Corder, trots off of the field after a tough set of downs.
2. Robert Ledbetter sprints around right end racing for the goal line.

## Girls basketball wins city championship.

The varsity girl's basketball team fought their way through the 77-78 season to achieve a first-in-city record. The team, consisting of mostly underclassmen, displayed much talent in building an overall record of 12 wins and 16 losses. Seniors Deb Fiori and Julie Quebe played a major part in the season, Julie playing guard with Deb at forward who was good for free throws a remarkable 85% of the time. Leading in rebounds was junior Robyn Hall who had a record of 17 in one game. Other juniors were Vonda Dobson, Cathy McBee, and Delores Larned who all played guard. The high scorer of the team was sophomore Kari Teague averaging 14 points a game with a high of 34 points in a single game. Kelli Brown, Debbie Farris, and Doris Jones were all sophomores who took the positions of forward, guard and forward, respectively. As a team, the girl's averaged 43 points a game.

Varsity baseball followed suit with the majority of the other sports as it was composed primarily of juniors, with the exception of four seniors. Coaches Herman Shelby and Gillette Doolan readjusted their strategy after the downfall of the '77 season following a perfect pre-district record. The practice schedule and games were arranged to where the team would hit the top when district rolled around, which is exactly what happened. Early in the season, the Eagles competed in the Pasadena tournament, making it to the semi-finals, where they were defeated when Rayburn came from behind to win. Pasadena then fell to South Houston to take fourth out of 16 teams in the tournament. The team was beginning to come around by beating Alvin and Milby, but losing a close one to defending state champions Sharpstown. The Eagles were then scheduled to travel to Beaumont to compete in the annual Beaumont Coaches Tournament.

1. Junior Doug Mitchell strives for a perfect pitch.
2. Catcher Paul Hart's quick reflexes enable him to field a popped-up bunt.
3. Eagle varsity rejoices after another big VICTORY!!!

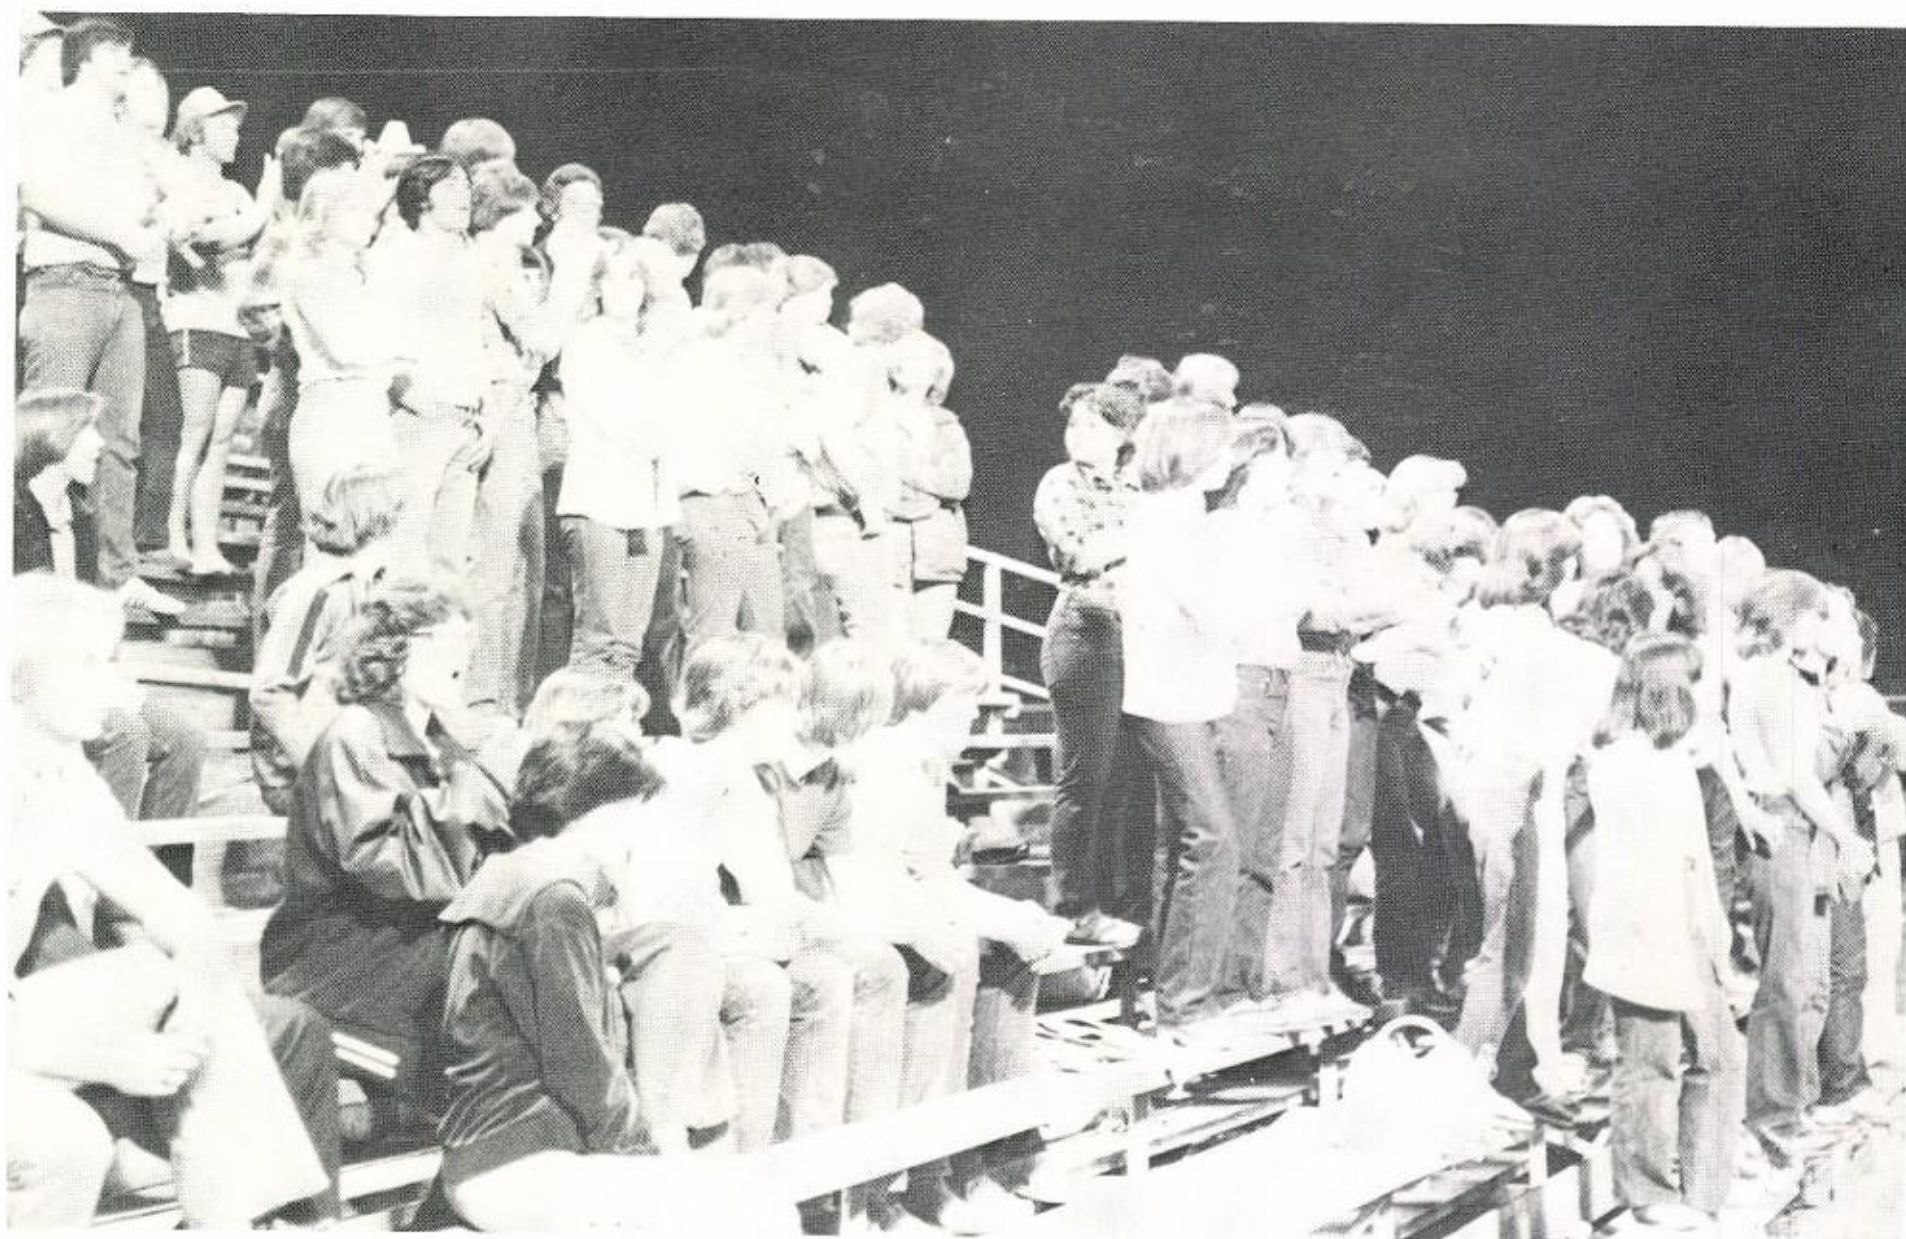

Pasadena won the first game of the Beaumont tournament facing Barb, a team from Louisiana, by a score of 3-1. They were then to meet Forest Park for a bid to the semi-finals. The game remained scoreless until the bottom of the seventh inning when a controversial call (for interfering with catcher Paul Hart) was ruled in Forest Park's favor after the umpires debated the call for approximately 10 minutes. Forest Park then went on to easily win the tournament which P. H. S. had won two years consecutively. The team went back to Port Arthur the following week to split a double header with the Jefferson Yellow Jackets by a score of 5-1 and 0-9.

1. Clayton Sharver slides in home to score the winning run in the Sam Rayburn game.
2. Loyal fans arise to support the team during an exciting moment.

As district baseball began, the Eagles jumped to an early lead by beating Deer Park in the opener, 5-2. However, two consecutive losses to LaPorte and Clear Creek dropped the team's spirit. This slowdown in momentum was only temporary though as the Eagles bounced back to beat South Houston in the 11th inning 5-4. They then perfected the rest of the 1st round games to finish up for a second place finish for the first half behind Dobie. The Eagles were still going strong in the second half losing only to Clear Lake by a score of 9-0 and clinching first place for the second half. This sent both the first half winner Dobie and the second half winners Pasadena to the playoffs. The team fought hard in the playoffs but could not quite get it together as Dobie went on to win the district championship.

1. Junior Doug Mitchell displayed talent throughout the year not only as a pitcher but also a hitter.
2. Mike Bonner prepares to attempt a sacrifice bunt.

## JV struggle thru season

The Junior Varsity Baseball team of the 77-78 season had a record of 3-14 in district. They were led through the season by the pitching of Robert Crumpler and Vernon Bowers. Others, playing as sophomores, were Billy Baugus, Charles Bryant, Mitchell Evans, Shannon Gumm, Glenn Kocurek, Paul Olive, Steve Richardson, Craig Sharver and Paul Tadlock. The Freshman players were Charlie Bowers, Mitchell Garcia, Dean McPike, William Portwood, Bradley Rea, and Scott Whittington. The teams' coach and devoted leader was Coach Boudra.

At the end of district play they were in sixth place. Even though their record doesn't show it, there was a lot of talent on this team. Many of these players will be contenders for starting positions next year on the Varsity squad.

1. Vernon Bowers shows his follow through in a game against Clear Lake. 2. Mitchell Evans swings and misses. 3. Dean McPike holds the Falcon runner on second. 4. Catcher Brad Rea throws it back to the mound. 5. Pitcher, Vernon Bowers, displays his wind-up.

## Advances to regionals

# Dunn contributes to tracksters.

Pasadena's track got under way in '78 as Junior Charlie Dunn galloped his way into the regional meet, by placing second in the district meet. Senior Milers Brandy Collins and Ricky Elliot spent many hours preparing for the district meet, taking fourth and seventh places.

Pasadena is looking forward to the track season of '79 in which they will have many potential athletes returning. However, losses of such seniors as Mike Boone, Ricky Machcek, and Ken Mathis will surely hurt the upcoming track team.

On the girl's scene, sophomore Cathy McBee astounded almost everyone as she placed in almost every meet. However, midway through the season she suffered a fall on the track from which she suffered a concussion, which eliminated her from the district track meet.

Nevertheless, this did not stop her completely as she still went on to receive M. V. P.

1. Senior Mike Boone massages teammate Ricky Macacek's leg before the competition starts.
2. Members of the Pasadena relay team make a handoff on the way to a fourth place district finish.

The Pasadena Eagle Varsity Volleyball Team had a somewhat exciting and frustrating season. The team played some very exciting and hard fought matches to end the season with an overall 15-13 record and 6-8 district finish, including a season ending triumph over second round leader, Sam Rayburn. The team won Consolation at the C. E. King tournament and placed third at the P. I. S. D. tournament.

Varsity team members were Tina Bezdek, Jackie Buchanan, Terri Cloak, Deb Fiori, Robyn Hall, Grace Holub, Donna Jackson, Becky Preston and Sue Speights. Managers were Amber Calvert, and Lissa Williams. Selected to All-tournament teams were Tina Bezdek (Klein), Robyn Hall (P. I. S. D.), and Sue Speights (P. I. S. D.). Robyn Hall was chosen for the All District Second team.

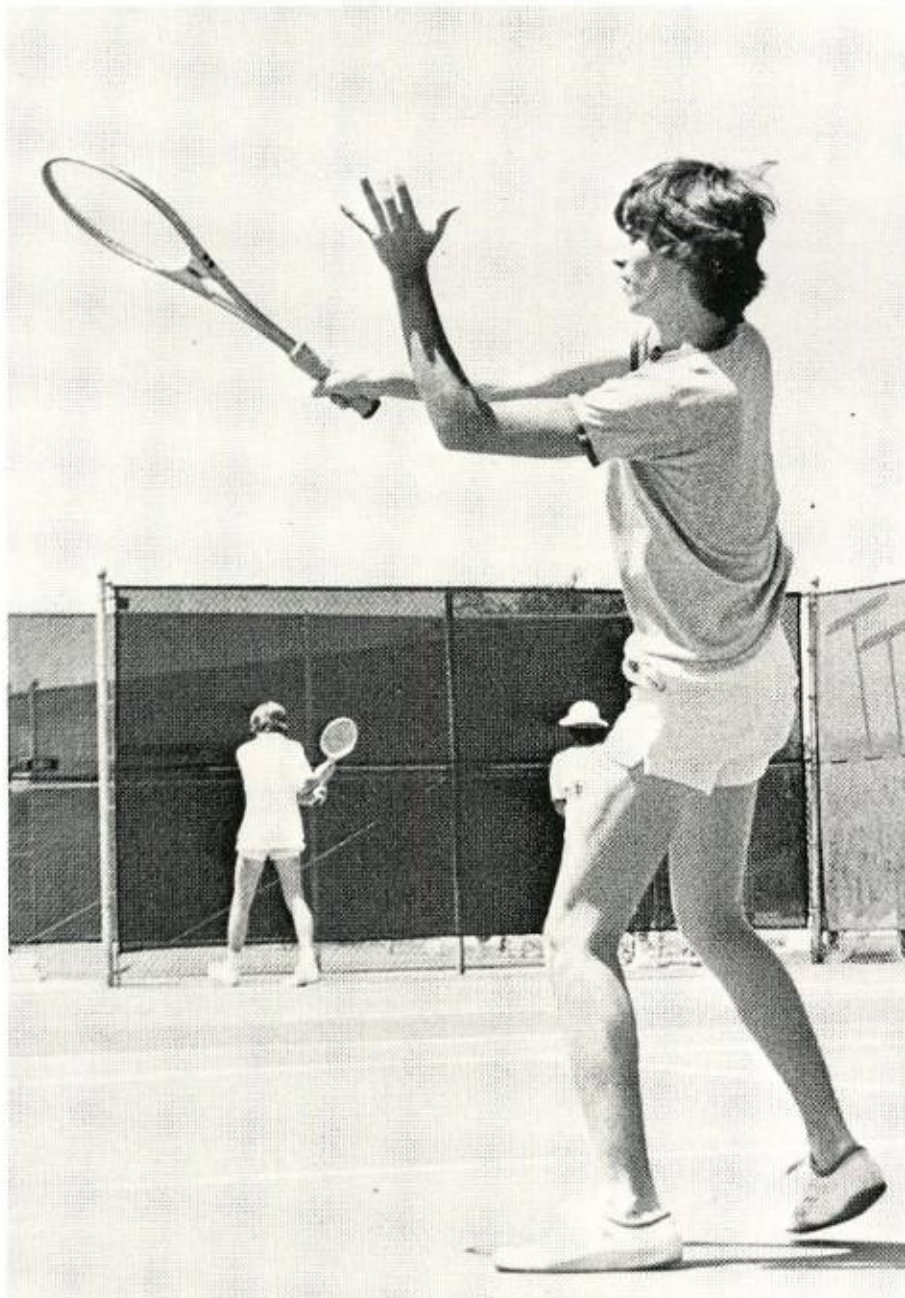

1. Grace Holub receives the serve and passes to setter Sue Speights.
2. Robyn Hall leads the Eagle attack against Dobie with a hard spike.
3. Tina Bezdek spikes Becky Preston's set into Dobie's court for another point.

The boys Varsity Tennis Team had a hard fought season. Their team consisted of five juniors, Dana Croft, Kelly Dixon, Quang Hoang, Marc Tarkington and Jimmy Zapalac, and one sophomore, Kenneth Alger.

The girls team consisted of senior Rhonda Richards, and Juniors Jean Baur, Patty Libby, Veronica Barber and Ann Knight. The only Sophomore was Rhonda Prichard.

They played in matches at Brazosport, Alvin, C. E. King, Texas City, and Channelview. They also played district. Their tournaments were at Brazoswood, C. E. King, Lamar, Deer Park, Rosenberg, Beaumont, Baytown, and Pasadena.

Marc Tarkington was chosen as this year's Most Valuable Boy Tennis Player along with Rhonda Richards for the Girl's M. V. P.

1. Jimmy Zapalac stretches for a return. 2. Rhonda Richards practices her backhand. 3. Jean Baur whistles "Dixie". 4. Dana Croft displays overhead volley. 5. Kelly Dixon points to where it's going. 6. Rhonda shows her serve.

The Pasadena High School Swim team did well this year. In the course of one season, they achieved numerous titles.

They won first place in District, and reclaimed the Regional title for the second year in a row. Five swimmers qualified in the regional meet to participate in the State swim meet at Austin. They were, in the 400 yard relay, Donnie Adams, Charlie Hedstrom, Bruce Walters and Mike Adams, who also swam in the 500 yard free and 200 yard free. John Yettevich swam in the 100 yard breast.

Although the team is losing four Seniors, Charlie Hedstrom, Donnie Adams, John Yettevich, and 'Spike' Spicer, they will be strong contenders for the Regional title for their third straight year.

1. The State relay of P. H. S. l to r: Mike Adams, Bruce Walters, Donnie Adams and Charlie Hedstrom.

# Golfers go for the green

PHS golf was under new coaching in '78 as coach Rex Staes led his team to the best score ever compiled by a Pasadena golf team. Varsity letterman Rick Binniker got it all together on the last four rounds to shoot an 80 on each. Kip Kirby, James Price, and Donald Galvan also gained letters to help out in the eighth of sixteen finish, along with Joe Domorad, who was unable to compete in the district meet because of illness. Other golf team members included freshmen James Barker, Jerry Witte, Joey Fincher, Danny Herod, and sophomore Terry Durrett.

1. The 1978 golf team takes a few pointers from coach Rex Staes.
2. Senior Donald Galvan takes a practice swing to perfect his style.

**DAY** September 6, 1977

... with football season just beginning, I'm sure all senior girls are beginning to wonder which of them will be honored as 1977 Homecoming Queen -- there are so many candidates... I wonder who will finally emerge with the crown atop her hair...

**DAY** December 16, 1977

When the cold winds of December blow in each year, so does the campaigning. Sure enough, the Miss Merry Christmas and Mr. St. Nick Contest is in full swing. Candidates from each class go around jingling coins in their little decorated cans... you'd be a regular Scrooge not to contribute something! Then there's the Most Beautiful Contest right before the holidays -- wonder who the four beauties will be!

**DAY** February 27, 1978

As the months progressed, we've become closer as a class -- through shared activities, good times and bad, we've come to know each other so well... then comes the day when we must choose. A ballot is thrown in our faces... an alphabetical list of friendships. We chose, but not without difficulty -- and this is just the beginning for difficult decisions.

**DAY** April 10, 1978

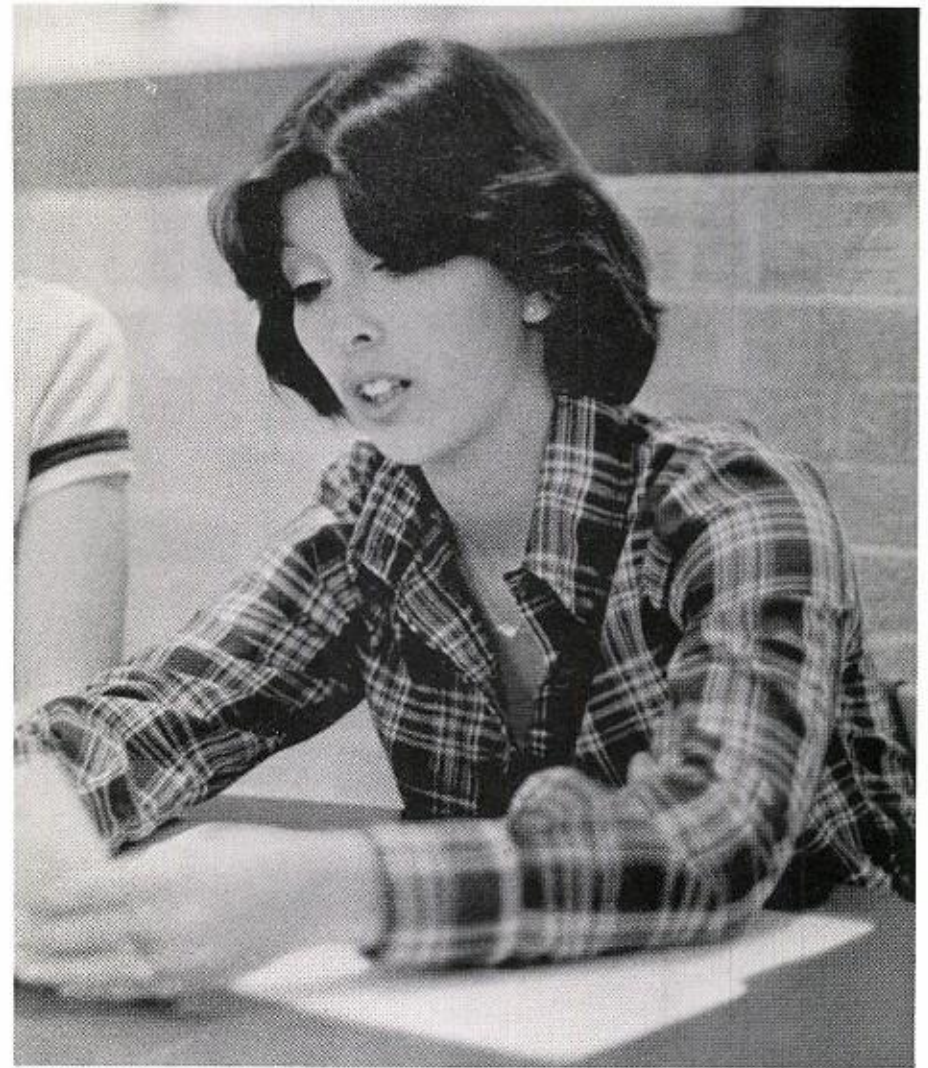

As seniors prepare for the prom, graduation and all that lies ahead, many honors and awards are being handed out. Four years of hard work and a lot of determination are being rewarded and recognized. The Prom and Senior day will reveal Mr. and Miss P.H.S., Senior spotlight, Who's Who, Seniors Behind the Scenes... All very special individuals. Come to think of it... maybe it has been worth it!

# Twenty-Five Seniors Worked "Behind the Scenes"

1

Contributing much time to many different projects at school earned twenty-five seniors the title of "Seniors Behind the Scene."

Throughout the school year, there were a number of seniors always lending a helping hand, yet they seemed to go unrecognized. At the senior day assembly, these seniors were recognized, receiving the title and a plaque for their efforts.

Named to Seniors Behind the Scenes were:

## Juniors portray government officials

Chosen by the faculty to represent Pasadena High as Boys' and Girls' State Representatives for 1978-79 were juniors Ellis Sink and Stephanie Middleton. Every year two students are chosen from the junior class to attend a week long program, during the summer, modeled after Texas' government. Student representatives from the whole state filed and campaigned for city, state and country offices. Elected by the other students, the winners discussed everyday problems and situations about governmental duties with their respective government officials. Chosen as alternates for Boys' and Girls' State Representatives were Sharon Conces and Joe Marshburn.

## Juniors found it Necessary to put Joy in Christmas

Collecting money at Christmas time became a familiar pastime. Once again Future Teachers of America sponsored the contest to name Miss Merry Christmas and Mr. St. Nick. Candidates raising the largest sum of money received the titles. Juniors Joy Langford and Ricky Necessary were announced the winners at the annual Christmas assembly. Joy and Ricky collected \$140 from the junior class. FTA donated the total sum of \$344 to the Salvation Army to buy toys for needy families.

# Alison Harris, Bill Purvis Named Mr. and Miss P. H. S.

Votes from the student body gave Bill Purvis and Alison Harris the title of Mr. and Miss P. H. S. Alison was a varsity football cheerleader for two years and a varsity basketball cheerleader for one year. She was a member of the Future Homemakers of America, French Club, Interact, and Keywanettes. She was named Junior Class Favorite and was a finalist for 1977 Football Sweetheart. Bill served as the Student Body President and was Co-captain of the varsity football team. He also actively participated in the Key Club, French Club, and the National Honor Society.

# Cheerleaders Best in Texas

On December 2, 1977, the first annual state-wide cheerleading contest was held in Nederland, Texas. The PHS Varsity Basketball Cheerleaders for 1977-78 attended and received first in state.

These girls, Robin Rhinehart, Diane Richardson, Alison Harris, Regina Kamp, and Rhonda Delaney, are now recognized as the best cheerleading squad in Texas. Winning first at this contest allowed the girls to go on to National Finals. The National Cheerleading Competition was held in Los Angeles, California on February 9-11. Out of the four squads, judged on several categories, including spirit and routine, these girls were awarded first runner-up.

1. The cheerleaders take a quick practice in Los Angeles before competition. 2. The cheerleaders proudly display their trophy. 3. Sponsor, Mrs. Dana Foree and the cheerleaders clown around after the competition.

# Barbie Blair Wins Miss Drill Team Texas 2nd Runner-up in Nationals

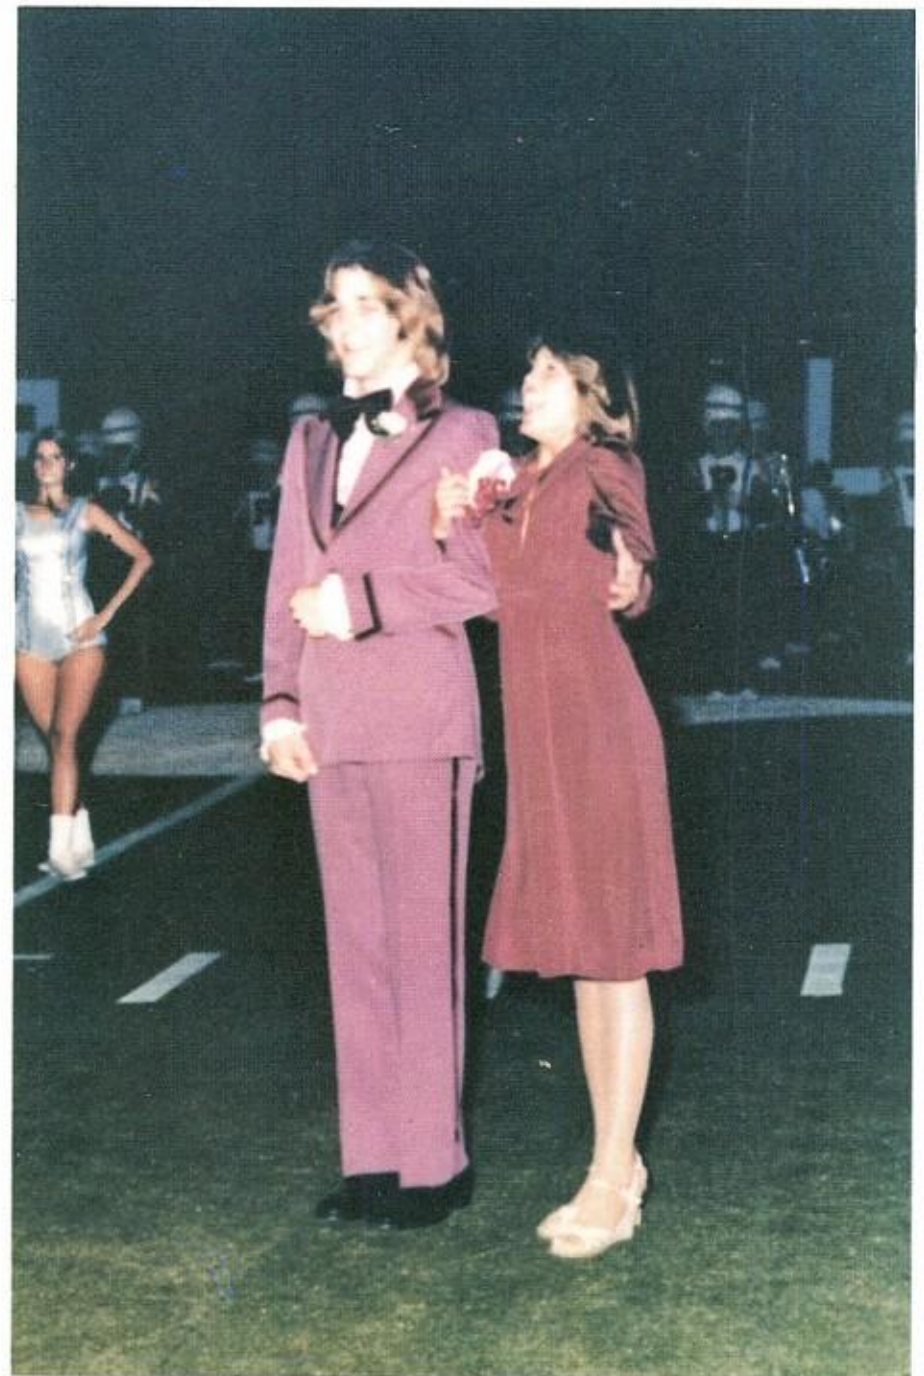

Eagle Escort colonel Barbie Blair has traveled to many competitions during her three years on the drill team, helping to bring back state and national trophies. This year Barbie dazzled her way to the title of "Miss Drill Team Texas," in Nederland on Dec. 3, 1977. Next, Barbie flew to Los Angeles to compete against 120 contestants for "Miss Drill Team U. S. A." Barbie did her own routine to "Hands up/Wang Dang Doodle." She was also required to do five drill team modeling poses, and a one minute speech entitled, "Drill Team Fever." Barbie was one of the eight semi-finalists and was required to model again. Then, as one of the five finalists, she danced for the final judging and gave her speech one last time. With her enthusiasm and showmanship, she finished as second runner-up.

# Kitty Honea begins reign as Eagle Sweetheart

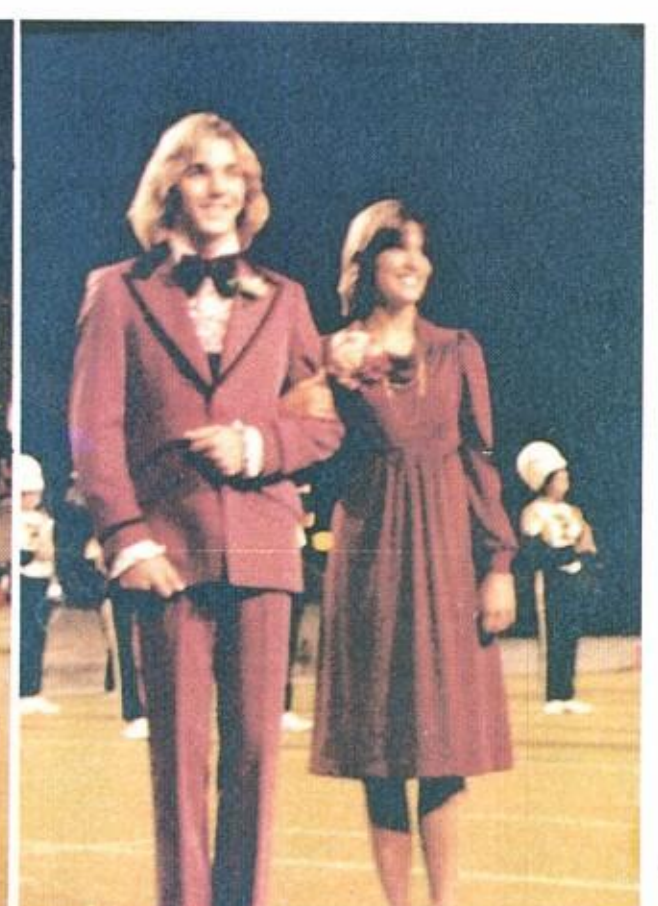

On September 8, the finalist for Eagle Sweetheart and their escorts were introduced to the student body for one last chance to see them before the final vote. Finalists and their escorts included: Betsy Angel, escorted by Mike Boone; Alison Harris, escorted by Thomas Dill; and Kitty Honea, escorted by Bruce Turk. Halftime came to a climax on September 16, as Kitty Honea became the 1977-78 Eagle Sweetheart. Kitty Honea is the daughter of Mr. and Mrs. J. T. Honea of 709 Oriole Lane. Kitty is a former member of the Eagle Escorts. As a junior, she received third runner-up in the FFA Sweetheart pageant and she has consistently been listed on the academic honor roll.

# Eagle Sweethearts Nominated

During September, conversations vibrated with talk of mums, restaurants, and dates. Senior homerooms nominated senior girls as candidates for Eagle Sweetheart and elected the top nine girls as semifinalists. These girls were introduced to the student body at the Galena Park pep rally. Semifinalists included: Betsy Angel, Linda Behrens, Becky Copeland, Alison Harris, and Kitty Honea. Also included in this number were: Lisa Laake, Marianne Perkins, Jan Stewart, and Teresa Thomas. The student body cast their votes on these nine girls, choosing Betsy Angel, Alison Harris, and Kitty Honea as the finalists for Eagle Sweetheart.

1. Senior Kitty Honea, Escorted by senior Bruce Turk, screams with excitement as she is announced the 1977-78 Eagle Sweetheart. 2. Kitty Honea begins her reign as she is crowned by Darla Hampton, last year's Eagle Sweetheart. 3. Finalists for Eagle Sweetheart smile at the crowd, uncertain about their decision. Top: Betsy Angel; left: Alison Harris, Right; Kitty Honea. 4. Finalists are presented on the field to anxiously await the announcement of the winner. 5. Nine Eagle Sweetheart candidates were nominated by senior homerooms in September. Nominees included: Marianne Perkins, Betsy Angel, Alison Harris, and Lisa Laake. 6. Also included were: Linda Behrens, Teresa Thomas, Becky Copeland and Jan Stewart.

# Sophomores favor Platt and Smith

Selected by fellow sophomores, Debbie Platt and Timmy Smith reigned as sophomore class favorites. Most of Debbie's time was spent as a class officer and an Eagle Escort. She also was a member of various clubs. Timmy's fun-to-be-around personality enabled him to capture the title for his second year. Timmy also supported athletics in football. Both students displayed an enthusiastic personality that made the underclassmen's choice a justifiable one.

1. Sophomore Cliff Parker, Cathy Beals, Anthony Milam and Jill Shivers were all runners up for class favorites.

# Five Students Earned Places at District UIL

On Saturday April 15, at the University Interscholastic League contests, five students earned places at the district levels. In science, senior Ken Mathis placed third, advancing to the regional meet, and senior Morry Groves placed sixth. Six speech contestants reached finals in their events. Freshman Micheal Jackson reached finals in prose and in extemporaneous speaking, seniors Kelly DeLeon, Gary Hickman, Rene Sandel, and sophomore Mary Kay Sicola and freshman Scott Patterson also reached finals. Sophomore Scott Harrell placed third in extemporaneous speaking also advancing to the regional meet. In the journalism section of the UIL contests, senior Lisa Williams captured a third place in editorial writing and junior Tammy Caldwell received a second place in newswriting. Both girls advanced to regionals. The regional meet was held at San Jacinto College on April 22.

# Seventy-six beauties competed for title

On December 10, seventy-six nervous girls competed for the four Most Beautiful titles. The long awaited day started early with a tea, giving the judges a chance to see the girls in an informal atmosphere. Each girl was then required to give a speech about themselves in a private interview with the judges. After the interviews, the contestants were allowed to go home to change into their formals. The girls returned again at seven-thirty for the finals. The first announcement narrowed the field down to twenty-five. These twenty-five then paraded for the judges, and ten were chosen as finalists. These ten were judged on poise as they answered impromptu questions. Tension mounted as Masters of Ceremony, Thomas Shulta and Mike Bonner, announced Patty Lowery, Connie Caldwell, Vickie Whittaker and Cathy Garcia as the four Most Beautiful Girls of 1977-78.

## Classes

**DAY** August 23, 1977

It's always fun to see the new little freshmen in the fall! Fresh out of 8<sup>th</sup> grade, they're a little impressed with their new status... but mostly intimidated by such upperclassmen tricks as "elevator passes", carrying books, the works.

Wonder how it is that freshmen look younger every year? I know we were never that immature...

**DAY** November 20, 1977

Sophomores are funny, too. With one year of high school under their belts, they're ready to conquer the world! This is the year (for most) of the driver's license - a symbol of freedom, mobility. They'll begin to date, write research papers, get their braces off (maybe!) And soon, they'll be juniors - upperclassmen!

**DAY** April 3, 1978

The homework has been harder, the assignments are longer, responsibilities are greater... and the decisions just keep on coming. The junior year is a big transition close enough to envision their senior year, juniors are already being afflicted with sentimentality, and an intense desire to live their senior year to the fullest.

**DAY** May 17, 1978

The prom is just a happy memory, senior day is behind us... we've dried our tears from the senior slide show, and graduation looms ahead. Four years... at times it seemed there was no light at the end of the tunnel, and now, in an instant, it's over. "Life can only be understood backward," said the philosopher, "but it must be lived forward." That's beginning to make sense.

# Seniors prepare to party

After a wild and wonderful summer, 504 seniors returned to school. Looking forward to a great senior year, they began getting involved and joining clubs. This really helped many seniors start the year off on the right foot. Everybody started anticipating the traditional senior activities such as Rayburn Week, the Most Beautiful Pageant, Senior Talent Show, Senior Day, the Prom, and the most important of all: GRADUATION.

1. Senior girls enthusiastically support the Eagles.
2. Senior George Poe shows his true physique.
3. "Check it out!" says Senior Ricky Ochoa to Senior Randy Herrera.

# Seniority Is The Minority

In contrast to other years, seniors did not quite make up the majority of the annual staff. Overcoming this disadvantage, the senior staffers did the best they could so this yearbook would be one that they could always remember. Becky Copeland led the staff of twenty-six members as editor. Deadlines beginning early in the school year kept seniors busy drawing layouts and writing copy.

# SENIORS SHINE WITH SPIRIT

Senior girls anxiously awaited the long time traditions of Rayburn Week. Mr. Logan helped the senior girls get it all together by distributing football jerseys and starting the senior girls spirit club. Rayburn Week roared with senior spirit as the seniors celebrated with pep rallies, the burning of Sam, sleepless slumber parties, and everybody's all time favorite—the bike ride. Senior girls anticipated victory and were not let down as the Mean Green Machine turned Rayburn green with envy and enabled Baldy to hold his head even higher.

# Barclay Has Class

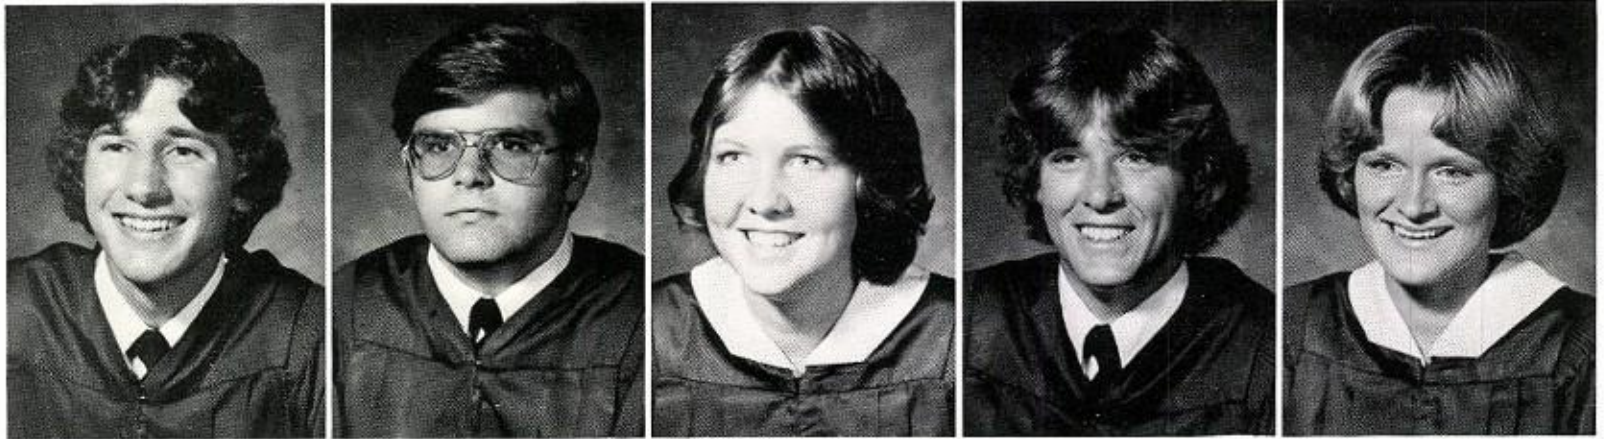

Being with the class of '78 for four years could not be a picnic. Mrs.

Nan Barclay along with sixteen homeroom teachers and Mrs. Vlahakos, all helped start the freshman year with the organization of the first money making project . . . the car wash ticket sale. Being the success it was, they tried it again their sophomore year. As Juniors, they sponsored the Most Beautiful Pageant and sold candles for a major profit of \$6000. This year Mrs. Barclay busily prepares for the Senior Talent Show and Senior Prom.

# Seniors Try To Get In On The Act

2

Trying their hardest to get in the biggest show of the year many seniors auditioned for the Senior Talent Show. After many hours of hard practice they came up with such acts as record mimes, singing, gymnastics, and dancing. When the acts were announced seniors knew they had many long hours of practice ahead of them and prepared themselves to stay after school to perfect their acts. The night for the show finally came and gave seniors their own chance to prove their abilities to act, sing and dance. Hoping it would be the best talent show ever seniors gave it an all out effort.

The 1978 Senior Talent Show had a lot to offer. Variety '78 as it later came to be known provided a wide selection of acts. With everything from "The Gong Show" to "The Land of Oohs and Ahs" you can plainly see how the show came by its name. Other acts such as "Tweety and Sylvester" and the Senior Football Players" gave the show individuality. As it turned out Variety '78 was one of the main highlights of the year.

# Seniors study government

Taking the only required course for their last year in school, seniors attempted to make a good grade in Government. Learning about the judicial, legislative, and executive branches helped them to better understand the way in which our country works. Government B, on the other hand, gave seniors an even closer look at the way the country's courts are administered and the different jobs of the President.

# Senior Officers Help Make '78 Great

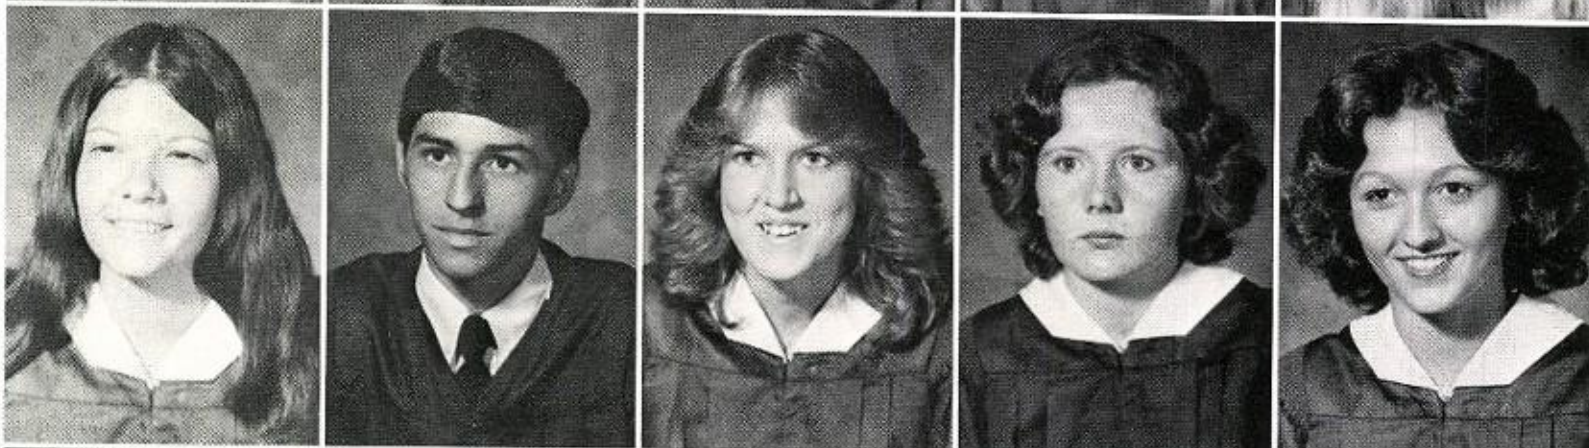

Making decisions was one of the Senior class officers biggest jobs. There were small decisions and there were large ones. Picking a menu for the prom, choosing a disc jockey and band for the prom and deciding on acts for the Talent Show were just a few of the decisions to be made. Being a class officer, especially your senior year requires a lot of responsibility and the 1978 senior class officers held up their end of the stick.

## SENIORS SELECT BOONE, GRAY FAVORITES

Because of their optimism and great outlook on life, seniors voted Tess Gray and Mike Boone class favorites. Tess runs track and is a member of the French Club and Keywanettes. Mike also runs track and is a member of NHS and serves as student body secretary. Tess plans on one day becoming a dental hygienist while Mike would like to attend Baylor University and go into pre-med.

# Senior committees plan ahead

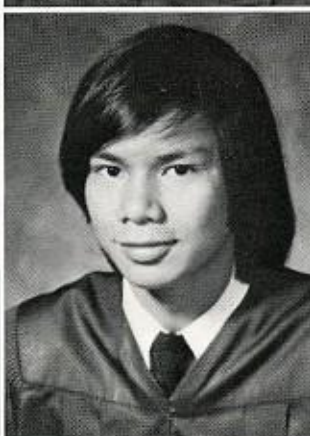

This years senior committees consisted of a prom and banquet committee, a senior day committee, and a memorial gift to the school committee. Each homeroom elected one of its members to serve on each of the committees which met at least twice weekly. The hard work of the committee members and chairmen proved worthwhile after the great success of the prom and Senior Day.

Keeping with the latest fashions, double ear-piercing caught on fast with seniors this school year. As the new fad swept the Pasadena area many girls rushed to have it done while others were a little hesitant remembering the pain and traumatic experience of getting it done the first time. Double ear-piercing offered a wide variety of ways that girls could wear earrings and appear really fashionable. Giving their best shot at womanhood, many girls decided to take the plunge.

# Mrs. Vlahakos Counsels Seniors

There's only one word describing Mrs. Vlahakos' job at Pasadena High School: dedication. With the 550 seniors she works with, she helps each one individually. If it's as simple as a schedule change or a major problem such as choosing your college and learning the requirements, Mrs. Vlahakos is a great asset to Pasadena High and the seniors of '78 truly appreciate her efforts.

# Memories: 1978 Senior Prom

Arriving at the Astroville Hotel in Limousines, wearing tuxedos and formals, dining and dancing, reading of the class prophecy and the announcement of Who's Who and Senior Spotlight were all just a small part of the big night that no one will ever forget: The 1978 Senior Prom. Seniors enjoyed a night of having a good time and dancing to the music provided by Crystal Image and the Vanishing Point. Cameras flashed all night as friends hoped to catch some of the most memorable moments.

# SENIORS ENJOY SPECIAL DAY

Senior day 1978 began with an assembly in the auditorium. Seniors Behind the Scenes, the gift to the school, and a great slide presentation of our history making four years were only a small part of the activities held that day. Next, the cafeteria served a delicious dinner which was followed by cap and gown distribution and the junior class sponsored tea. Friends said goodbye until May 24 which would be one of the most memorable nights in their high school careers—Graduation.

ONE DAY AT A TIME

It only takes one day at a time,  
To succeed in life.  
But remember . . .  
There's always a tomorrow,  
To be brighter and better.  
So strive for the things  
You've always dreamt for.  
Take life slow  
To reach your goal,  
Enjoy life on the way,  
You'll never go back down  
the same path.  
And remember. . .  
It takes one day at a time,  
And we're beginning now.

## Juniors keep movin'on in '78

... we will sparkle and we will shine  
'cause we're the seniors of '79!

Looking forward to the new year, juniors were glad to finally be upper classmen. They were ready to cope with any problems that might arise. Excited and full of energy, they seemed eager to make new friends and learn new lessons along the way to their senior year.

# Junior Spirit Sparkles

The fever of excitement during pep rallies accelerated to its highest level in years as the junior class came through with its own individual type of spirit. Banana-eating contests, and hall and classroom competition underscored the excitement shown by the Super Seniors of '79. Junior spirit was given a boost with the creation of the Junior Girls Incorporated. Their support, combined with that of the rest of the Junior class, helped to make this season's pep rallies some of the most spirited in Pasadena's history.

## Juniors show seniors that they're beautiful too

On the tenth of December, the seniors were not the only ones showing their beauty, the junior class was there also. Donna Dunham, Susan Clarkson, Christa Massey, Linda Bostick, Larry Legg, and Robin Rhinehart performed along side the seniors at the Seventeenth annual Most Beautiful Pageant. They entertained the audience during the judging of the contestants. They sang songs ranging from "IF" by Bread to "It was Almost Like a Song" by Ronnie Millsap.

## English students read, wrote, and watched

1

This year English classes read a great variety of books and novels written by outstanding authors. "Red Badge of Courage", "The Great Gatsby", and "Captains and the Kings" were just a few of the Best Sellers chosen by the "3A" English teachers.

A newcomer to the English scene was Contemporary American Poetry and Drama taught by Mr. David Alquest. "The Glass Menagerie", "A Raisin in the Sun", and a vast variety of modern poetry was studied by his classes. The classes also went to see "Arsenic and Old Lace" at the Pasadena Little Theatre in early October.

## Juniors think ahead

With the help of their counselor, juniors began to plan for their senior year. Mrs. Ethel Williams worked with the juniors to make sure they received the right classes for their needs. With the help and cooperation of the homeroom teachers and the entire junior class, Mrs. Williams was able to achieve this goal.

In late October, close to fifty juniors competed against each other in a boys-vs-girls football game. As you might have guessed, the boys overpowered the girls in the first game. So, after some rearranging, a second game was played with mixed teams. The afternoon ended in a tie but everybody had fun.

# Juniors step out into the spotlight of fame

Singing and dancing their way into the spotlight of stardom a large amount of juniors displayed their talent in this year's show. Syzygy, a local band, enthused the audience while Susan Clarkson calmed them with her beautiful version of "We're All Alone". One group of seven junior girls dressed up as onions and danced around the stage in "I Love Onions". The high point of the show and by far one of the best acts was Darlene Kennedy, Lisa Reese, and Sara Weekes' portrayal of the Andrew Sisters 1940's smash, "Boogie Woogie Bugle Boy of Company B".

## Students have a “Close Encounter of the French Kind”

Over the Easter Holidays juniors Suzy Fuller and Ronda Patterson went to France with French teacher Margaret Jamison. They spent seven days and six nights in a luxurious hotel with spacious suites and ate the best of French cuisine. They toured gothic architecture such as Notre Dame, Versailles, Ma Maisson, and Arc de Triomphe. They also visited the Louvre, a French museum, where they saw such paintings as the Mona Lisa and Whistler's Mother. The highlight of the trip for both the girls was seeing the Eiffel Tower and a boat ride up the Seine.

# Juniors face finals

As the end of the year rolled around, juniors were faced with the threat of taking those dreadful tests, the always unwelcome final exams. As the weather became warmer and people became a little darker, we all knew what came next. Summer! Juniors anxiously awaited the final day of classes so they could do as they pleased in the coming months ahead. # Sophomores survive second year!!

1

The second year of high school for the sophomore class proved a year to remember. Most began to feel more at home with their frosh year finished and new bewildered faces to fill in their old ones. Many were chosen for various activities that played a major part in their high school years. Dating and drivers licenses played an important part in a sophomore's social life. Many students waited impatiently for their sixteenth birthday to arrive. Sophomores often thought ahead to their junior and senior years, looking forward to being upperclassmen. With this thought in mind the sophomores made their best efforts to make their senior year the greatest!

# Sophomore sales successful

The sophomore class sold Old Fashioned Rock Candy as their money making project for 77-78. Profits from this sale were close to \$3,700. As an added incentive, Mr. Hance offered his face for pie target practice. Mr. Hance missed "a pie in the eye" by \$95. Mrs. Baldinger's homeroom (10-2) proved to be the award winning homeroom by selling the most candy out of all twenty-three sophomore homerooms. The sophomore class really had a lot of success in their fund raising drives, and are looking forward to an outstanding senior year.

1. Mrs. Baldinger's H. R. munches out as they are served for outstanding sales during their money making projects. 2. Pictured with Mr. Hance, are the 2 top salesmen of the Candy sales, Mike Emmons the "champ" and Jeannie Logan, who came close behind. Jeannie, contemplates next years fund raising thinking—"Just wait till next year!" 3. Mr. Lewis explains to Cliff Parker about the disadvantages of becoming a nurse.

# Sophs have enthusiasm

Throughout their sophomore year, the seniors of '80 participated in a variety of school activities showing enthusiasm and spirit in many different ways. Giving parties, joining in drill, band and choir, entering clubs, decorating homerooms, and boosting spirit at pep rallies and games, their hard work was rewarded by a spirit stick.

2

1. Marcy Heifner exclaims "I really get a charge out of football games!!" 2. Marianne Riggs and Debbie Mitchell rendered their services at the cheerleaders party. 3. Sophomores show excitement at the game against Sam Rayburn as the mighty Eagles score.

# Who Says Drill Team Members Are

New Eagle Escorts, Cathy Hyman, Cathy Nicholson, and Debbie Platt, demonstrated their unique talents. Each year initiation takes place, at the first of the football season. Drill initiation is where a first year eagle escort is taken in custody by their upper classmen (big sisters). The girls perform embarrassing tasks all through the wee hours of the night. But all in all they feel the torture is well worth it.

## Sophomores Show Talent In VARIETY 78

'Variety Seventy-Eight' provided a chance for sophomores to perform before an audience. The competition at auditions was tough, but several talented sophomores were chosen for the special night. Sophomores presented a wide variety of acts, including Irving, Metal Mazed, Unknown Comic, World's Smallest Man, and Tiny Bubbles. Each different act was a result of a unique character and imagination, and showed how each person had that special quality that makes him or her a performer.

High school . . . that anxiously awaited experience, became a reality for the seniors of 1981.

For the typical freshman, the objective was clear. Meet people. Soon the freshmen had entered into the mainstream of high school life.

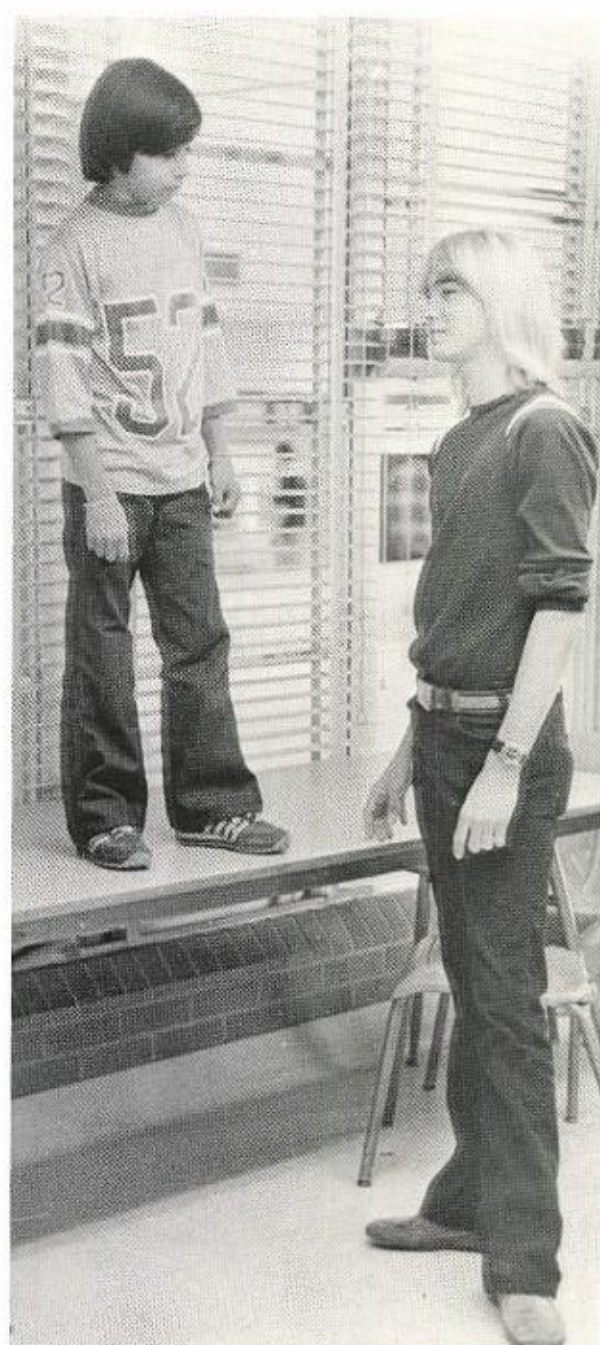

Many girls qualified for the drill team, basketball, volleyball and track teams. Boys made the football, basketball, baseball, track, and swim teams.

Clubs and organizations provided an outlet for boundless freshman energy as elections, meetings, and parties filled every spare minute.

In the midst of dreaming of the day they would become seniors, the end of the year suddenly approached. Moved one step higher on the stepladder, the new sophomores were determined to prove that the seniors of 1981 are number 1.

# FROSH FIRE IT UP

Beginning like any other ordinary year, freshmen sometimes found it hard to adjust to the exhilarating spirit that played a major role in their new environment. After only a brief exposure to the event-filled pep rallies and after attending a few of the Eagles football games their attitudes soon changed. They soon began participating in the chants and cheers and taking pride in their school to which they belonged. Anxiety and impatience shone in the eyes of the newcomers as they watched upperclassmen perform, entertain, dazzle and shine. As Eagle Escorts dancing, band members marching, football players tackling, and ROTC members drilling, every Frosh anticipated the day he might become a member of one of these traditional organizations.

# FROSH PARTICIPATE IN SPECIAL CLASSES

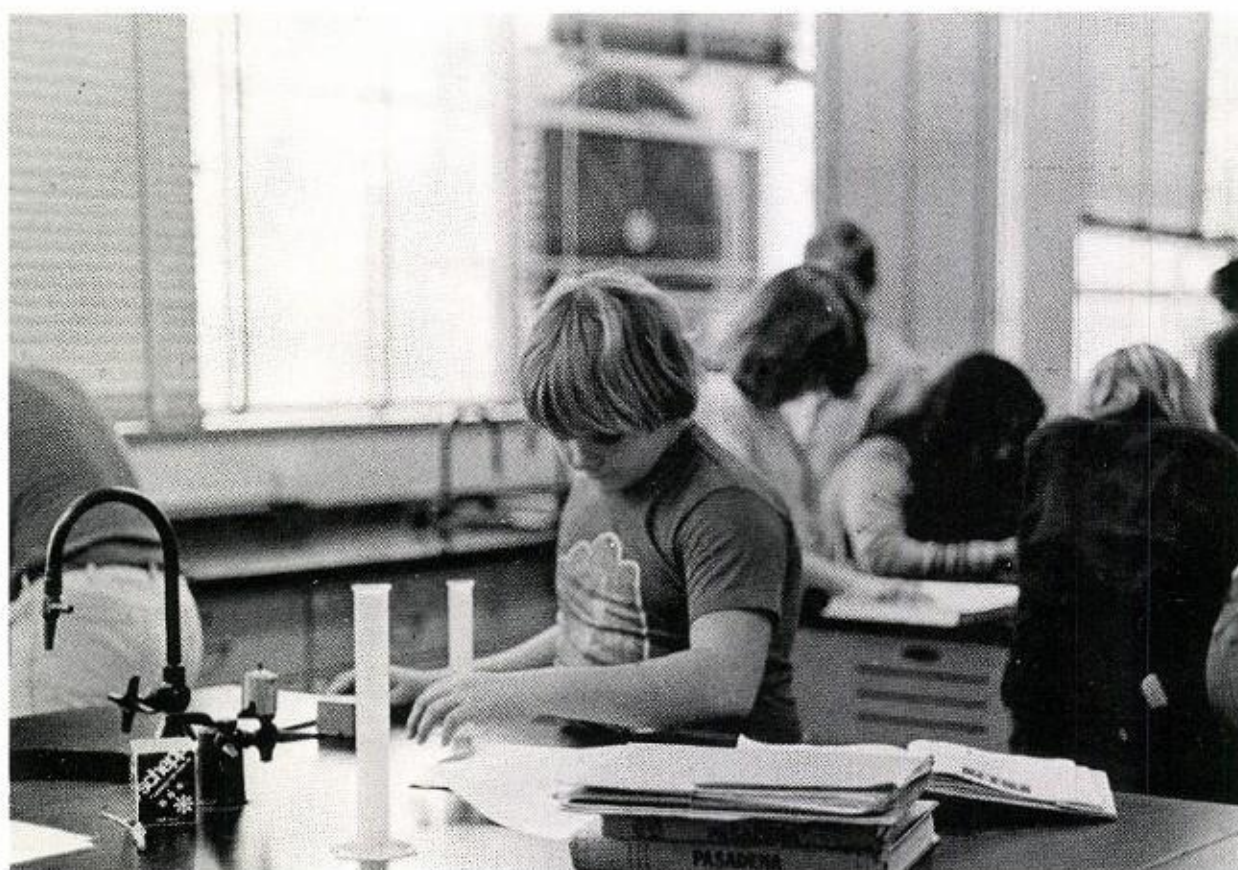

High school requires an orientation for the forthcoming four years. The district has developed a series of courses that help prepare new freshmen for much more complex subjects. One class is health. Studies in this subject include everything from eating habits to mental health. Drill Training is also a class many freshmen participate in. The girls learn high kick, jazz, and a variety of other types of dances.

Another lower classman course is Careers, which help students plan their future in the business world. Included in this class are speakers of different occupations, such as firemen, a Navy recruiter and a police officer. Physical Education, better known as P. E. is a tiring but fun class, according to the Frosh. They play such sports as volleyball, football, and basketball.

Last, but not least, is Physical Science. According to science teacher Mr. Feray, the main activities of Freshmen are breaking thermometers, burning candles, blackening beakers, and other constructive pursuits.

1. Freshmen anticipate the day they may become members of the Eagle Escorts. 2. Larry Young attempts to formulate a "teacher extinguisher." 3. Nancy Sanchez makes an inbounds pass in P. E. 4. Some freshmen take careers leisurely, while others work diligently. 5. Belinda Bartek, Brad Malin, and Brad Ray decided to make friends with an older kid. 6. Boy, is this fun!

The spotlights or the sewing machine?  
The stage or the stove?  
The rejections or the recipes?

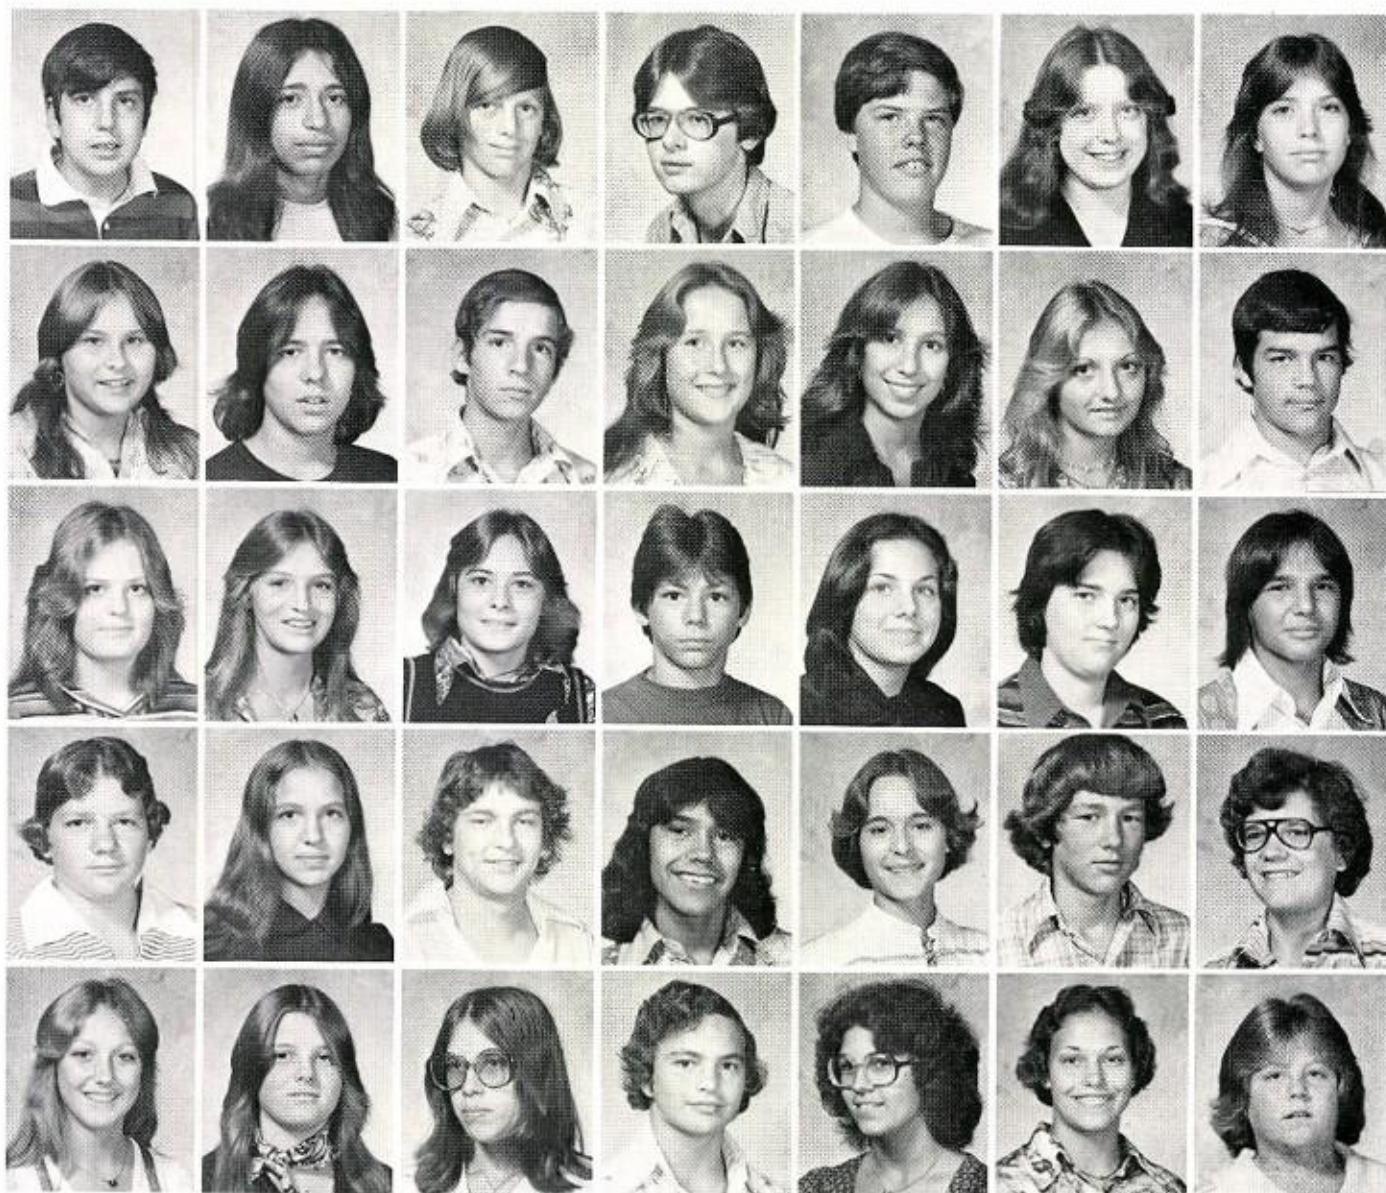

These were questions asked by many freshmen as they contemplated their goals in life. Their way of finding out was by participating in Drama and/or Homemaking classes.

In Homemaking I students learned sewing basics, such as blouses, and also the rules of style. The second half included learning the main techniques of keeping a good household by being assigned home projects which the teachers graded in person at each student's home. Cooking was a favorite part of this class.

As a change of pace, some students enrolled in Drama I. This course included studying the history of Drama and the stage itself. As a first experience in acting, freshmen participated in duet acts as well as pantomimes. In hopes of one day becoming the next Liz Taylor, Clark Gable, or even Farrah-Fawcett, students acted their little hearts out.

1. Crystal Coward shows her enthusiasm towards sewing. 2. Patty Matte really put her heart into duet acting. 3. What kind of duet act is Brenda Montgomery doing?!?! 4. Norren Darras and Kristi Collins smile at the thought of "munchin' out."

Freshmen put in their three cents worth by giving their best in the Senior Talent Show '78. It is unusual for Frosh to be in the show, but evidently, the judges were impressed by the talents of these three.

The Talent Show is always a highlight of the school year and Becky Burton, Kristi Collins, and Tina Hindle made it even more outstanding with the addition of their varied talents.

1. Becky Burton sings "You Light Up My Life."
2. Kristi Collins and Tina Hindle suffer from opening night jitters.
3. Kristi Collins displays her outstanding dancing ability in "The Best Disco In Town."

FAVORITES  
FOUND  
FRIENDLY

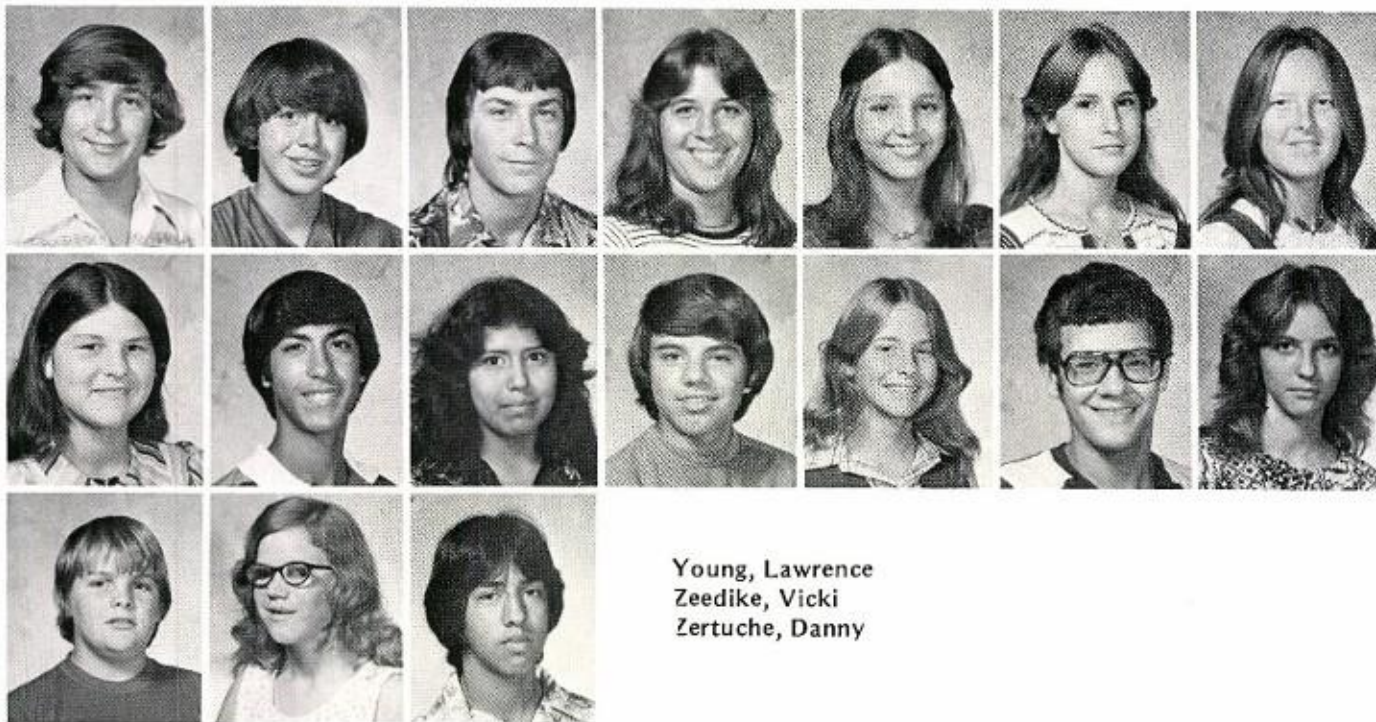

Connie Kirby and Rudy Garcia's personalities shine out in the eyes of their fellow Freshmen. Connie, a future Eagle Escort, and Rudy, a member of our P. H. S. band, were chosen as class favorites this year. Both expressed extreme surprise when their names were announced at the all school party. Their first high school year proved to be exciting and successful.

The four runners-up for class favorites were Mike Roberts, Beth Carroll, Noelann Maxey, and Alan Dry.

1. "Do you like seafood?" asks Senior Randy Herrera. 2. Seniors Ken Mathis and Connie Caldwell enjoy looking back through old pictures. 3. Junior Rick Necessary and Senior Bill Harthcock rehearse their ballet duet.

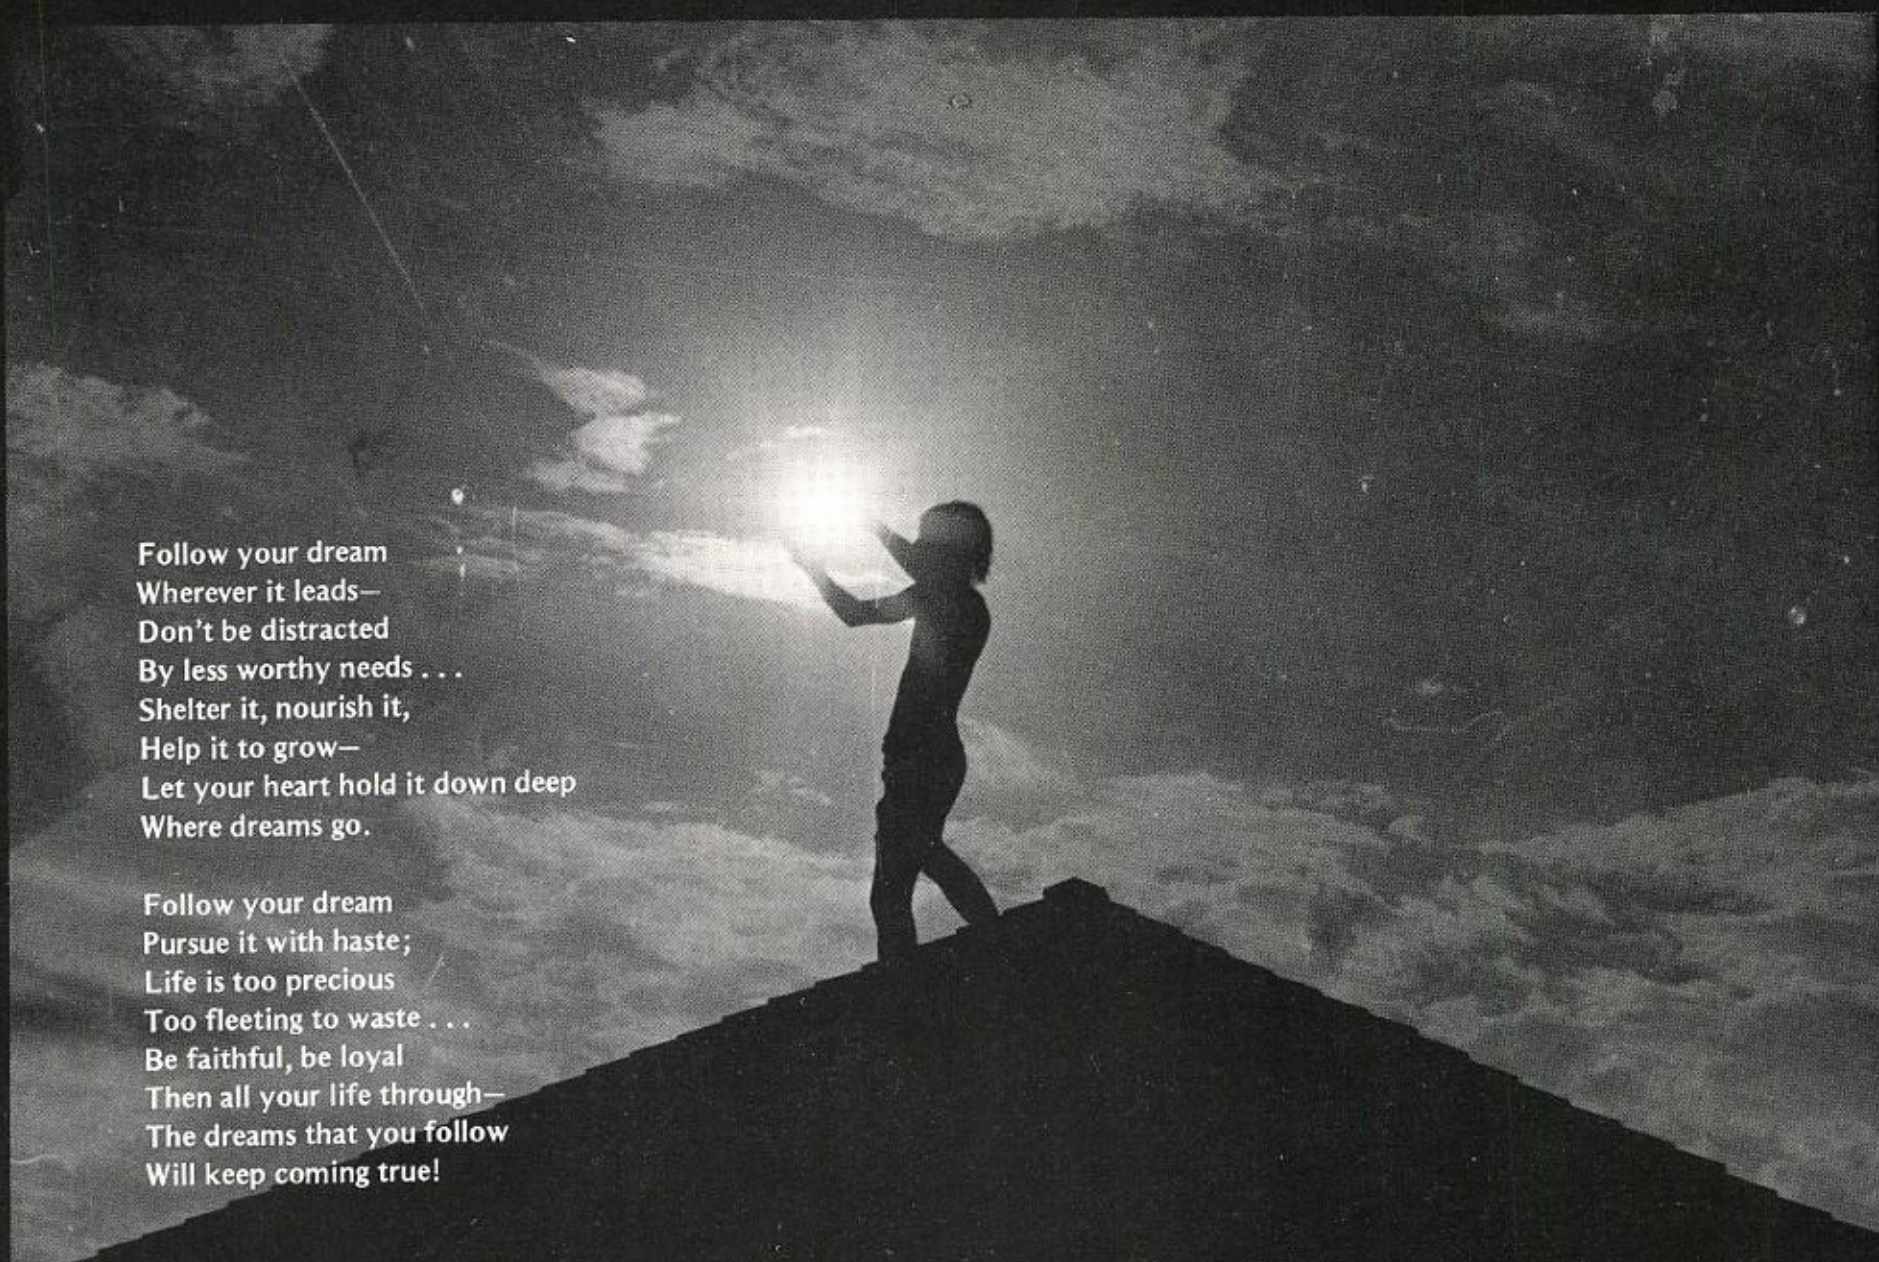

The sunshine of life is made up of very little beams that are bright all the time. To give up something, when giving up will prevent unhappiness; to yield when persisting will chafe and fret others; to go a little around rather than come against a wall; to not look on a cross word as a personal insult; to be present or return it—these are the ways in which clouds and storms are kept off, and a pleasant and steady sunshine secured.

Follow your dream  
Wherever it leads—  
Don't be distracted  
By less worthy needs . . .  
Shelter it, nourish it,  
Help it to grow—  
Let your heart hold it down deep  
Where dreams go.

Follow your dream  
Pursue it with haste;  
Life is too precious  
Too fleeting to waste . . .  
Be faithful, be loyal  
Then all your life through—  
The dreams that you follow  
Will keep coming true!

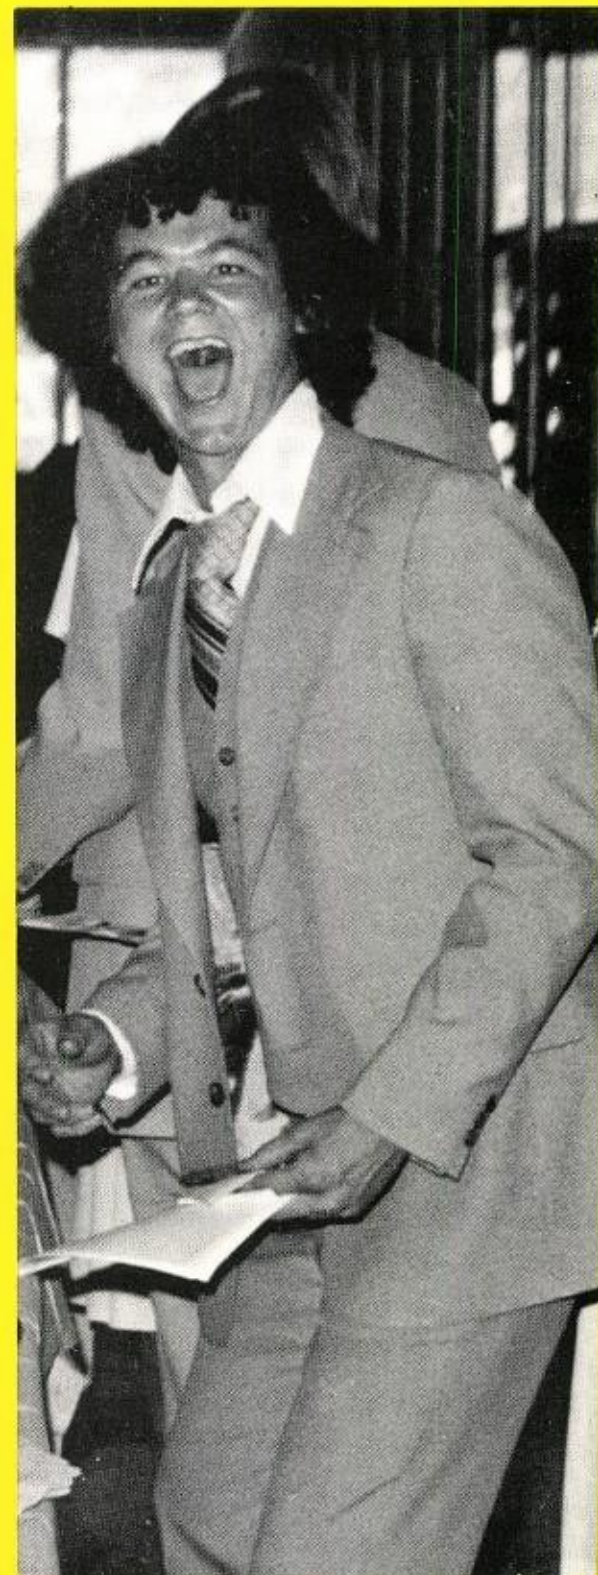

# Gone, But Never Forgotten . . . . Senior Day

1. Seniors enjoyed last minute conversations during the tea sponsored by the juniors. 2. Catching cookies in his mouth is one of Senior Paul Vaughn's many extraordinary talents. 3. Senior sponsor Nan Barclay rests her tired legs while chatting with Senior Chuck Knight. 4. The naming of Seniors Behind the Scenes unveiled twenty-three dedicated, hard working students.

What are the things  
that matter most?

What are the things that matter most as each of us goes along . . . for some it's the glow of friendship . . . for another the beauty of song . . . for some it's the challenge of learning . . . for others the joy of success . . . but whatever your heart is set on . . . may it bring you happiness.

# Never Ones To Be Left Out, Seniors Get In On Senior Day Action

1. Lending a helping hand to the ROTC department and serving as Colonel Early's secretary is Mrs. Rhinehart. 2. Junior class sponsor, Mrs. Jacobson and Mrs. Lozado enjoy refreshments at the Senior tea. 3. Senior Vicky Hindle receives a special plaque from Mrs. Barclay for all her help during the past four years. 4. Who is teacher of the year?

## Girls find happiness through friendships

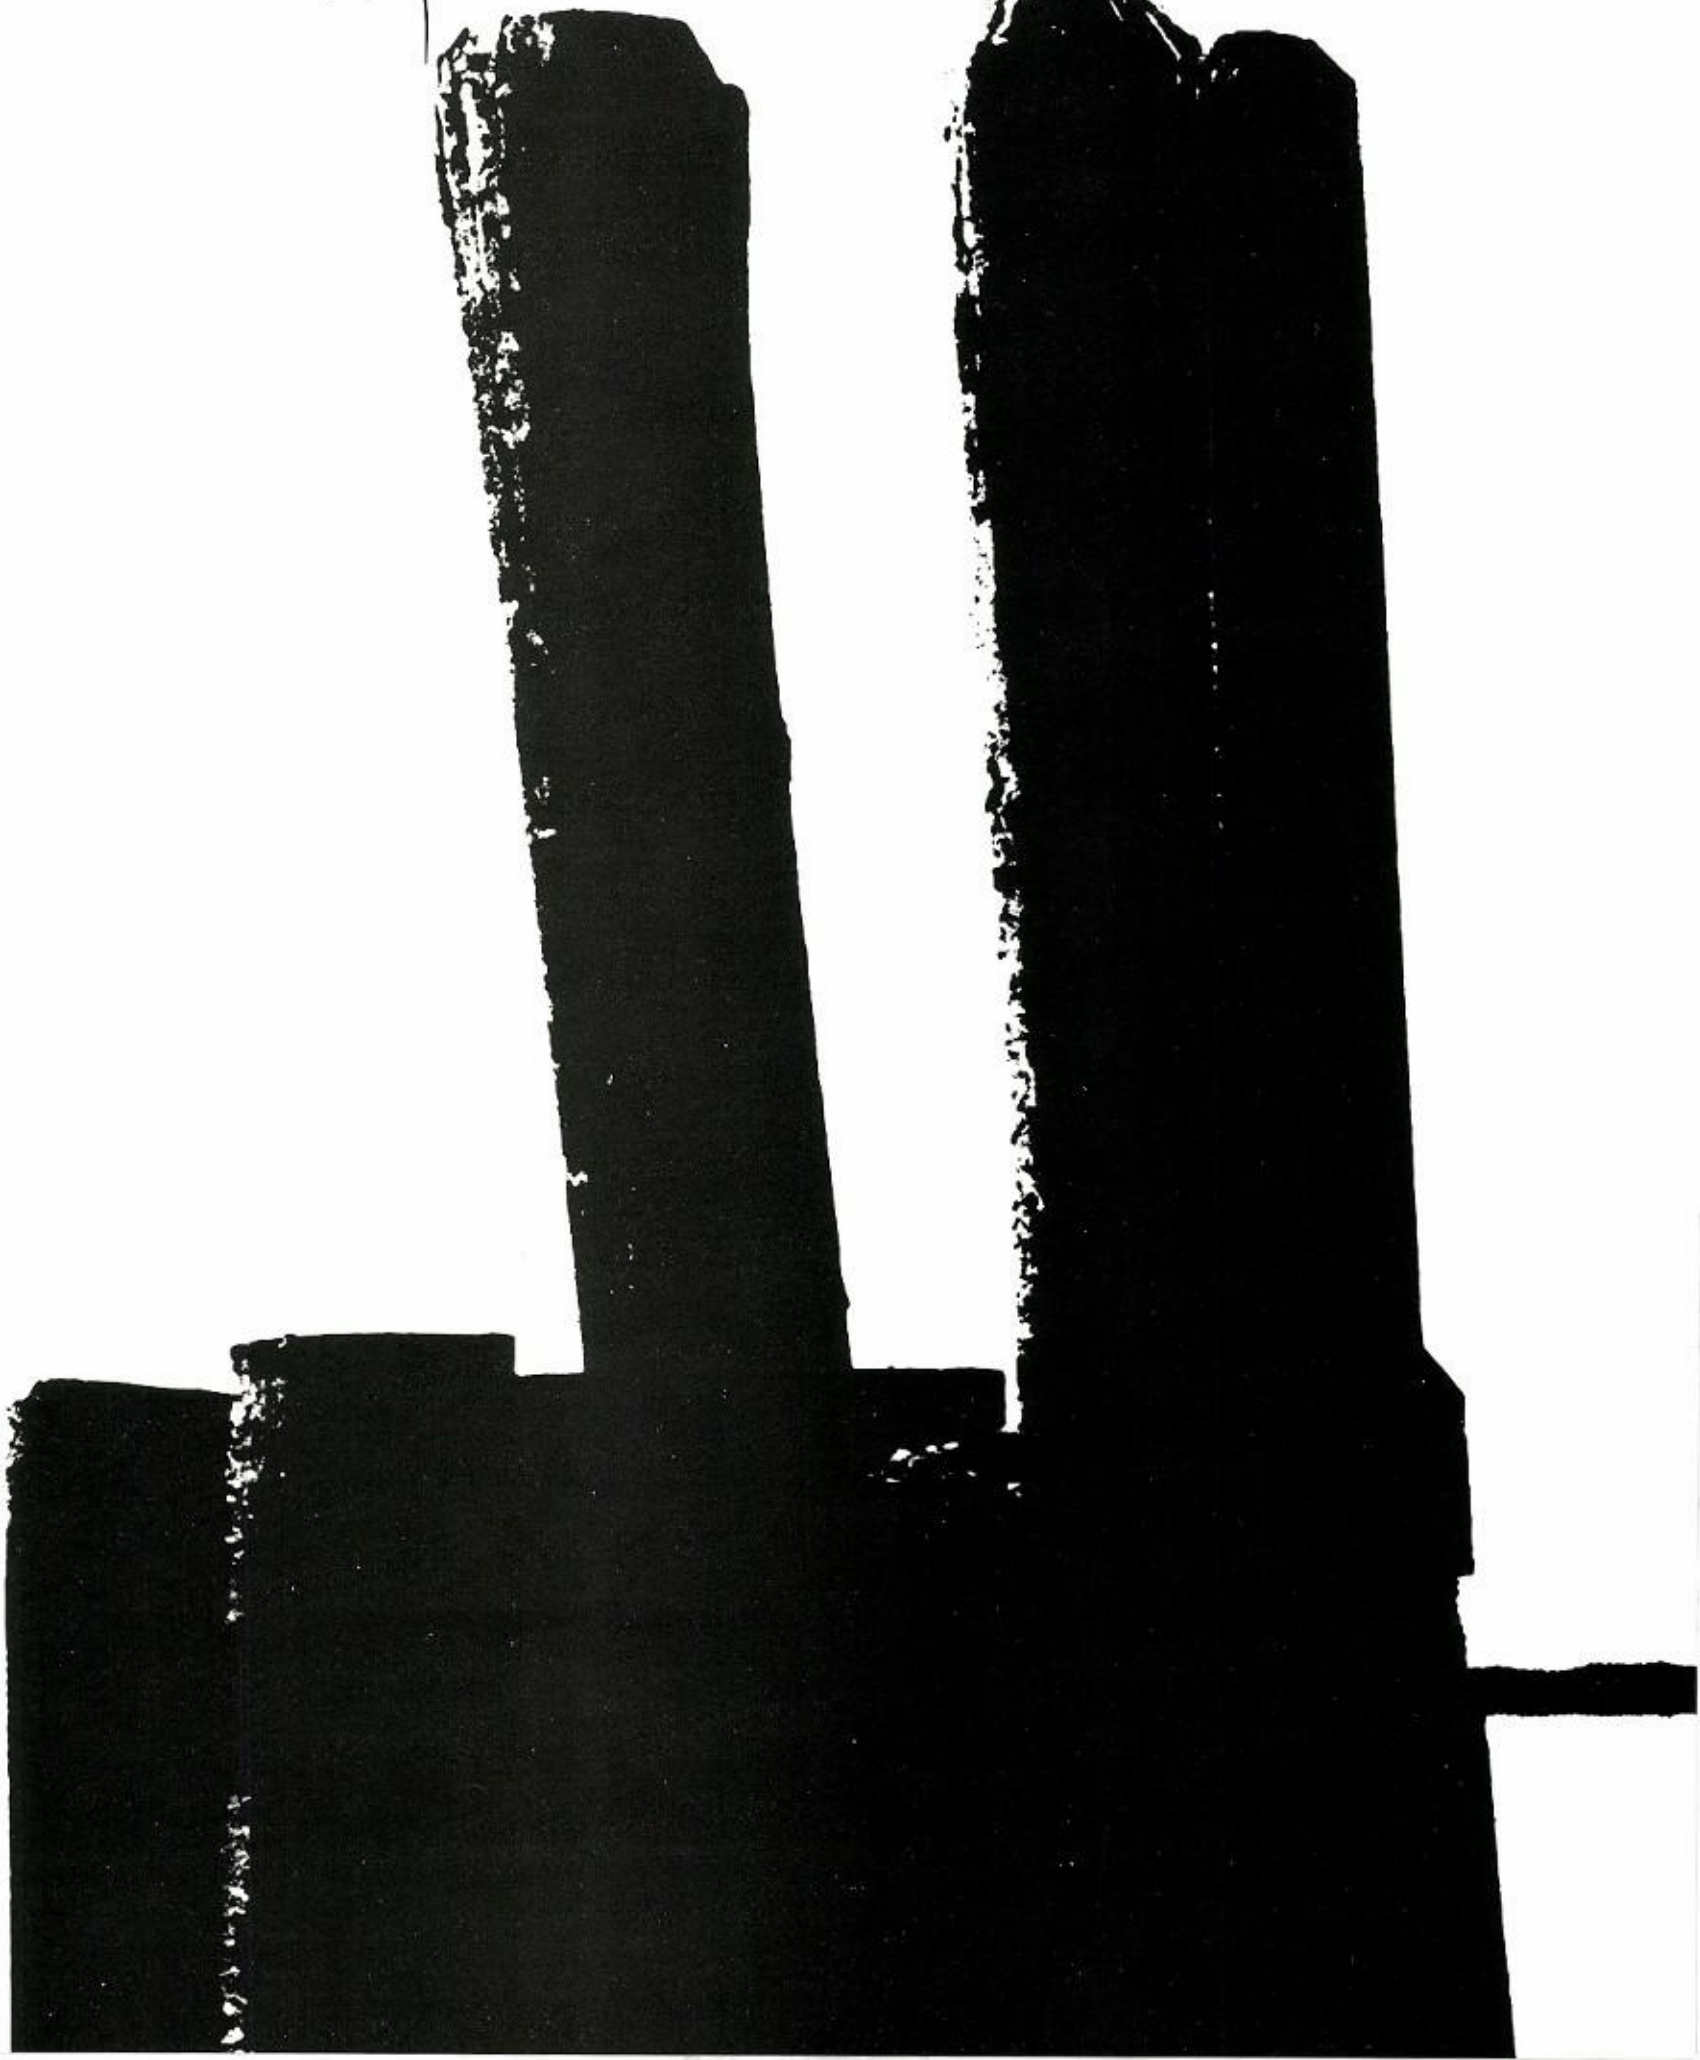

It is not how much we have,  
but how much we enjoy,  
that makes happiness.

Endings, beginnings...  
goodbyes, hellos — life  
is continuous, and the  
cycle is beginning again...

Becky

## Good going, Graduate.

Graduate. That sounds good. And it is good, for you've accomplished something very important. Through seemingly endless months of homework, tests and term papers, you've shown your ability to make the grade.

And you've helped prepare yourself for a more rewarding future. Whether you plan to begin your career, or continue your education,

we congratulate you on  
your achievement.

Gregory's Hair Etc. has developed the art of building with hair.

#### GEODESIC GRADUATION

Geodesic Graduation. It's a new term. It's a totally new way of cutting hair. Hair Etc.'s way.

Geodesic Graduation does not refer to a particular cut or style. But rather to a method. A whole new approach to cutting hair. With Geodesic Graduation the world of hair is no longer flat.

It's contoured, Molded, Shaped. Your hair feels fuller, more alive. And because of Geodesic Graduation, you can actually go longer between stylings. It's built to last.
